A photograph of Donald Trump speaking at a podium, overlaid with a semi-transparent blue filter. He is wearing a dark suit, white shirt, and a striped tie. Behind him are the American flag and the Presidential Seal. A large, dark green speech bubble with white text is positioned on the left side of the image.

In the first
75 days of my
administration,
we have seen winter
turn to spring...
something that some
people thought
would be impossible.

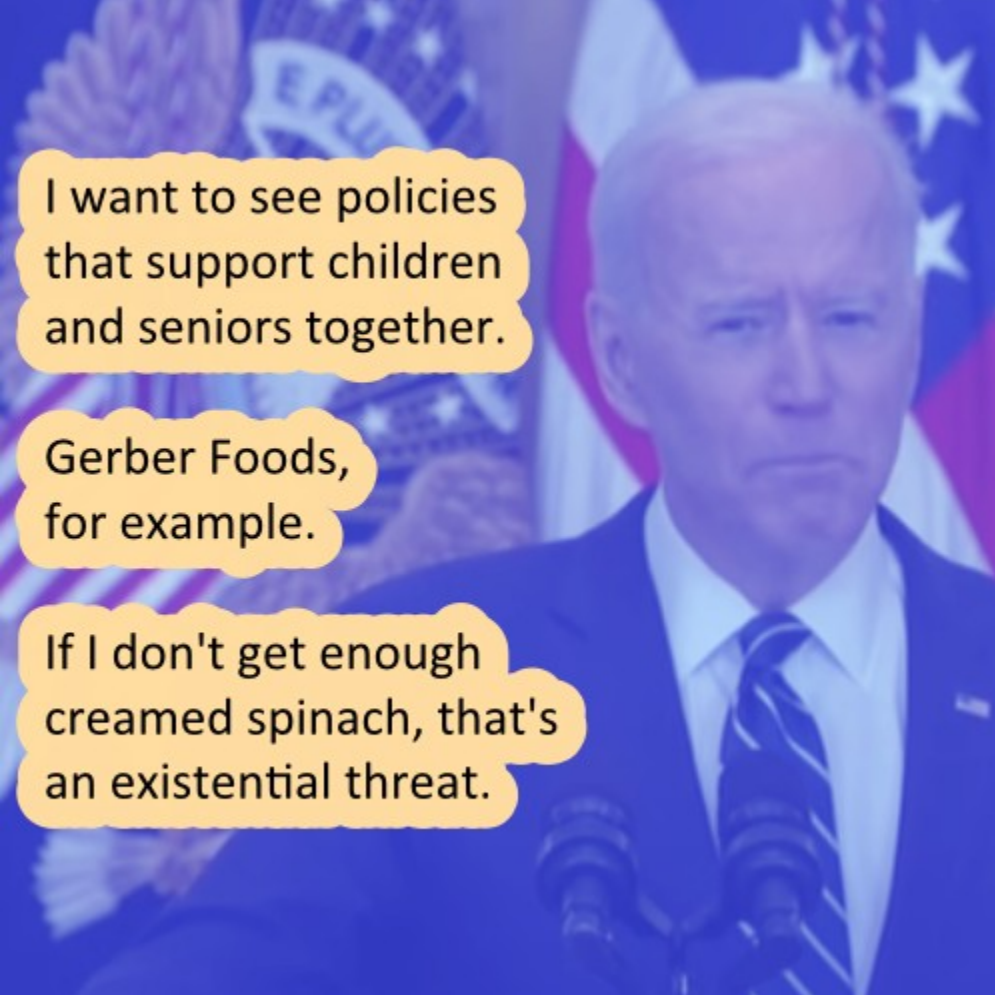

**Of course I still use
the term Jim Crow,
I haven't read
a book in 40 years.**

Of course tampon
dispensers in the
Capitol men's rooms
are *infrastructure*.

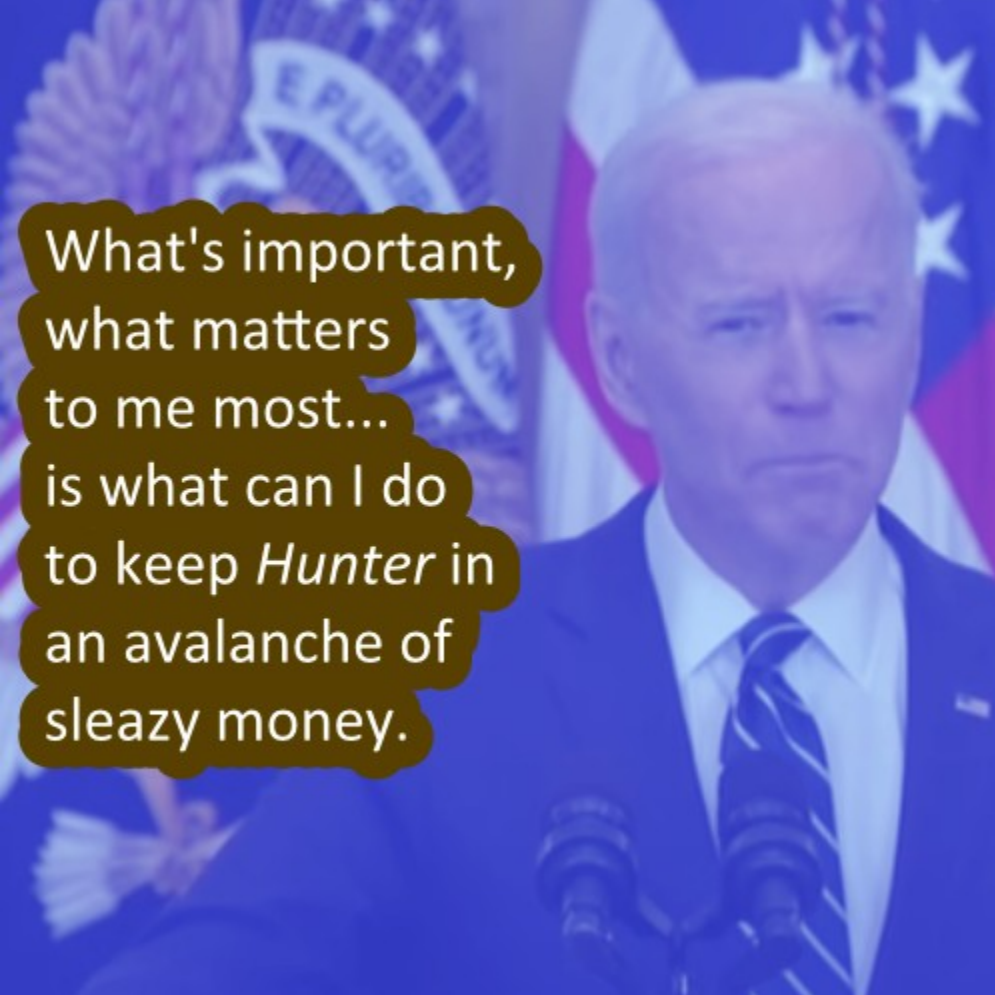

What the hell else
would you call them?

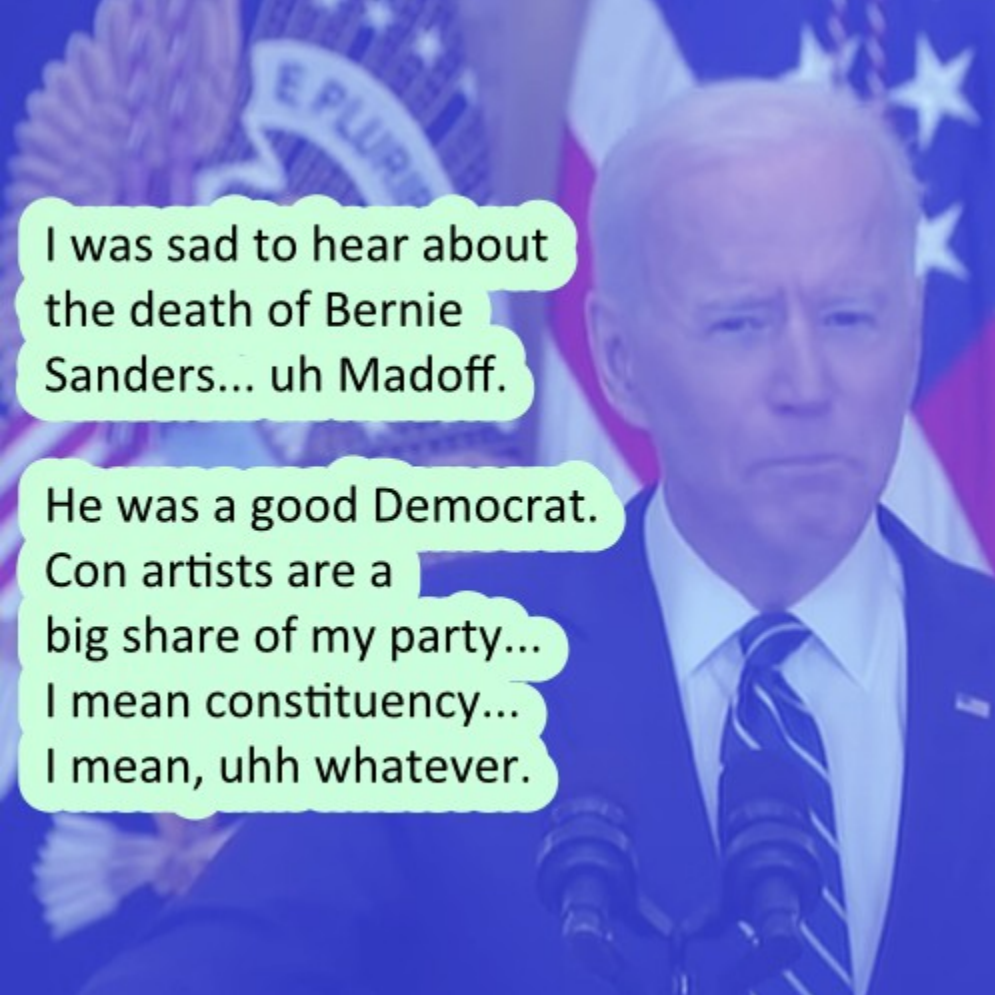

I want to see policies
that support children
and seniors together.

Gerber Foods,
for example.

If I don't get enough
creamed spinach, that's
an existential threat.

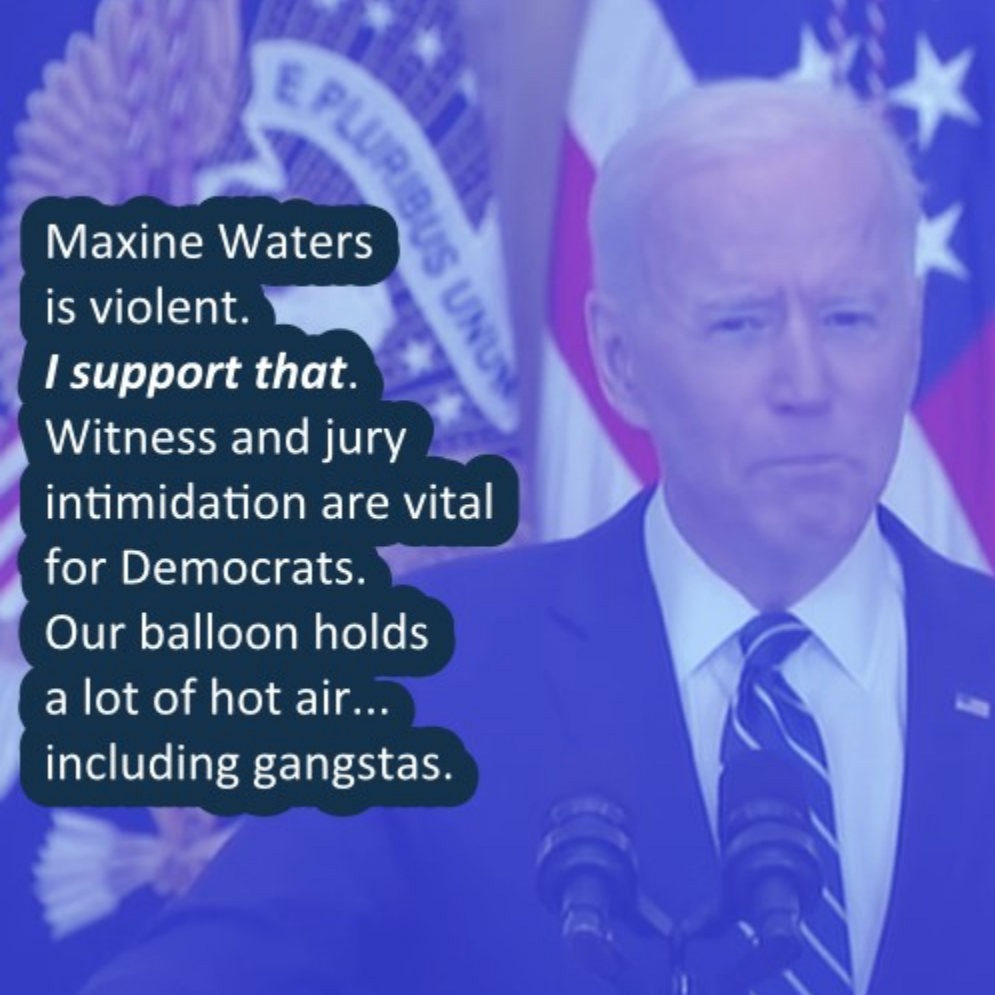

What's important,
what matters
to me most...
is what can I do
to keep *Hunter* in
an avalanche of
sleazy money.

I was sad to hear about
the death of Bernie
Sanders... uh Madoff.

He was a good Democrat.
Con artists are a
big share of my party...
I mean constituency...
I mean, uhh whatever.

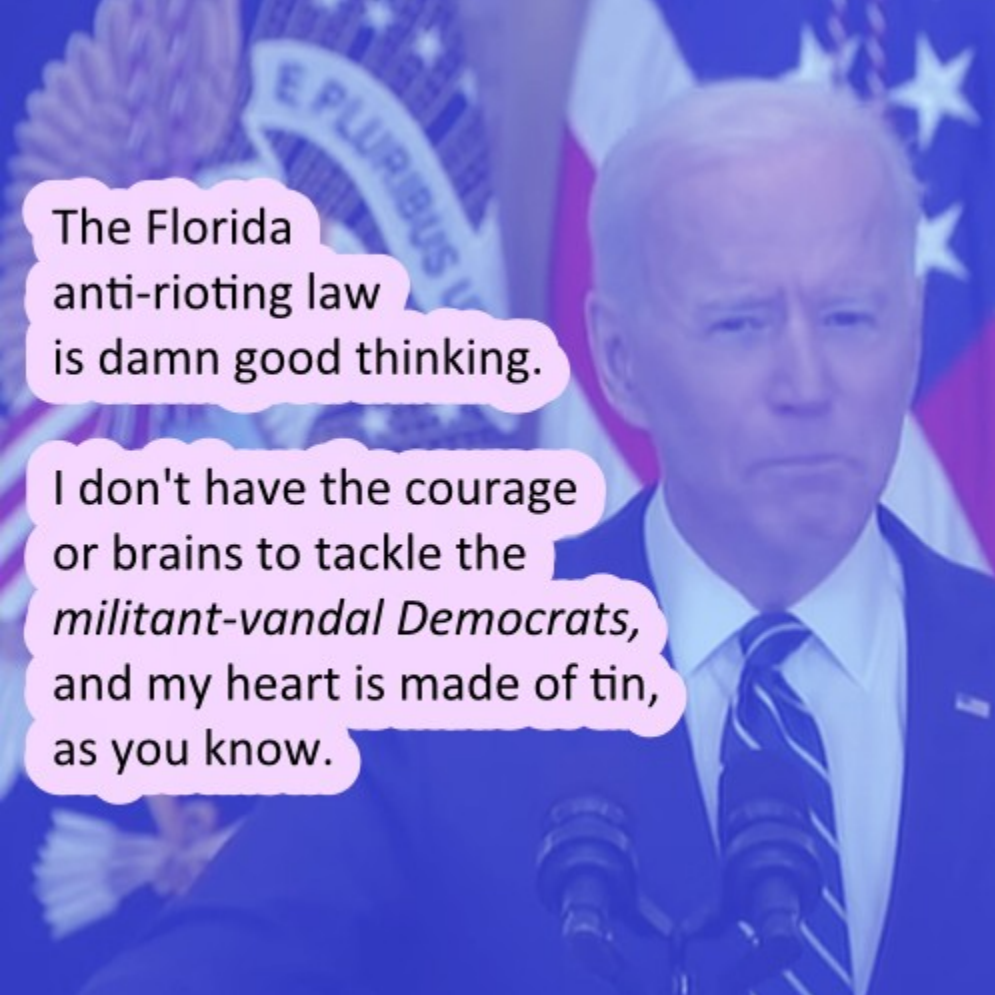

Maxine Waters
is violent.

I support that.

Witness and jury
intimidation are vital
for Democrats.

Our balloon holds
a lot of hot air...
including gangstas.

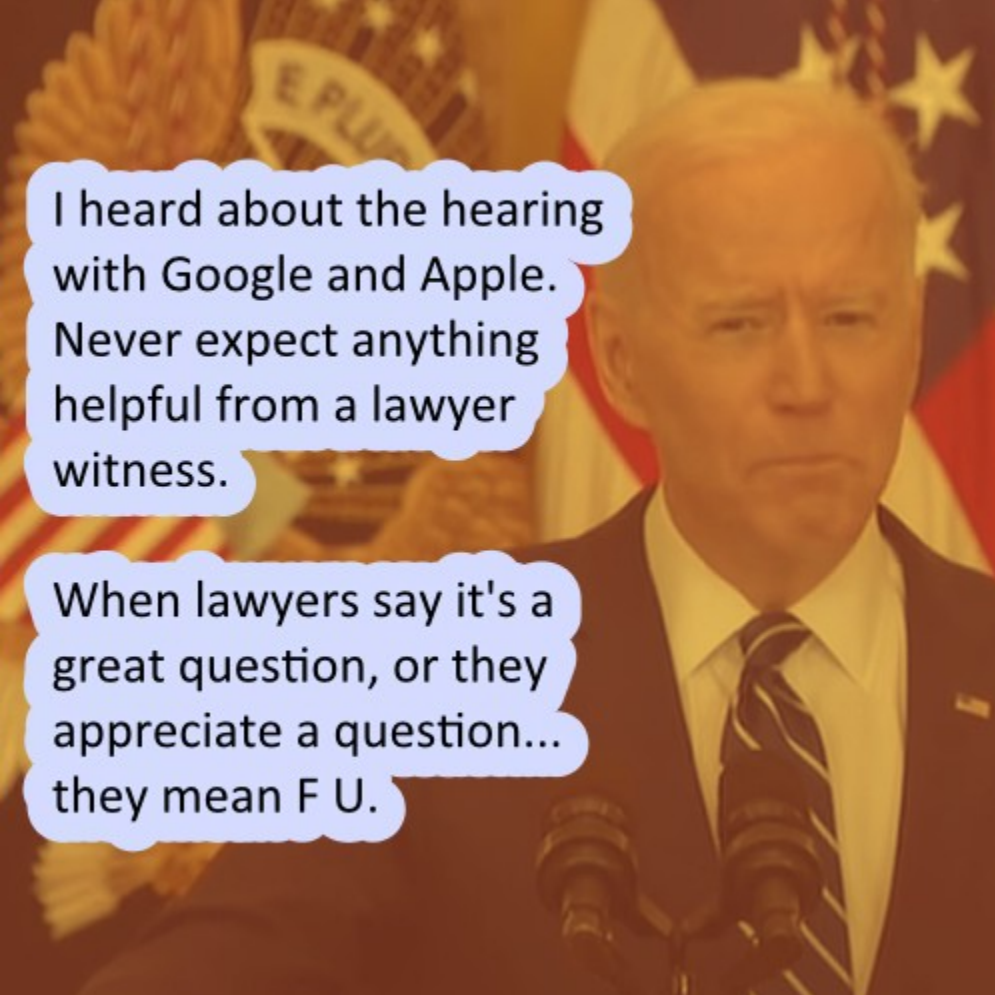

The Florida
anti-rioting law
is damn good thinking.

I don't have the courage
or brains to tackle the
militant-vandal Democrats,
and my heart is made of tin,
as you know.

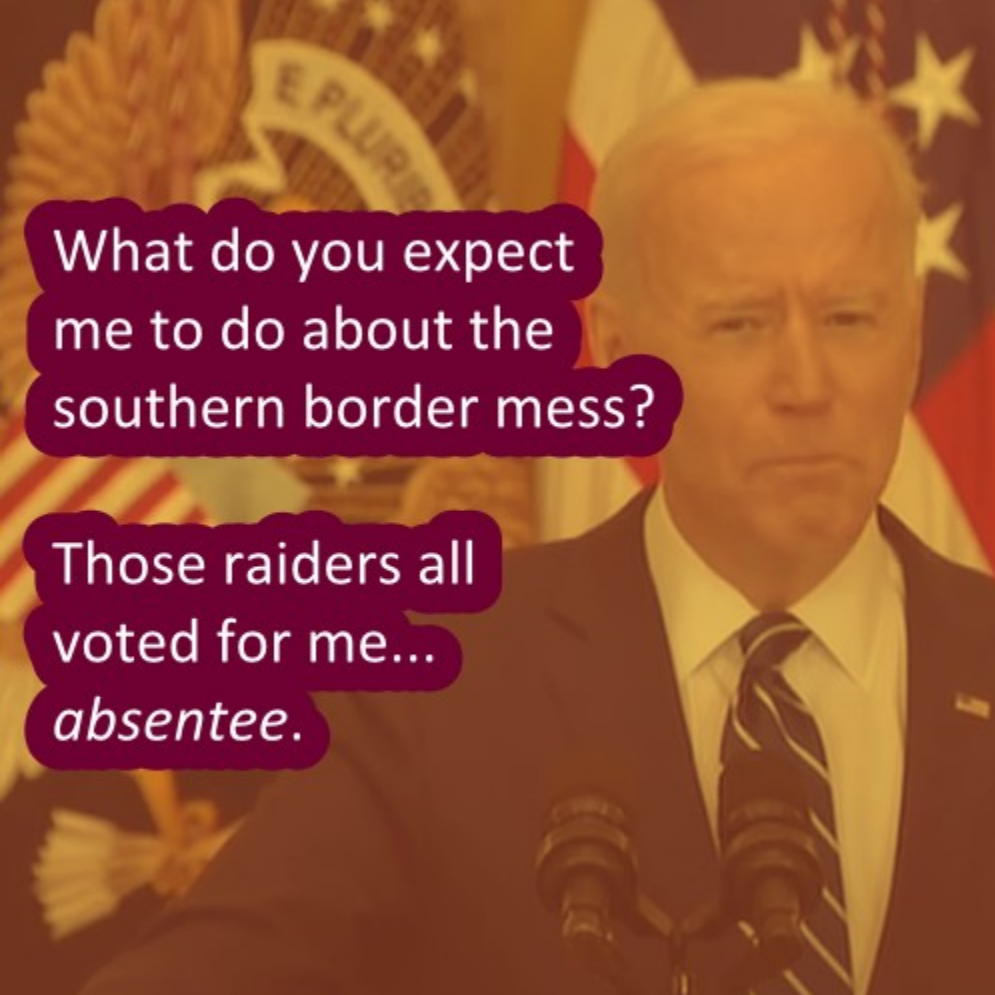

The Congresswomen who
want to de-fund police
are cute.

They represent
the ***protection rackets***,
my voters in the
protection rackets.

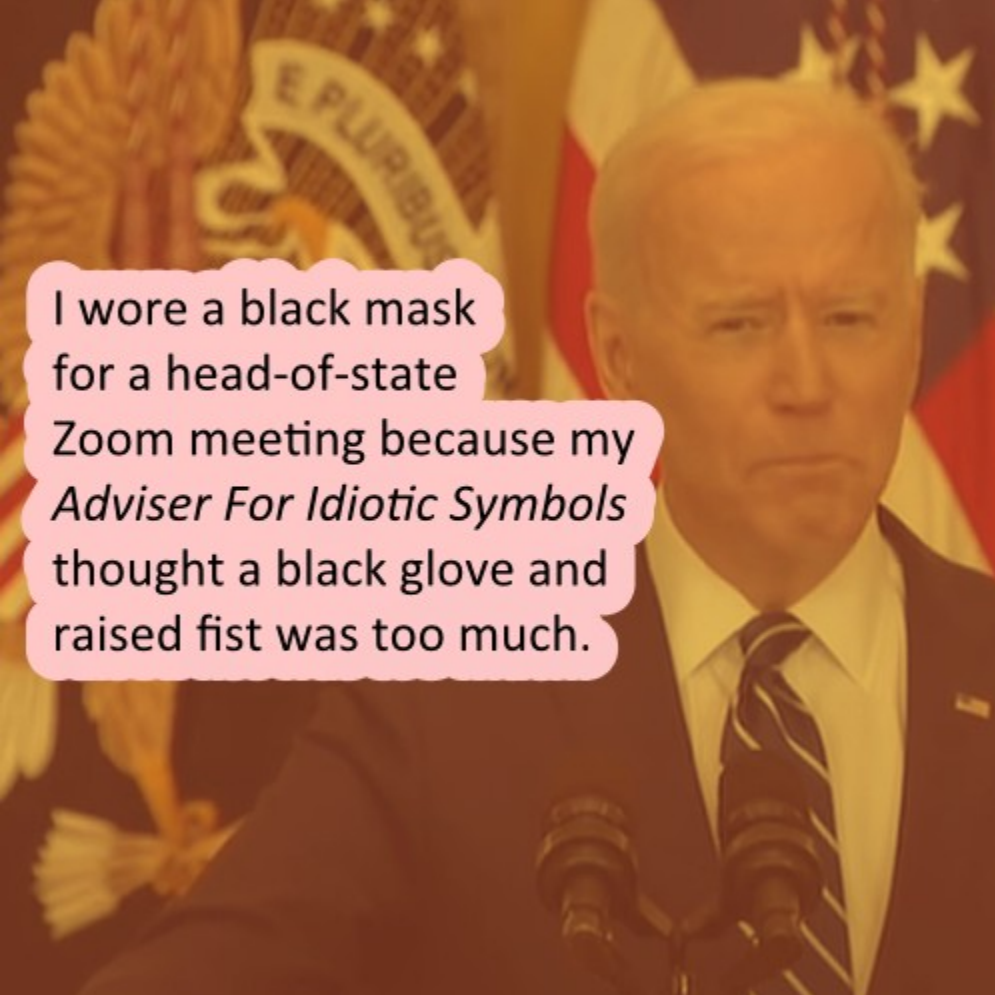

I heard about the hearing
with Google and Apple.
Never expect anything
helpful from a lawyer
witness.

When lawyers say it's a
great question, or they
appreciate a question...
they mean F U.

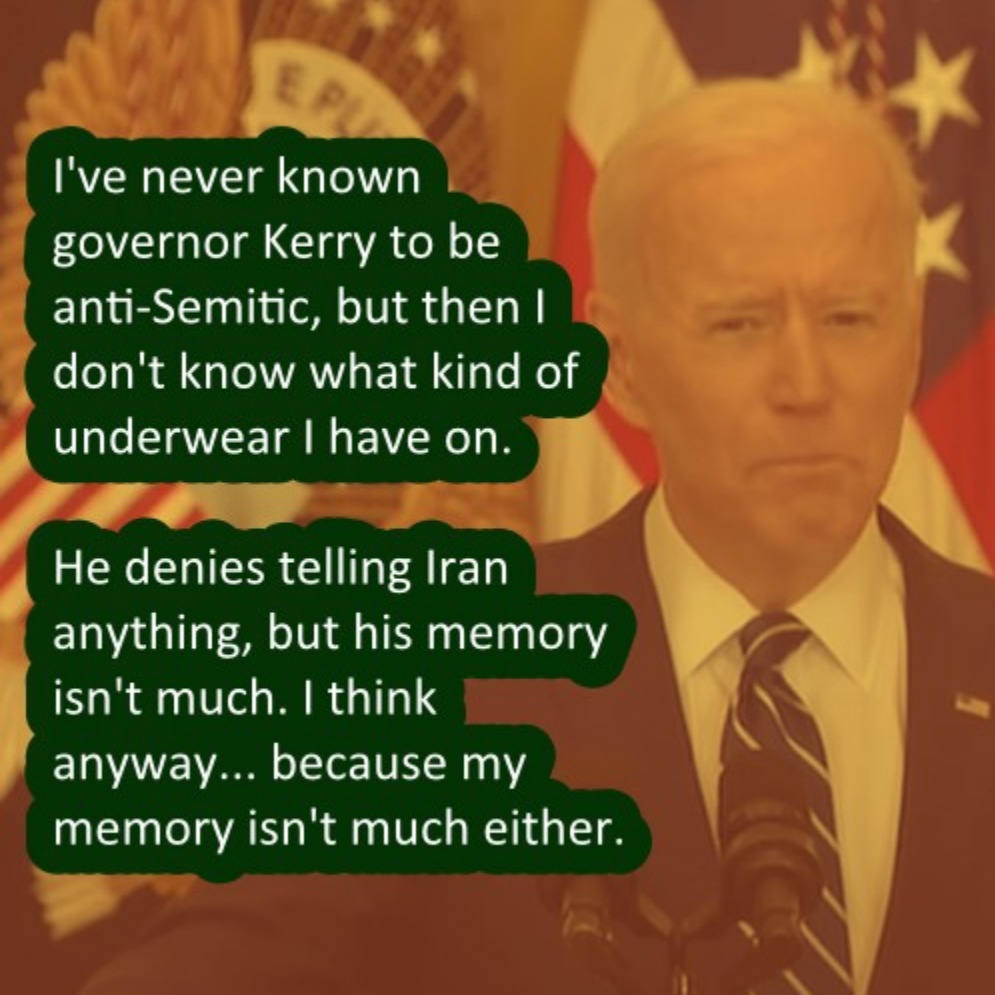

What do you expect
me to do about the
southern border mess?

Those raiders all
voted for me...
absentee.

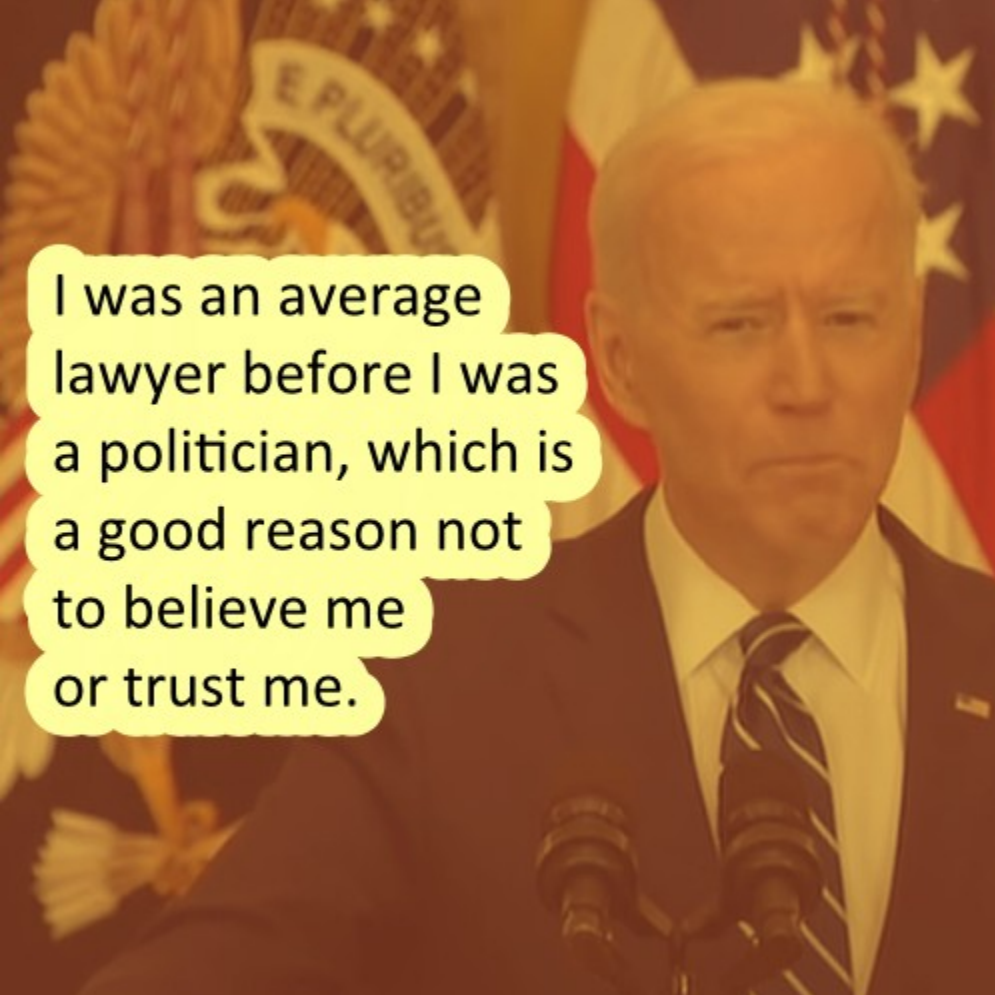

I wore a black mask
for a head-of-state
Zoom meeting because my
Adviser For Idiotic Symbols
thought a black glove and
raised fist was too much.

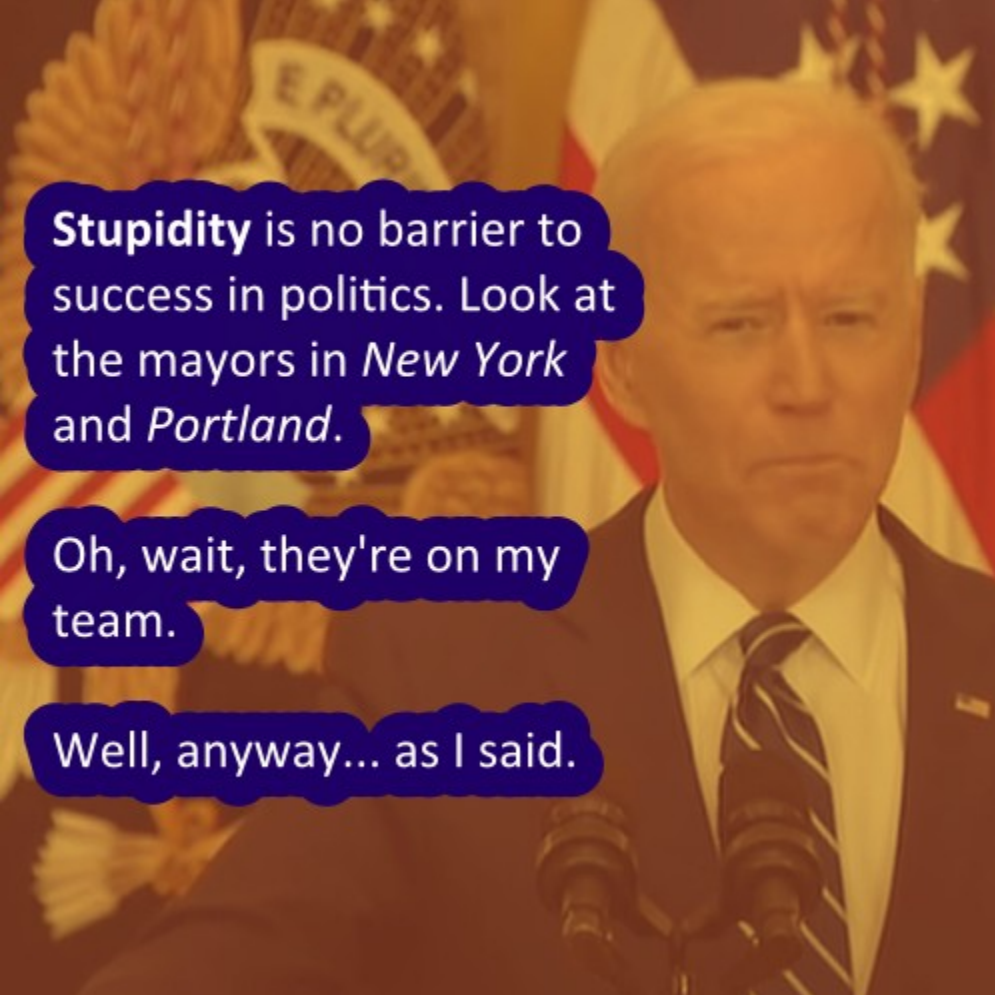

I've never known
governor Kerry to be
anti-Semitic, but then I
don't know what kind of
underwear I have on.

He denies telling Iran
anything, but his memory
isn't much. I think
anyway... because my
memory isn't much either.

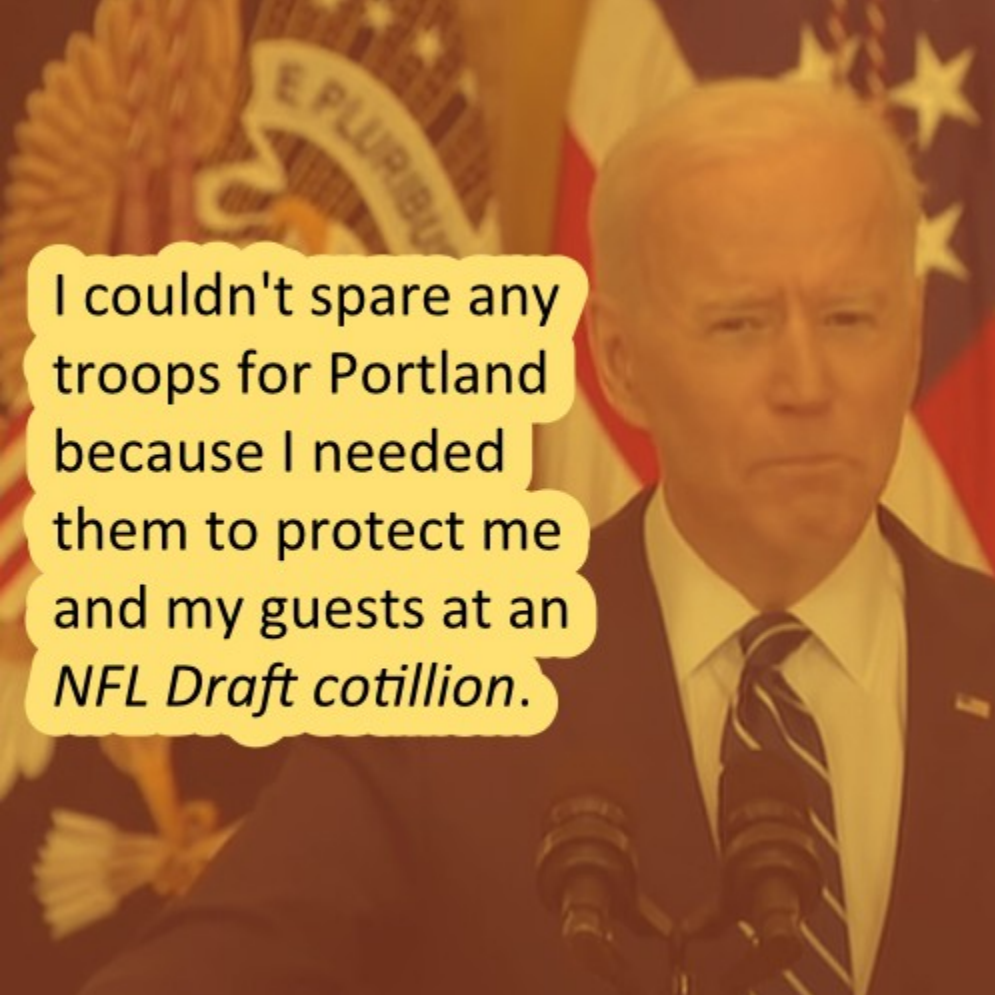

I was an average lawyer before I was a politician, which is a good reason not to believe me or trust me.

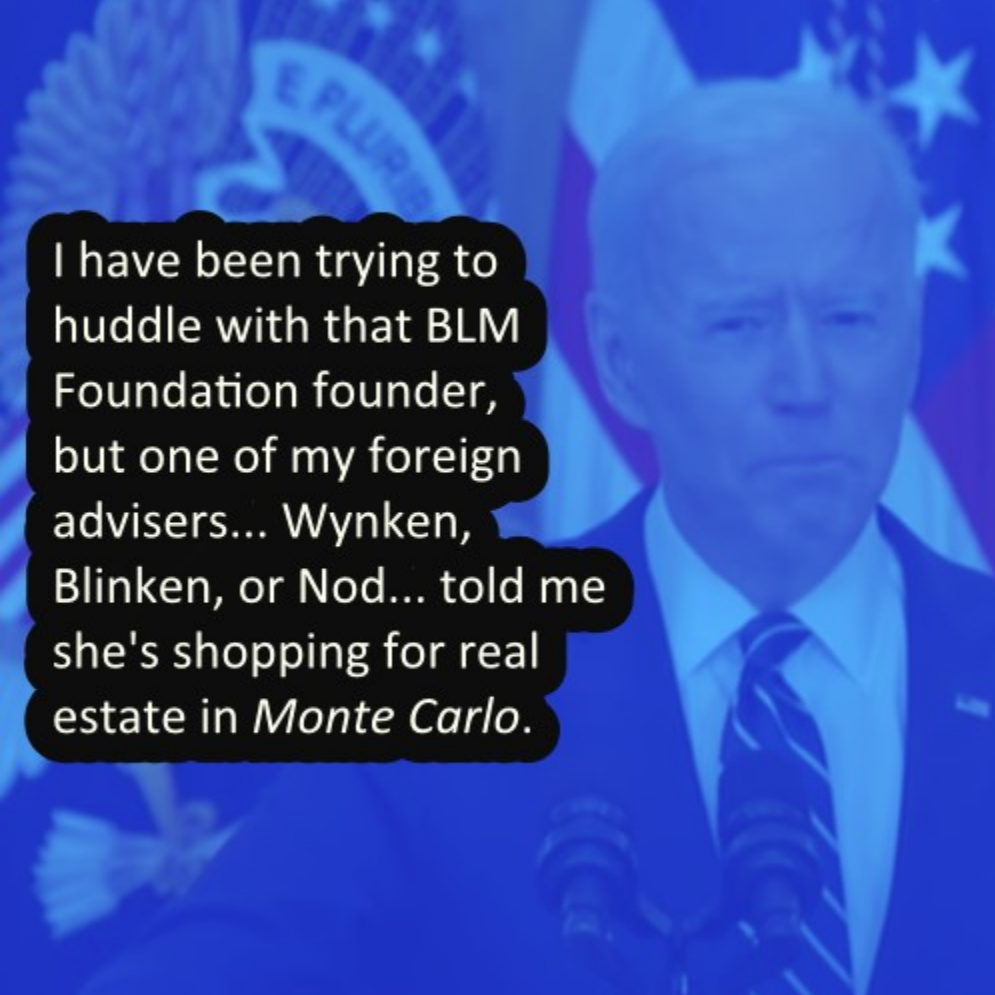

Stupidity is no barrier to success in politics. Look at the mayors in *New York* and *Portland*.

Oh, wait, they're on my team.

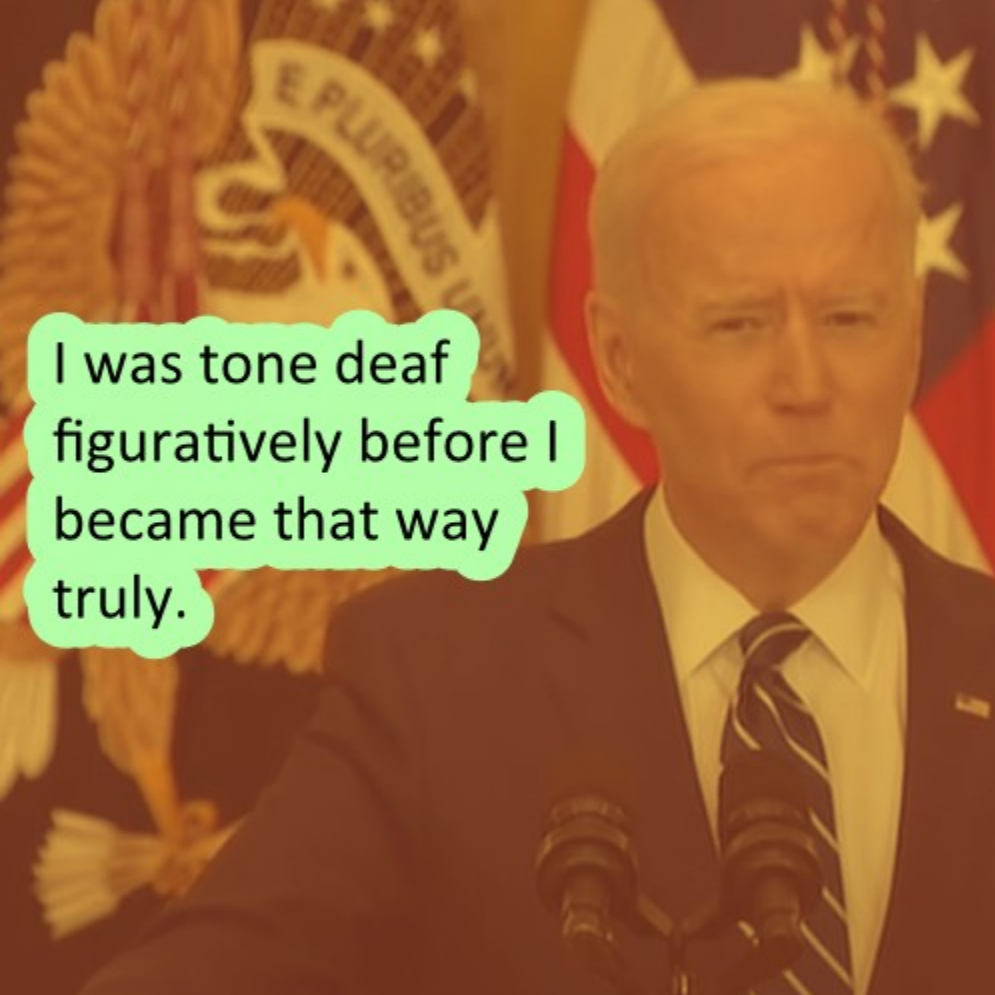

Well, anyway... as I said.

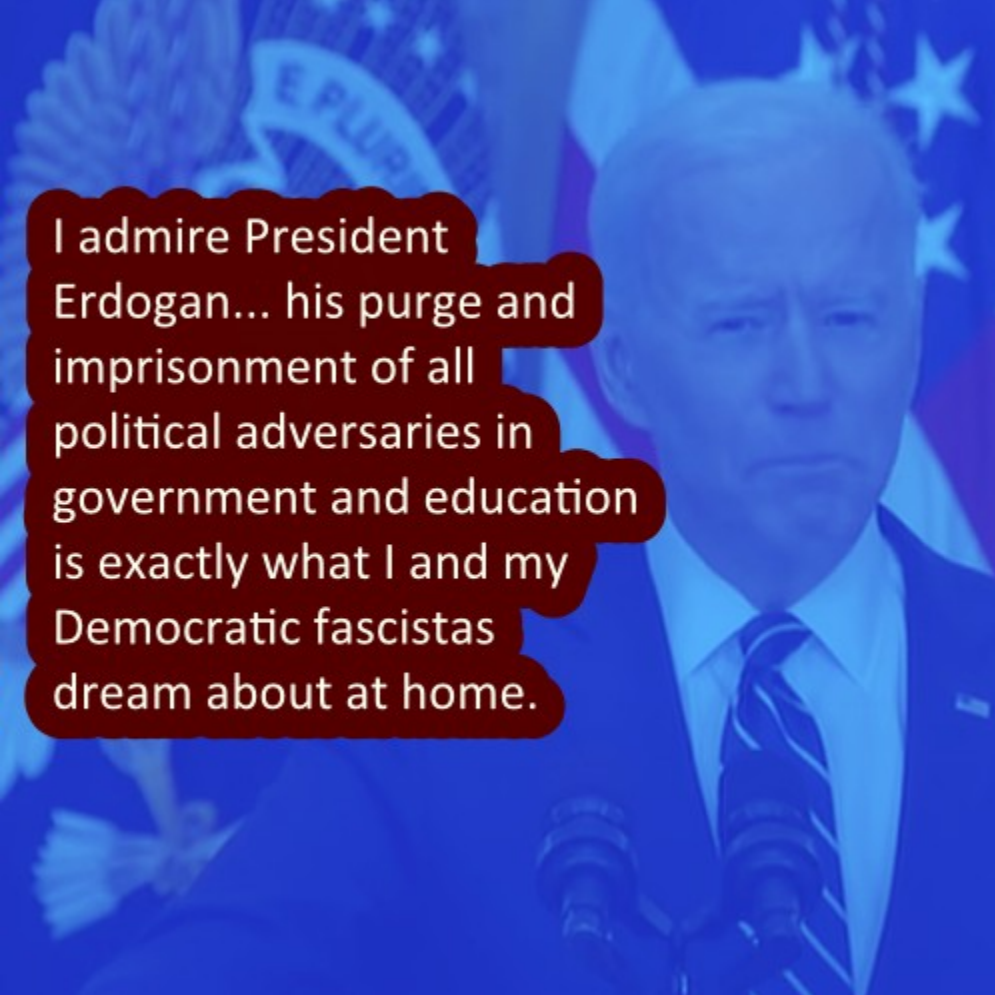

I couldn't spare any
troops for Portland
because I needed
them to protect me
and my guests at an
NFL Draft cotillion.

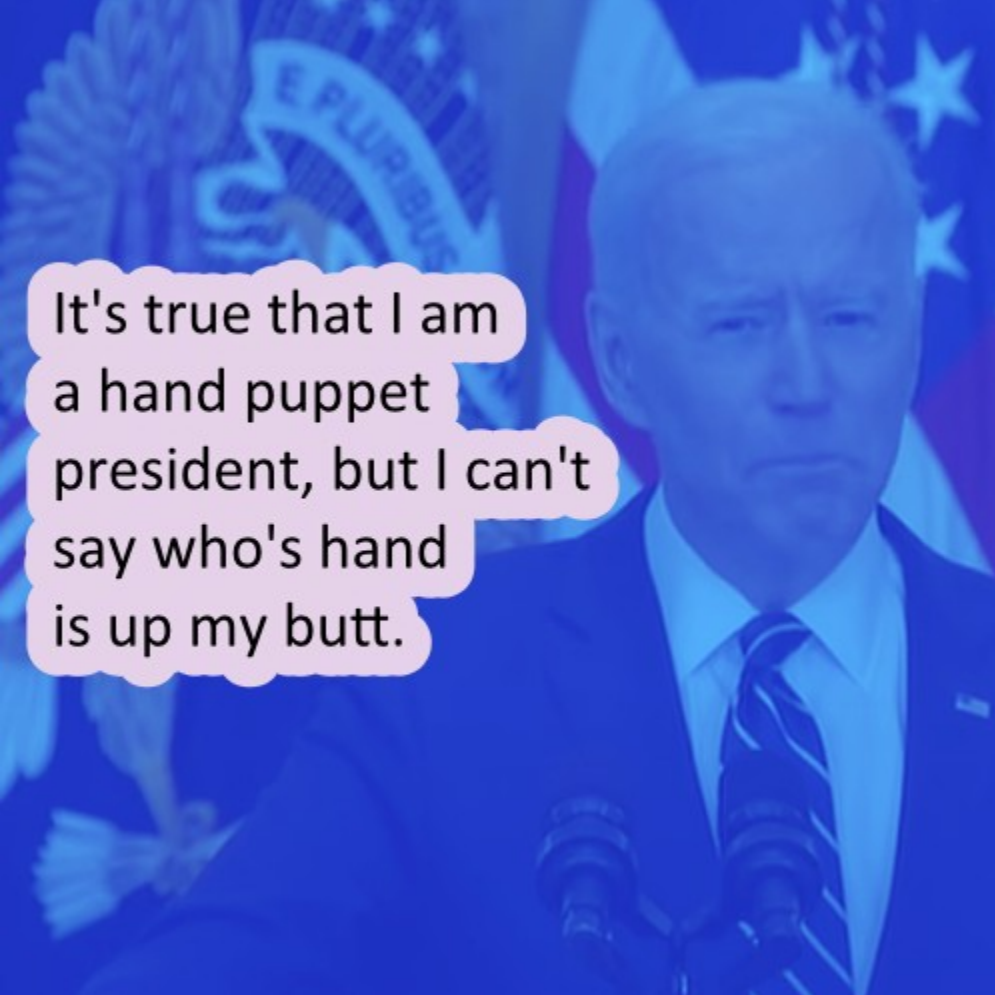

I have been trying to huddle with that BLM Foundation founder, but one of my foreign advisers... Wynken, Blinken, or Nod... told me she's shopping for real estate in *Monte Carlo*.

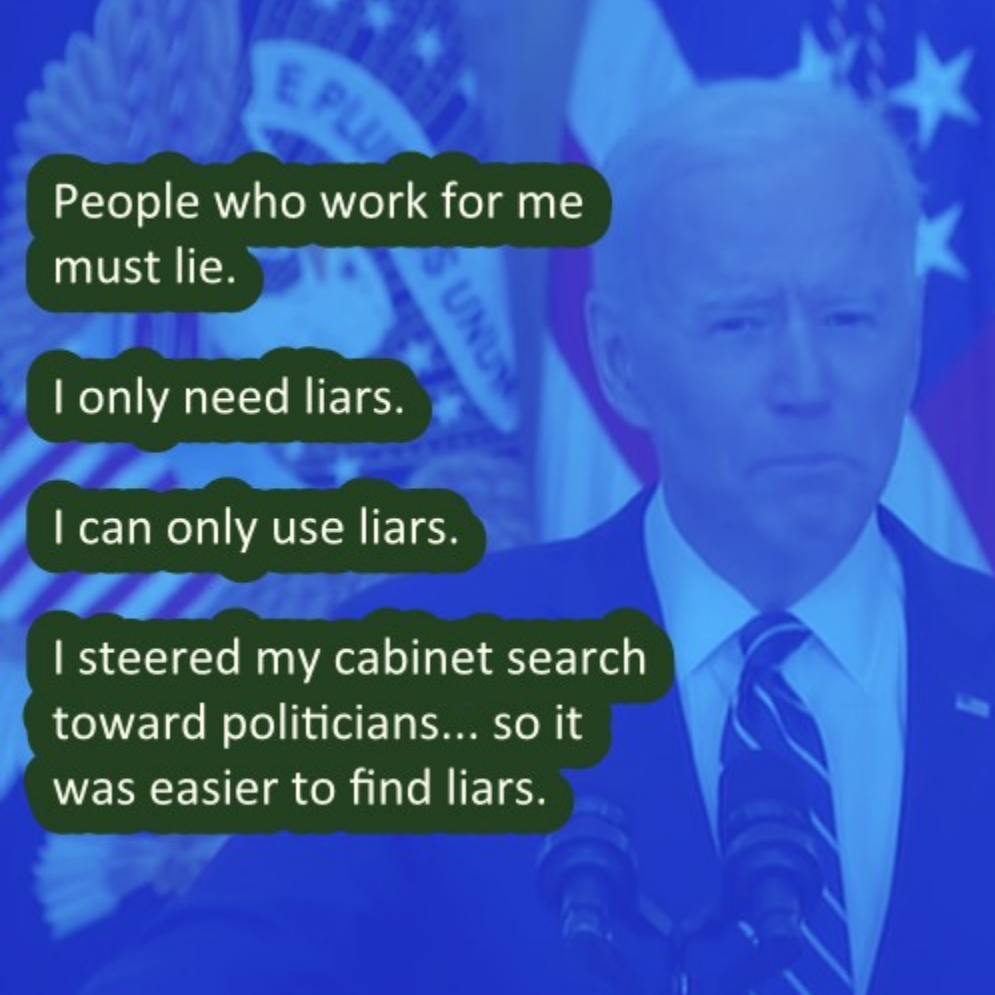

I was tone deaf
figuratively before I
became that way
truly.

I admire President Erdogan... his purge and imprisonment of all political adversaries in government and education is exactly what I and my Democratic fascistas dream about at home.

It's true that I am
a hand puppet
president, but I can't
say who's hand
is up my butt.

A photograph of Donald Trump speaking at a podium, overlaid with a blue tint and several white text boxes. The background shows the Presidential Seal and an American flag.

People who work for me
must lie.

I only need liars.

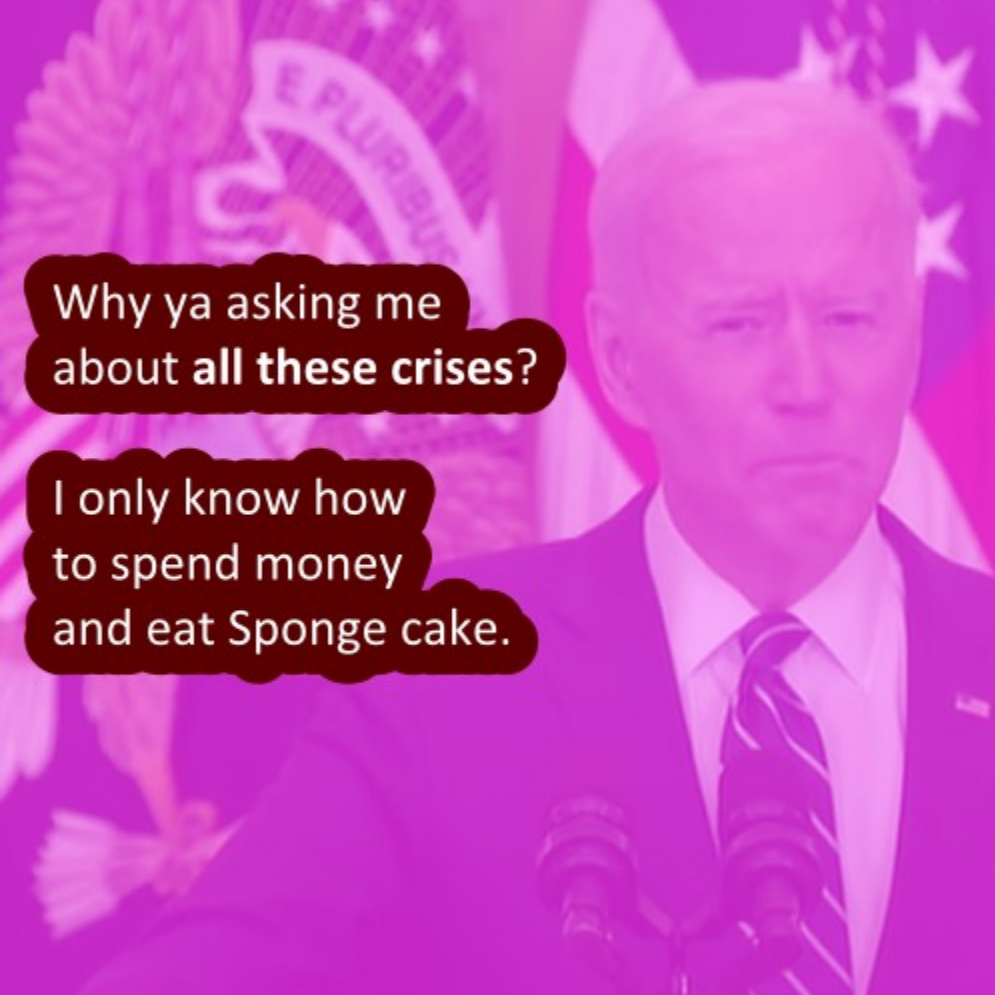

I can only use liars.

I steered my cabinet search
toward politicians... so it
was easier to find liars.

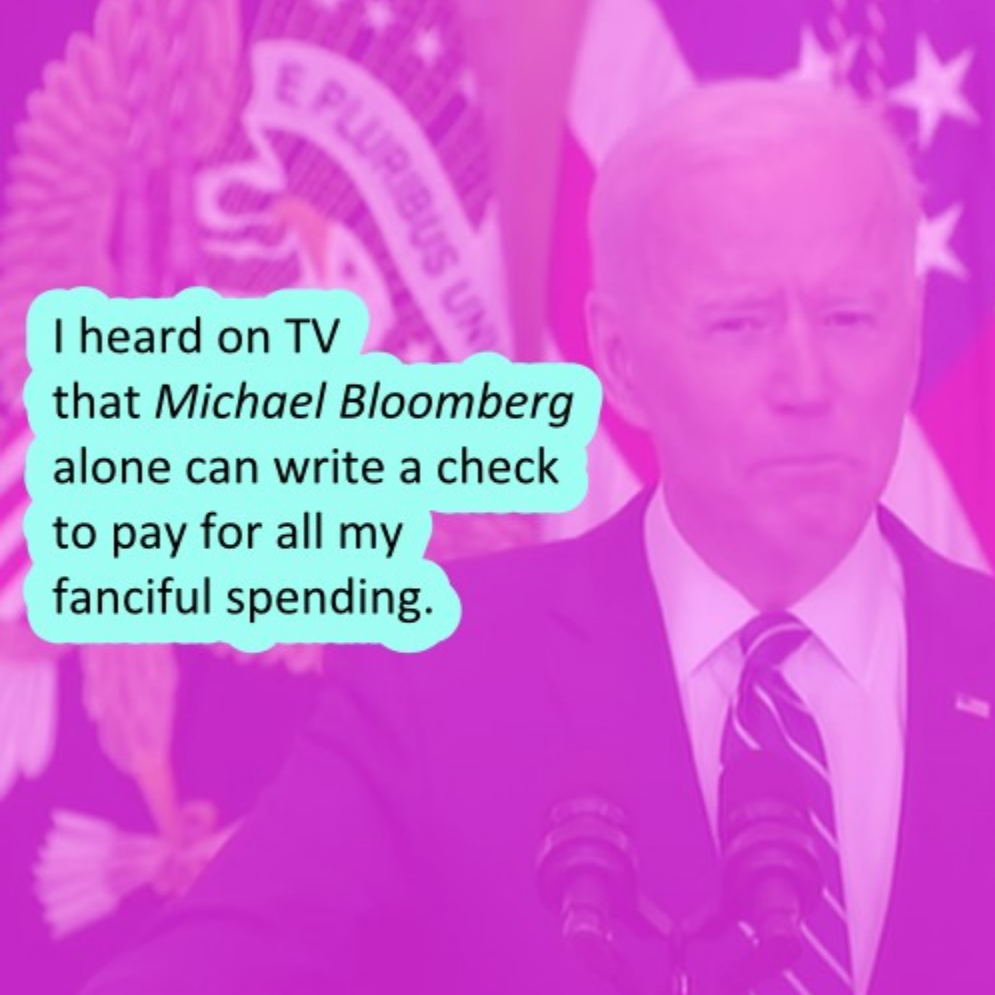

Illiberal?

What is that...
a Democrat in
Chicago?

Why ya asking me
about **all these crises?**

I only know how
to spend money
and eat Sponge cake.

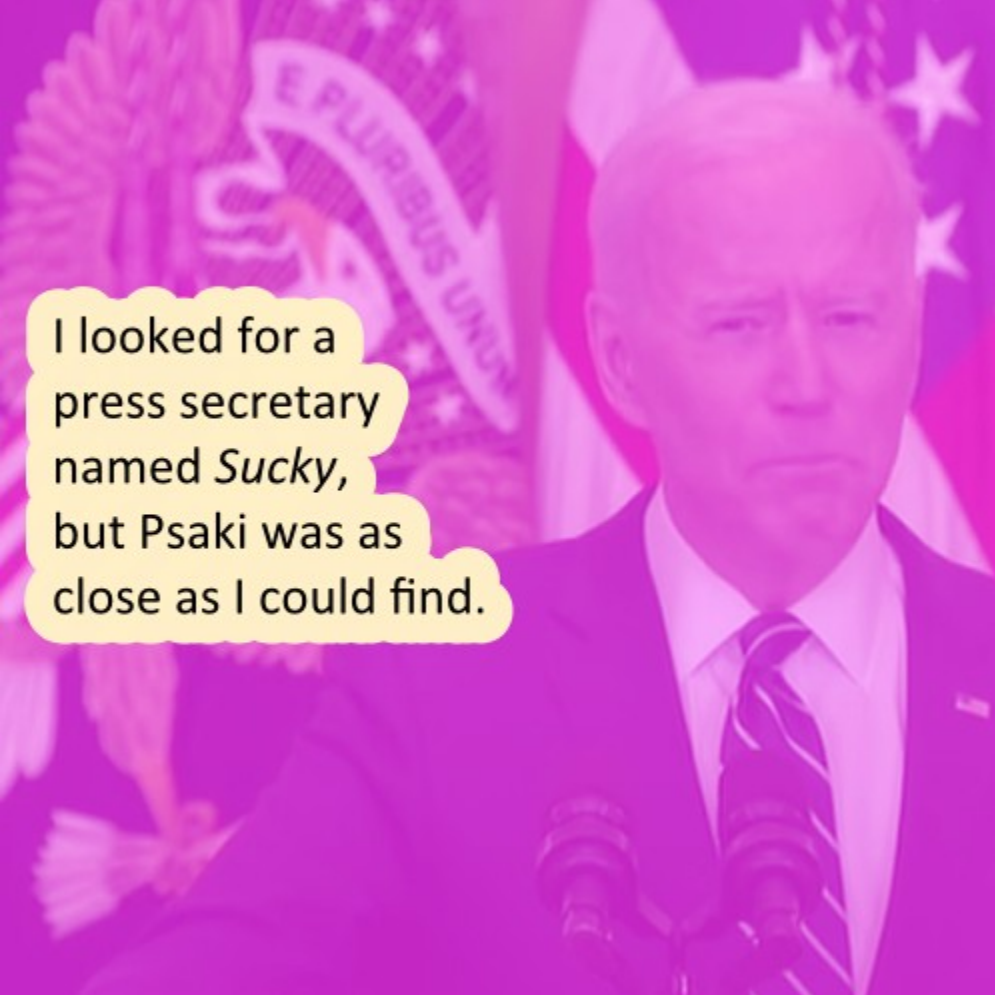

I heard on TV
that *Michael Bloomberg*
alone can write a check
to pay for all my
fanciful spending.

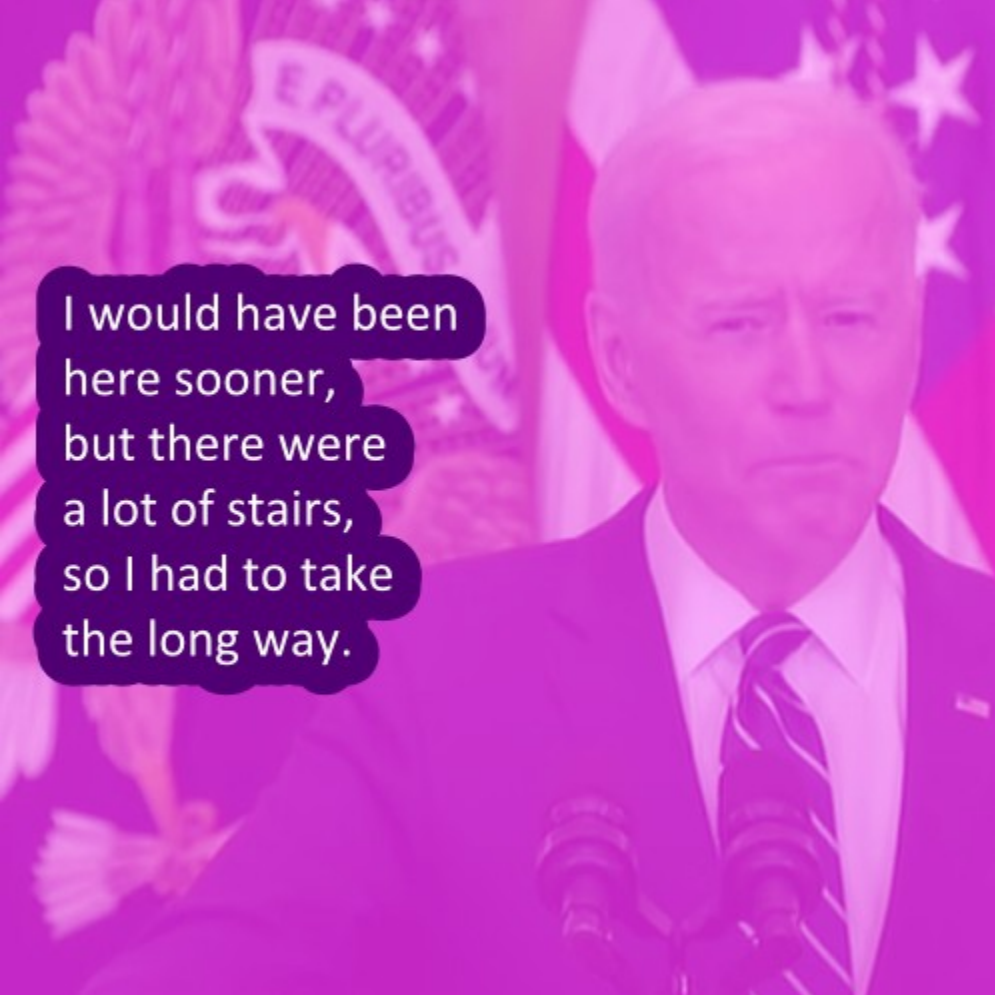

A photograph of Mike Pence, Vice President of the United States, speaking at a podium. The image has a strong purple color cast. Overlaid on the left side of the image are two green speech bubble-like boxes containing white text. The background shows the Great Seal of the United States and an American flag.

My moral compass?

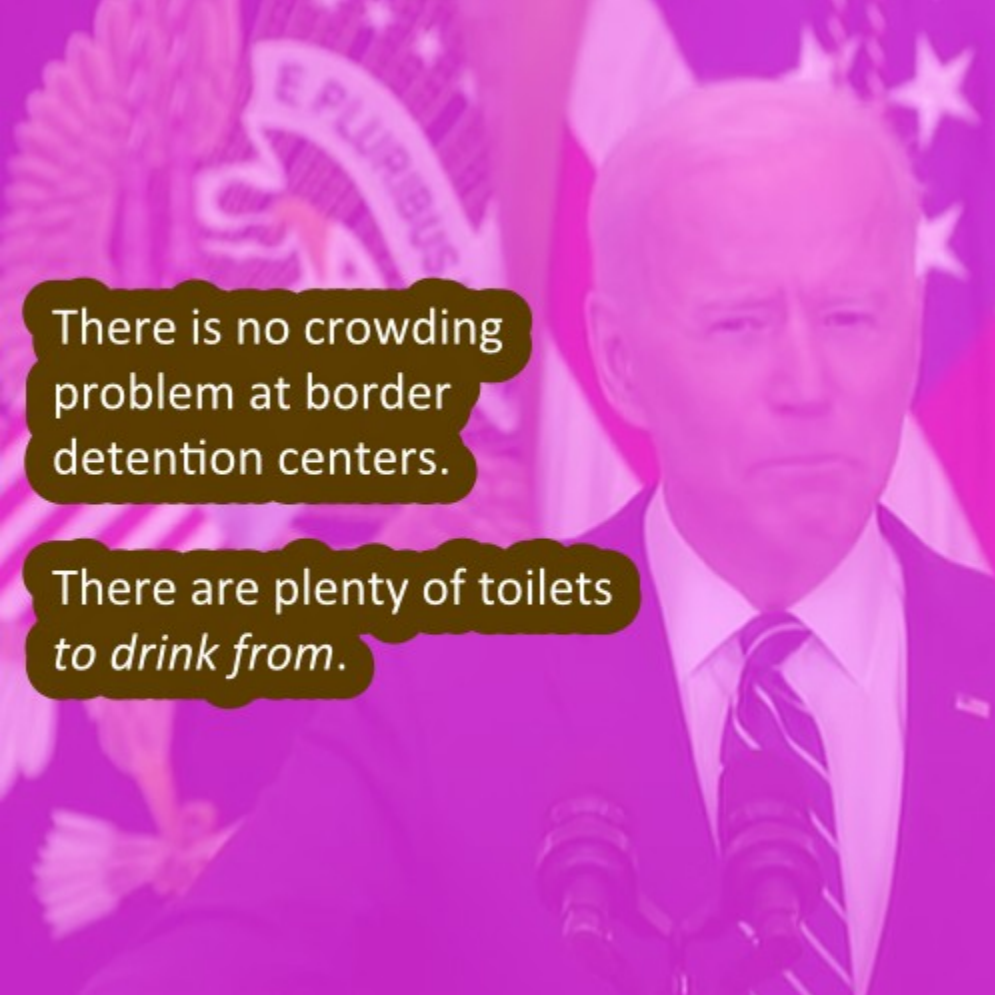

It points straight
to **Hell.**

A photograph of Joe Biden speaking at a podium with microphones. The image is covered with a semi-transparent purple filter. In the background, the Presidential Seal and the American flag are visible. A yellow speech bubble with black text is overlaid on the left side of the image.

I looked for a
press secretary
named *Sucky*,
but Psaki was as
close as I could find.

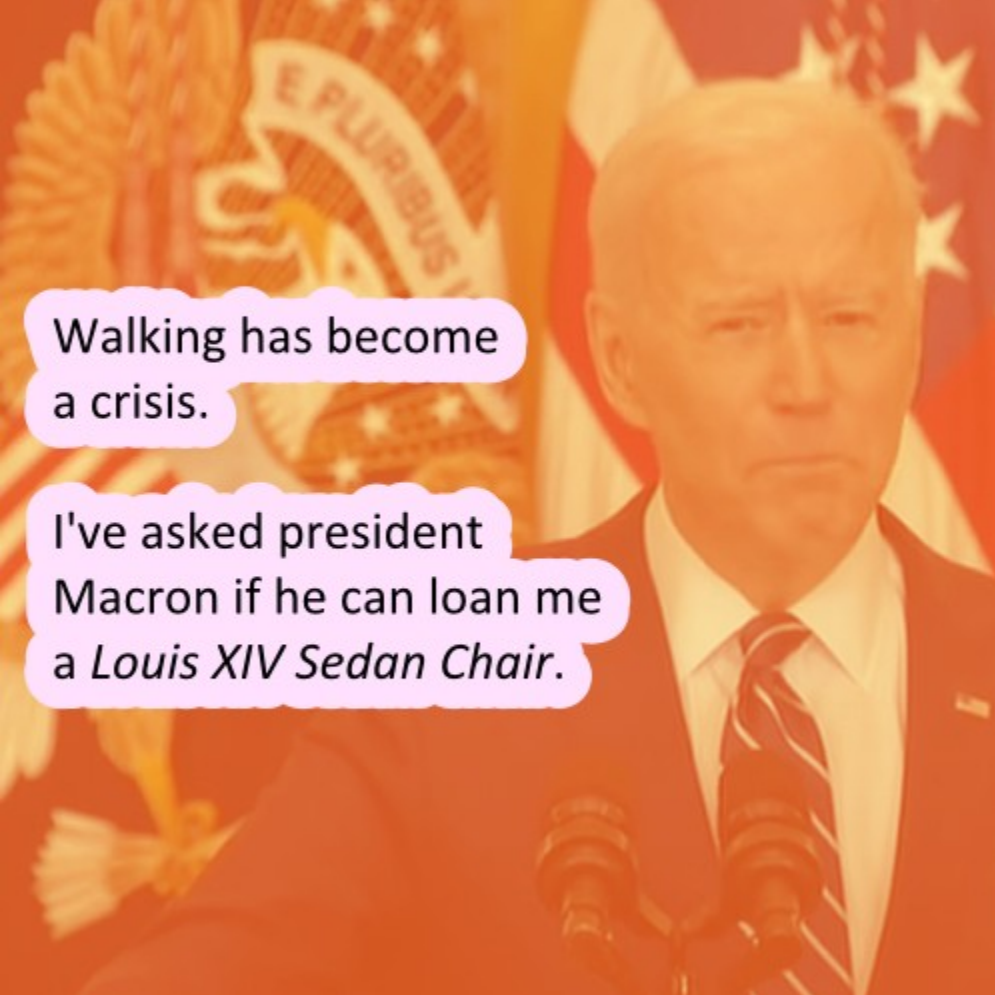

I would have been
here sooner,
but there were
a lot of stairs,
so I had to take
the long way.

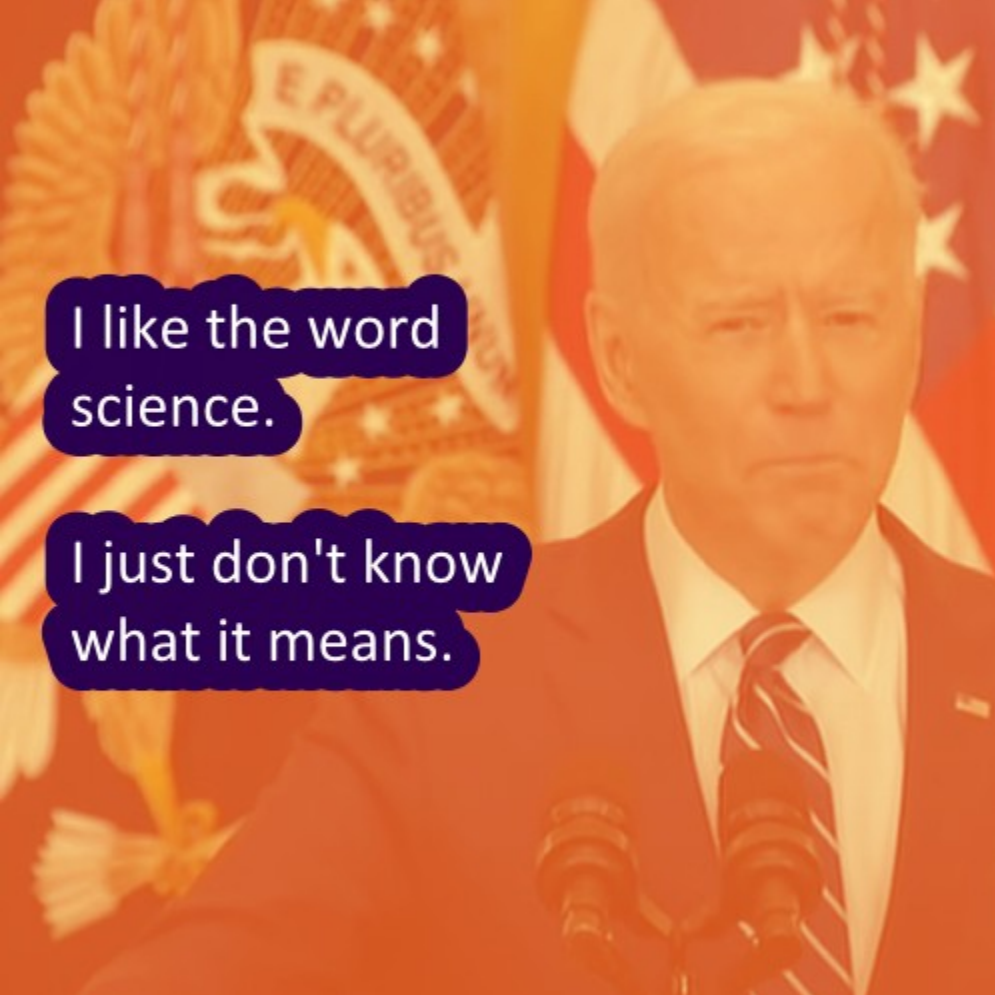

There is no crowding
problem at border
detention centers.

There are plenty of toilets
to drink from.

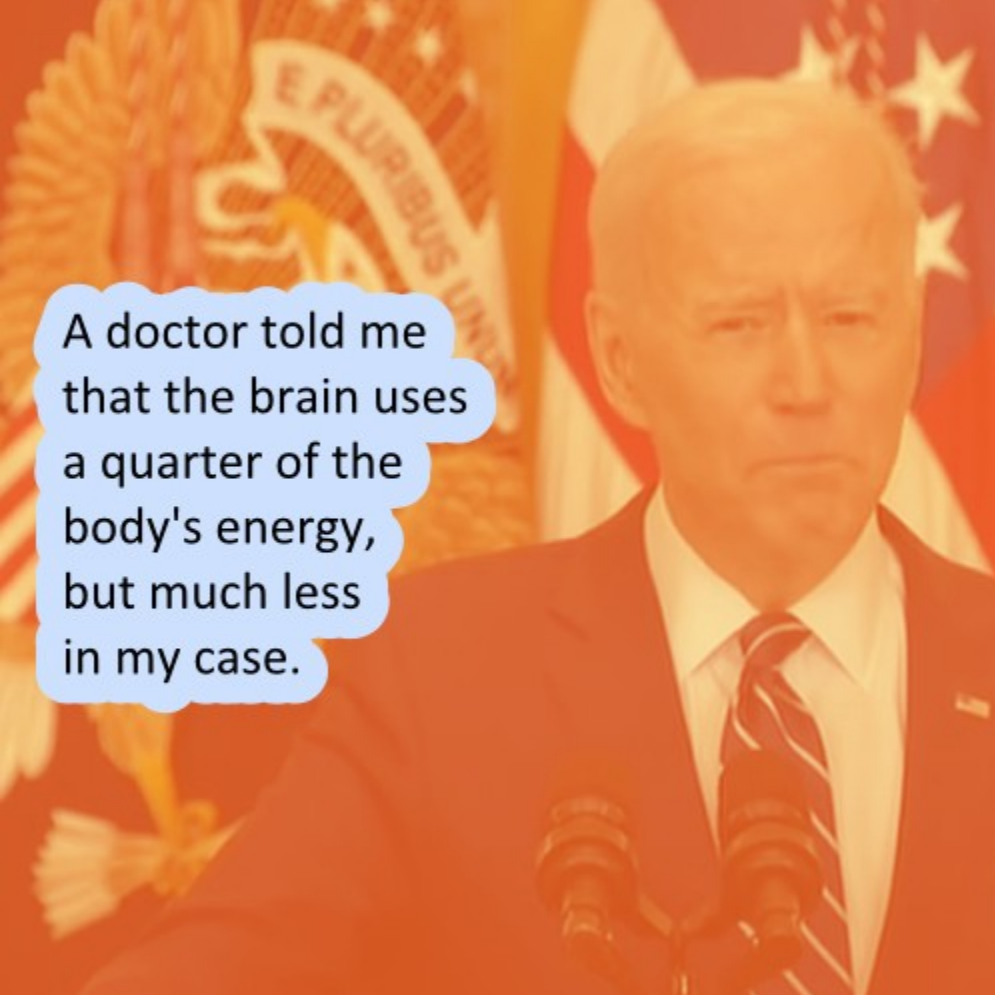

Walking has become
a crisis.

I've asked president
Macron if he can loan me
a *Louis XIV Sedan Chair*.

I like the word
science.

I just don't know
what it means.

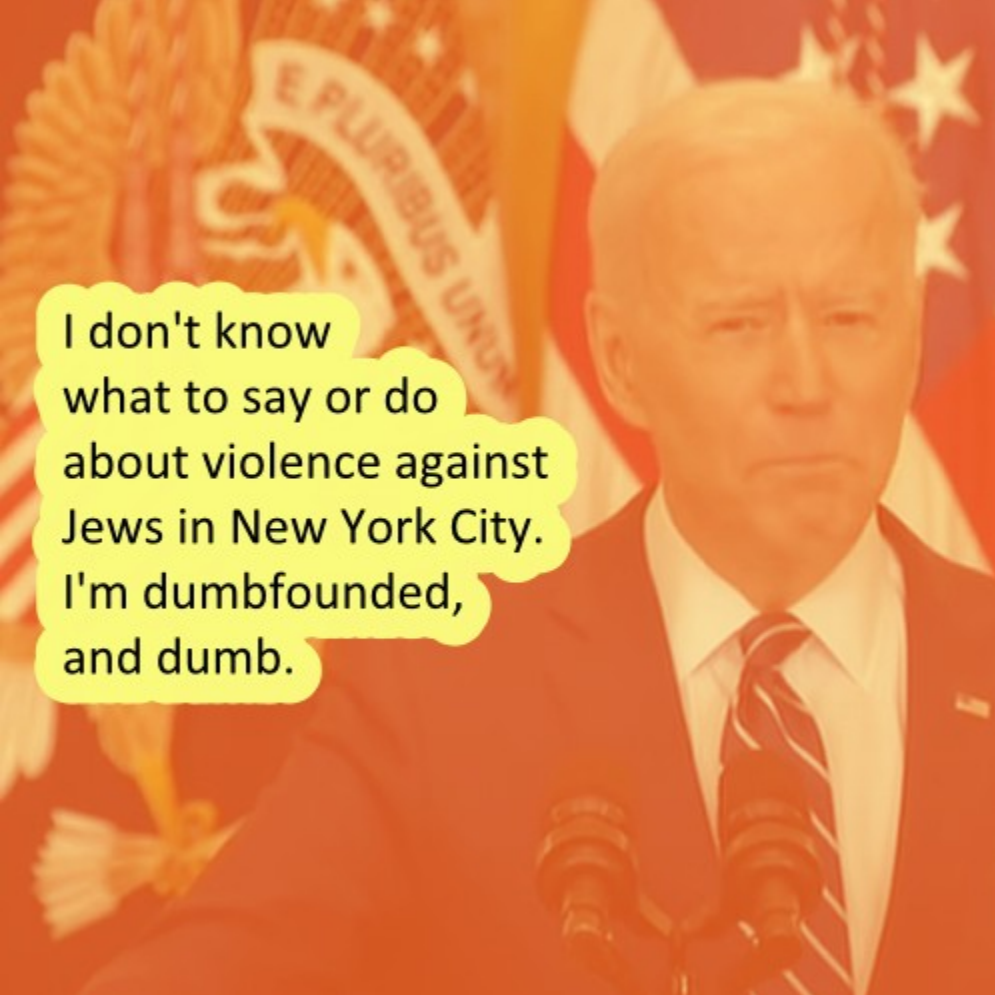

A doctor told me
that the brain uses
a quarter of the
body's energy,
but much less
in my case.

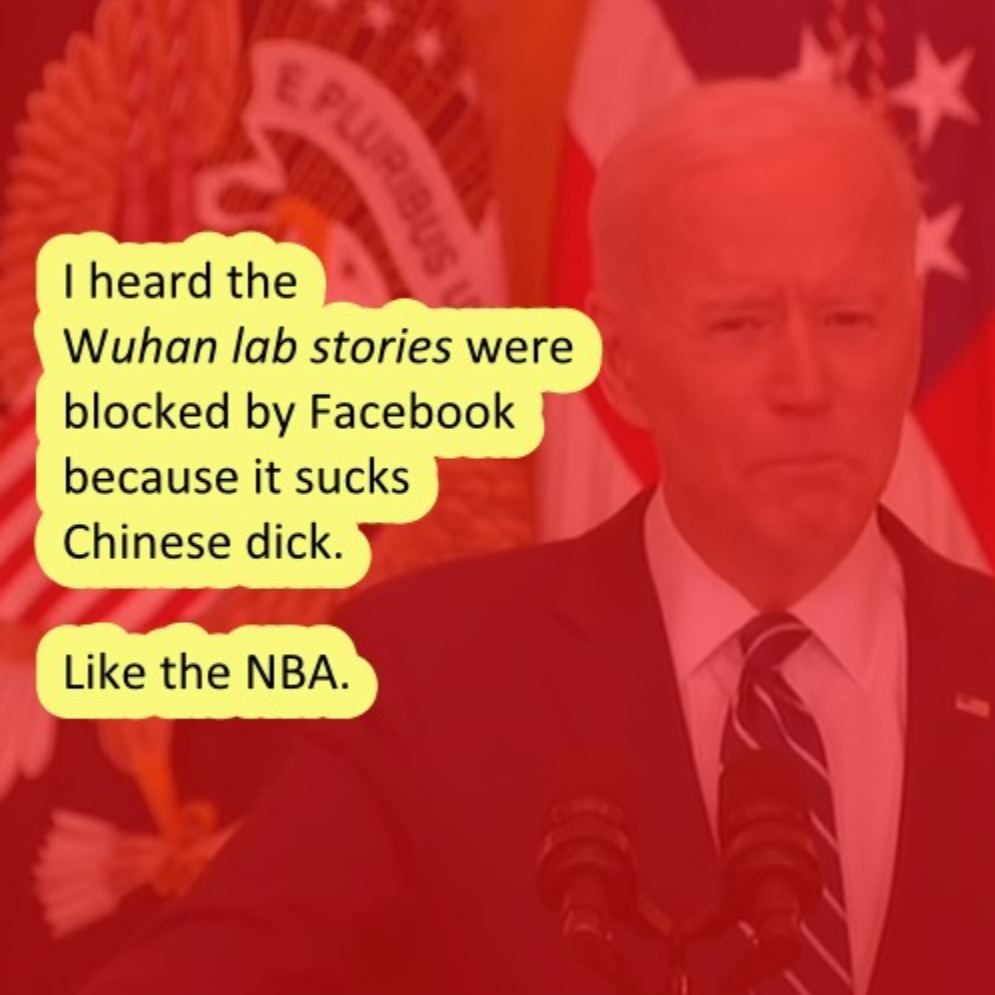

Muslim violence
against Jews here
does not bother me.

Muslims are black
and people of color,
and Jews are white.
Right?

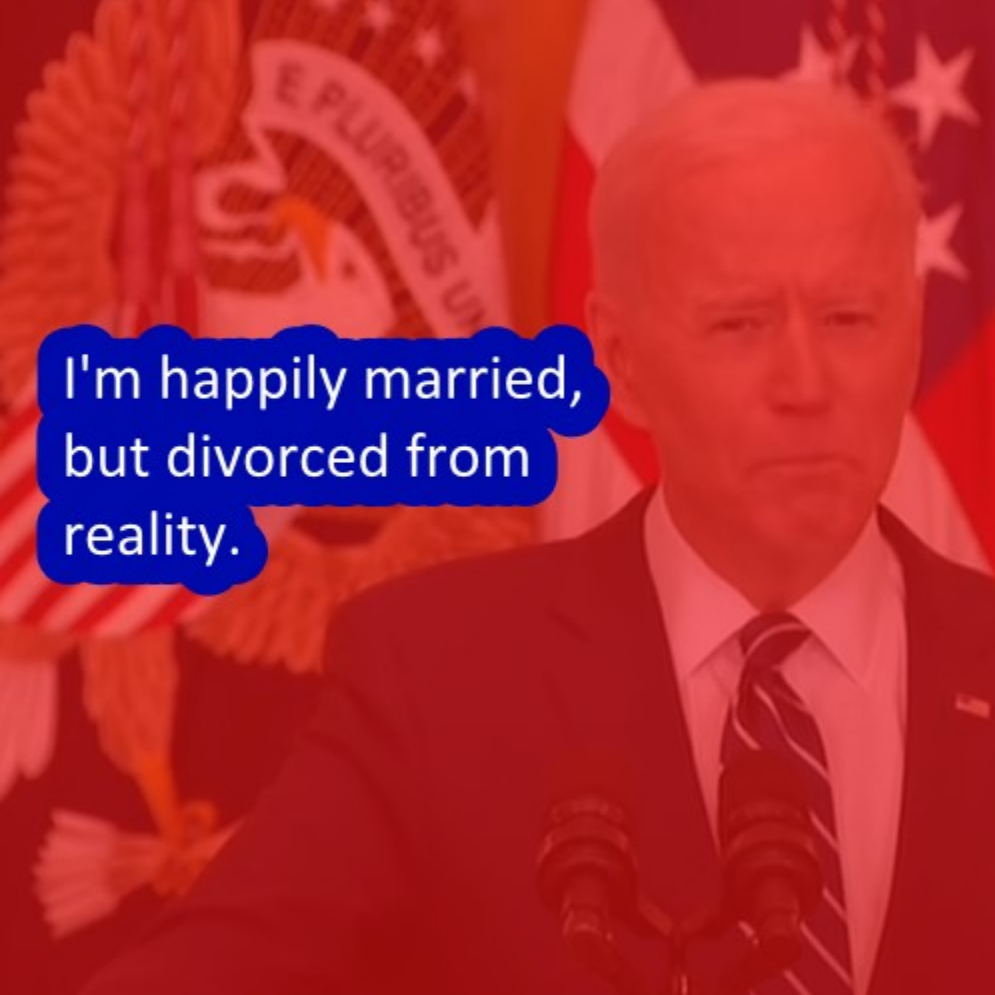

I don't know
what to say or do
about violence against
Jews in New York City.
I'm dumbfounded,
and dumb.

I heard the
Wuhan lab stories were
blocked by Facebook
because it sucks
Chinese dick.

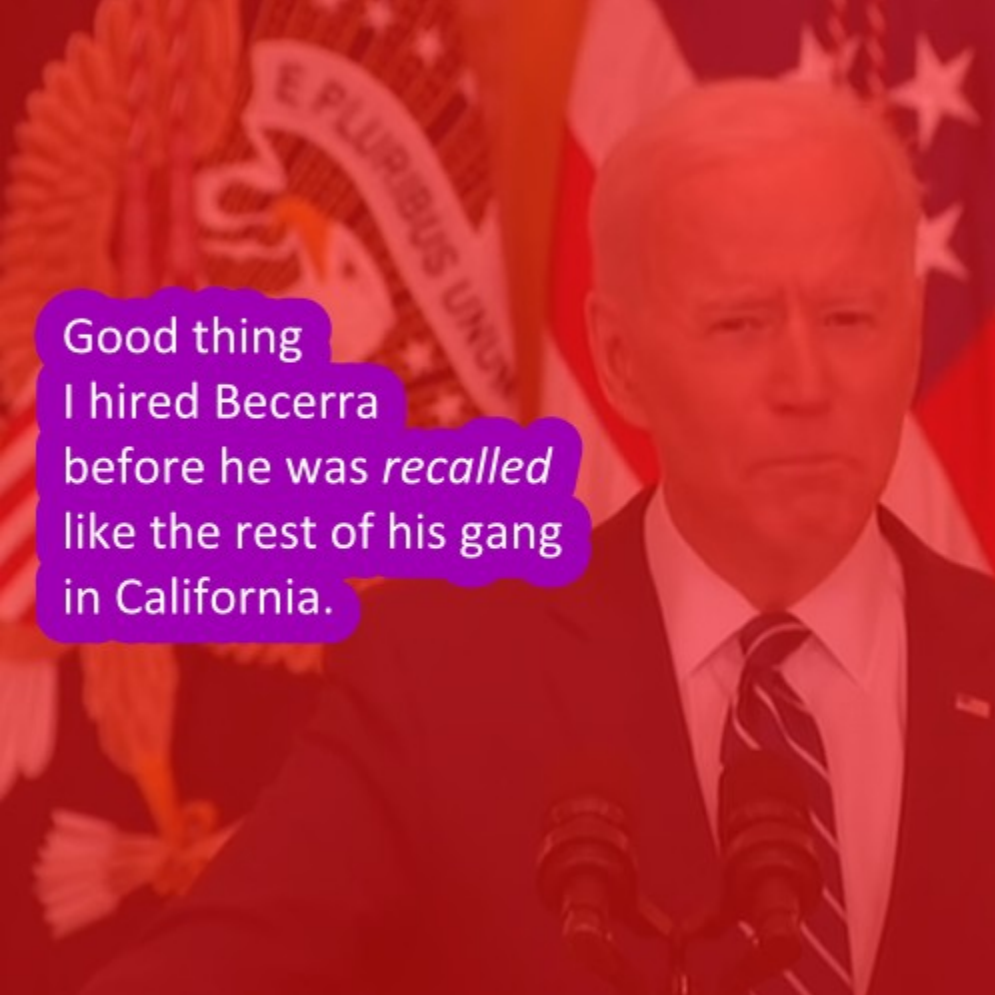

Like the NBA.

A photograph of a man with white hair, wearing a dark suit, white shirt, and a striped tie. He is standing at a podium with two microphones in front of him. The background features the Great Seal of the United States and an American flag. The entire image is covered with a semi-transparent red filter. Overlaid on the left side of the image is a blue, cloud-like text bubble containing white text.

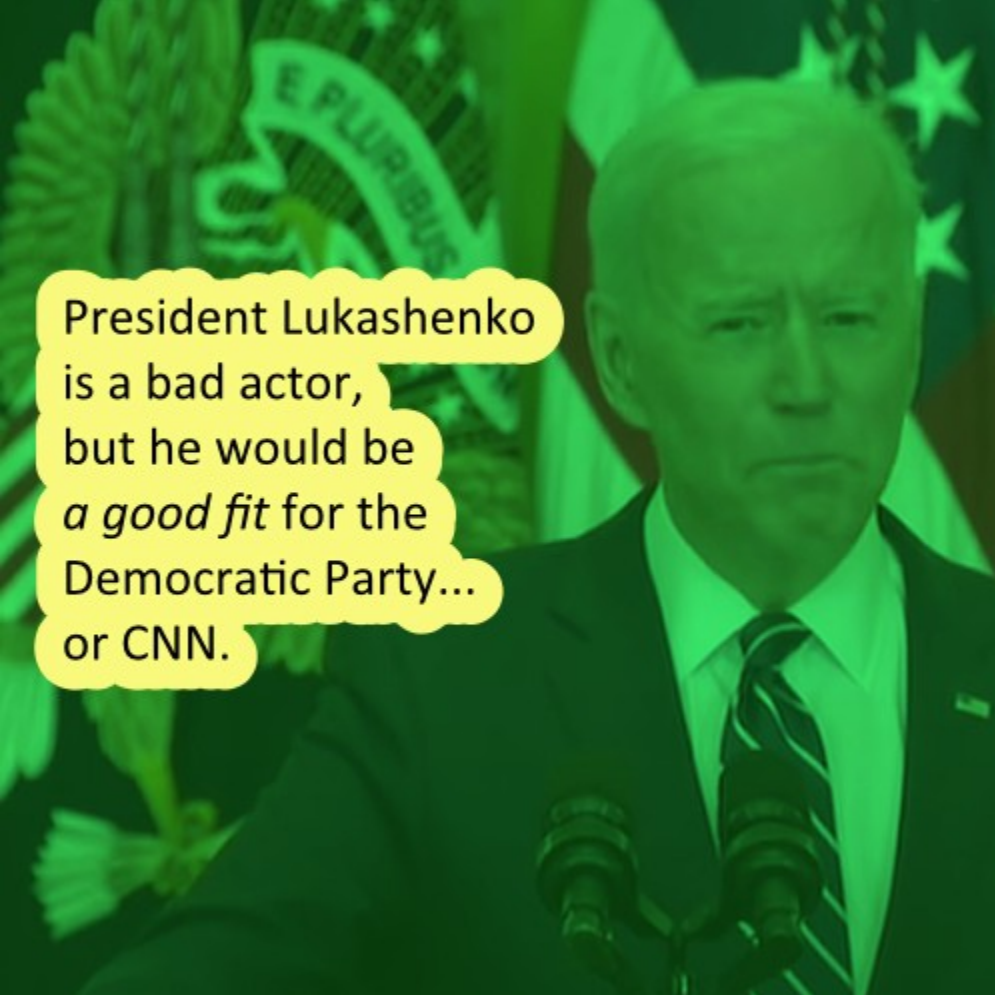

I'm happily married,
but divorced from
reality.

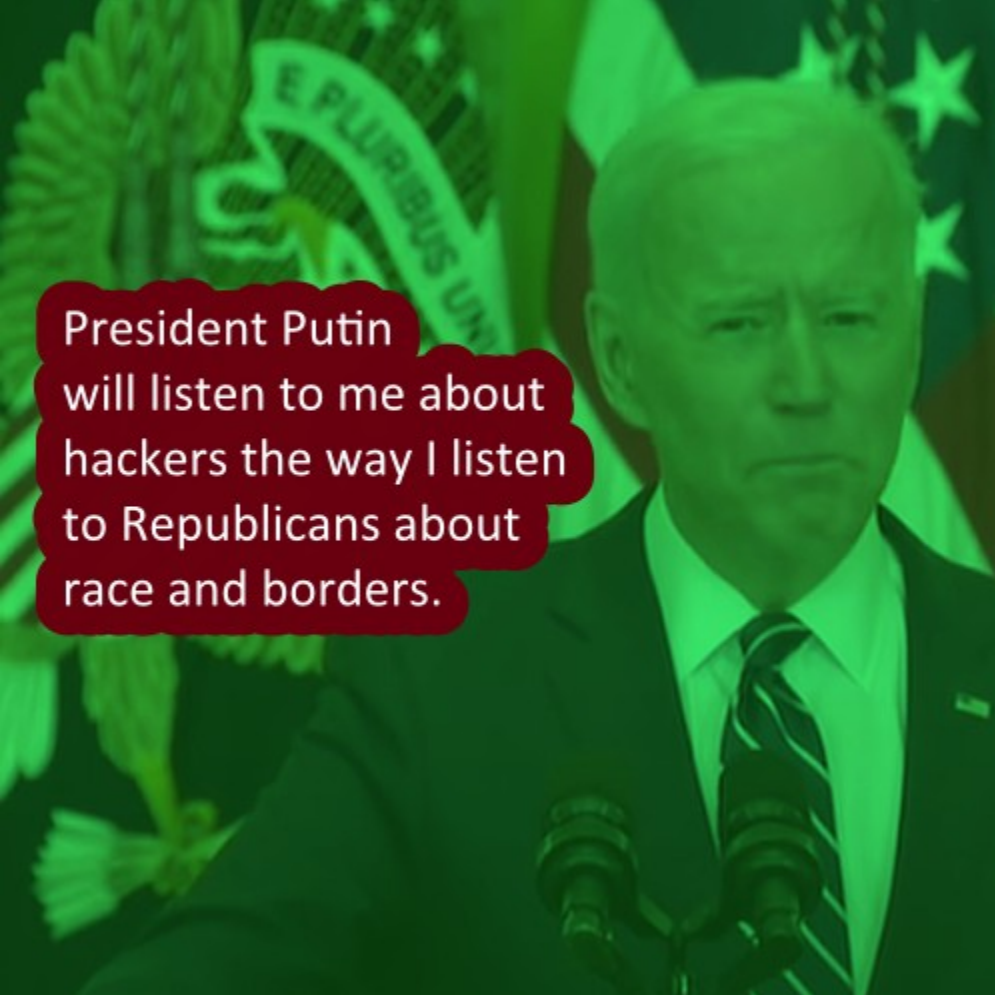

I still wear a
face mask
because I'm worried
about giving COVID
to myself.

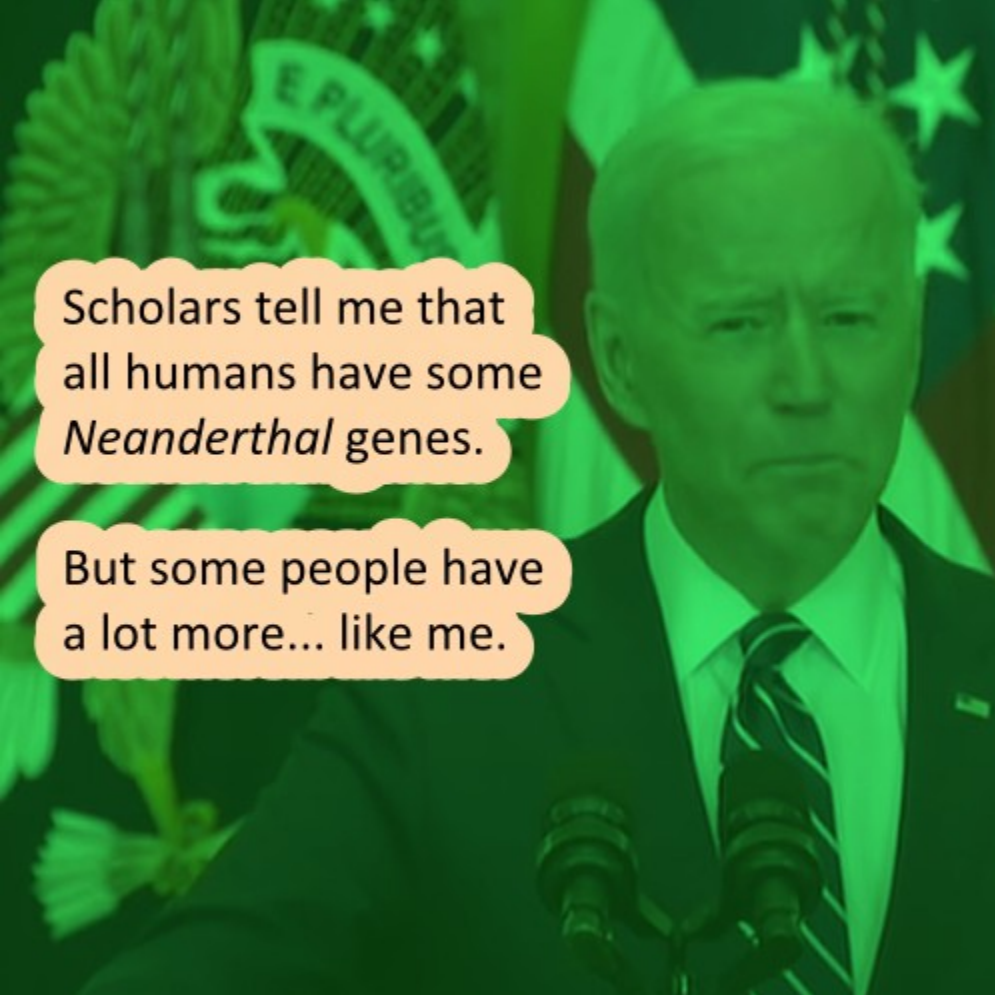

Good thing
I hired Becerra
before he was *recalled*
like the rest of his gang
in California.

President Lukashenko
is a bad actor,
but he would be
a good fit for the
Democratic Party...
or CNN.

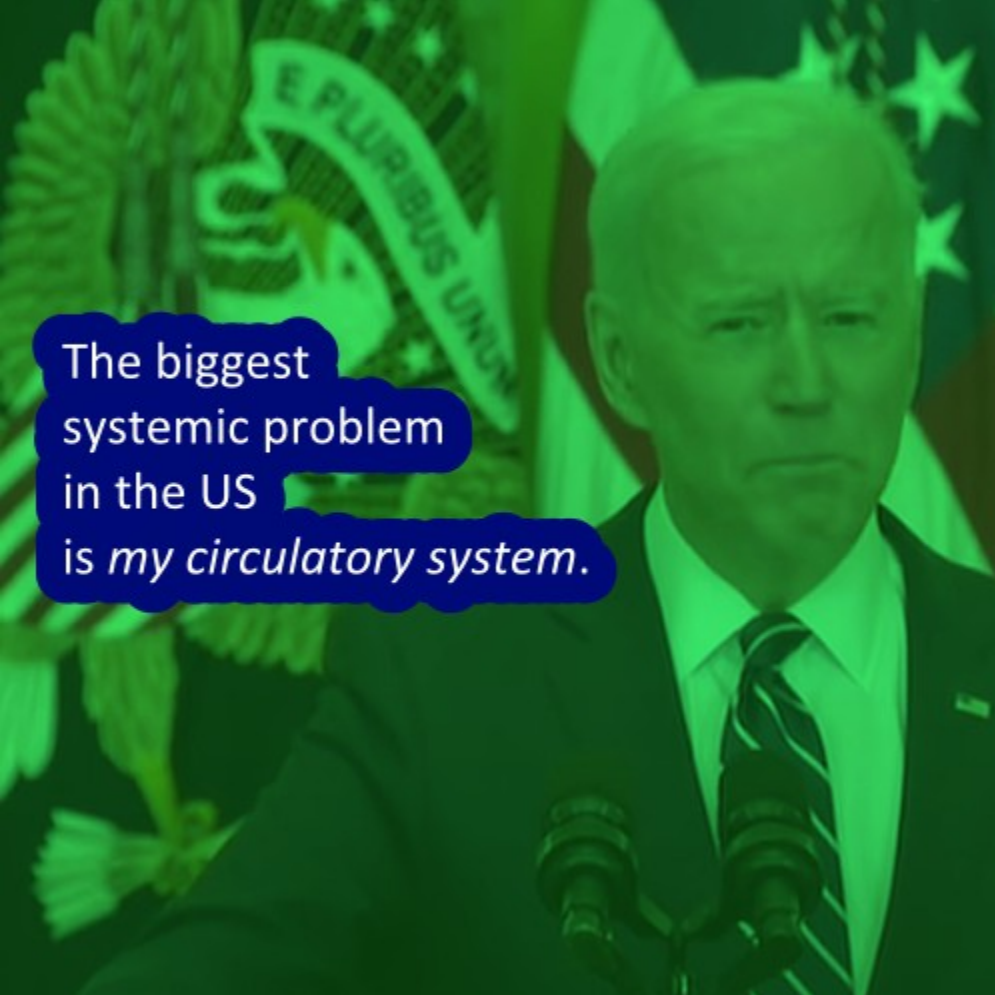

President Putin
will listen to me about
hackers the way I listen
to Republicans about
race and borders.

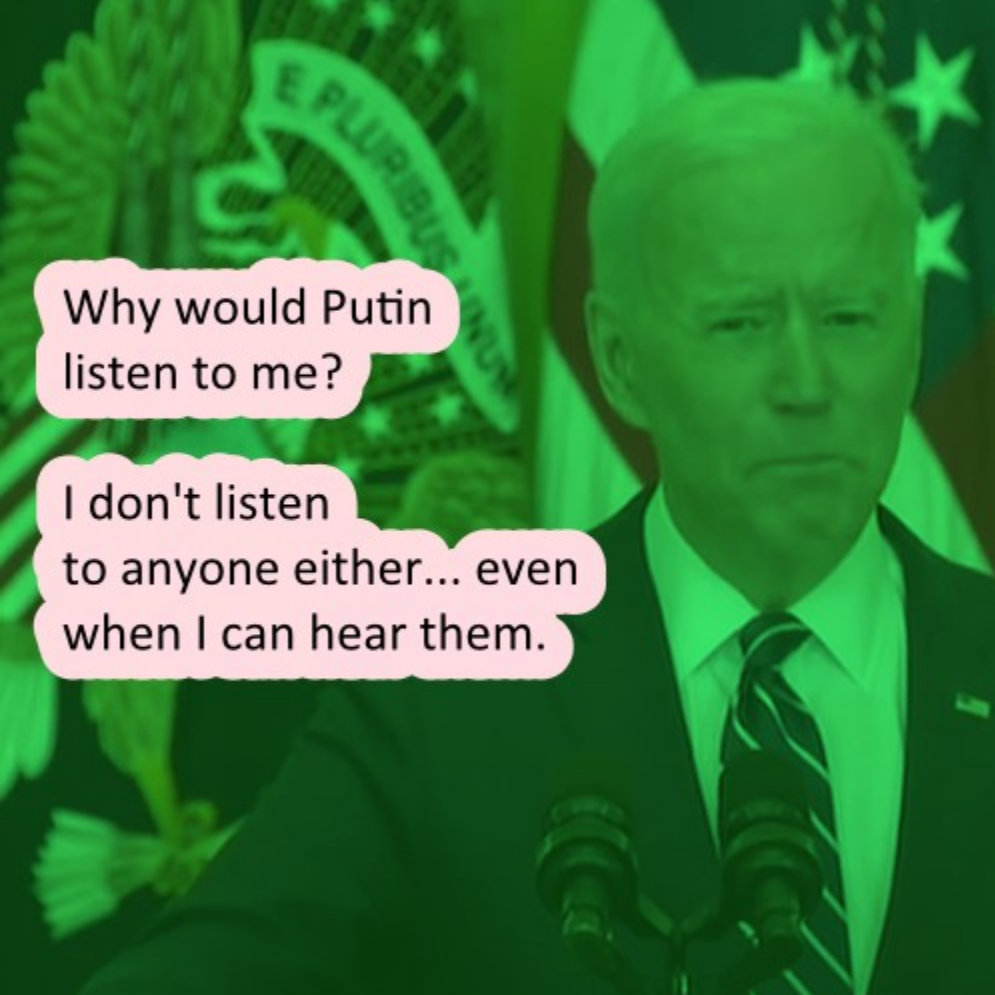

A photograph of Donald Trump speaking at a podium, overlaid with a semi-transparent green filter. Two orange speech bubbles with black text are positioned on the left side of the image. The background shows the Presidential Seal and the American flag.

Scholars tell me that
all humans have some
Neanderthal genes.

But some people have
a lot more... like me.

A photograph of Joe Biden speaking at a podium with microphones. The image is covered with a semi-transparent green filter. In the background, the Presidential Seal and the American flag are visible. A blue speech bubble with white text is overlaid on the left side of the image.

The biggest
systemic problem
in the US
is *my circulatory system.*

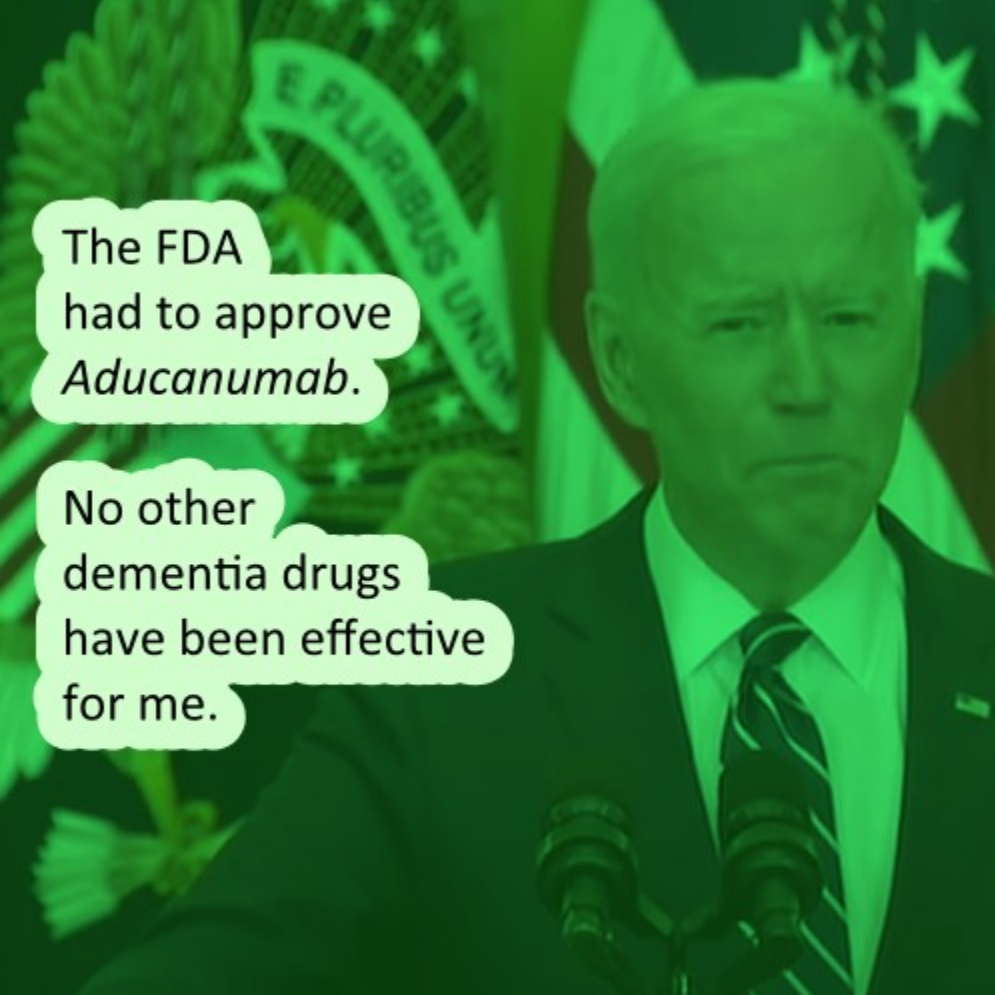

A photograph of Donald Trump speaking at a podium, overlaid with a semi-transparent green filter. He is wearing a dark suit, a white shirt, and a striped tie. Behind him are the American flag and the Presidential Seal. Two pink speech bubbles with black text are positioned on the left side of the image.

Why would Putin
listen to me?

I don't listen
to anyone either... even
when I can hear them.

I creamed my pants
when Georgia voted for
Democratic senators...
and it's been that way
ever since.

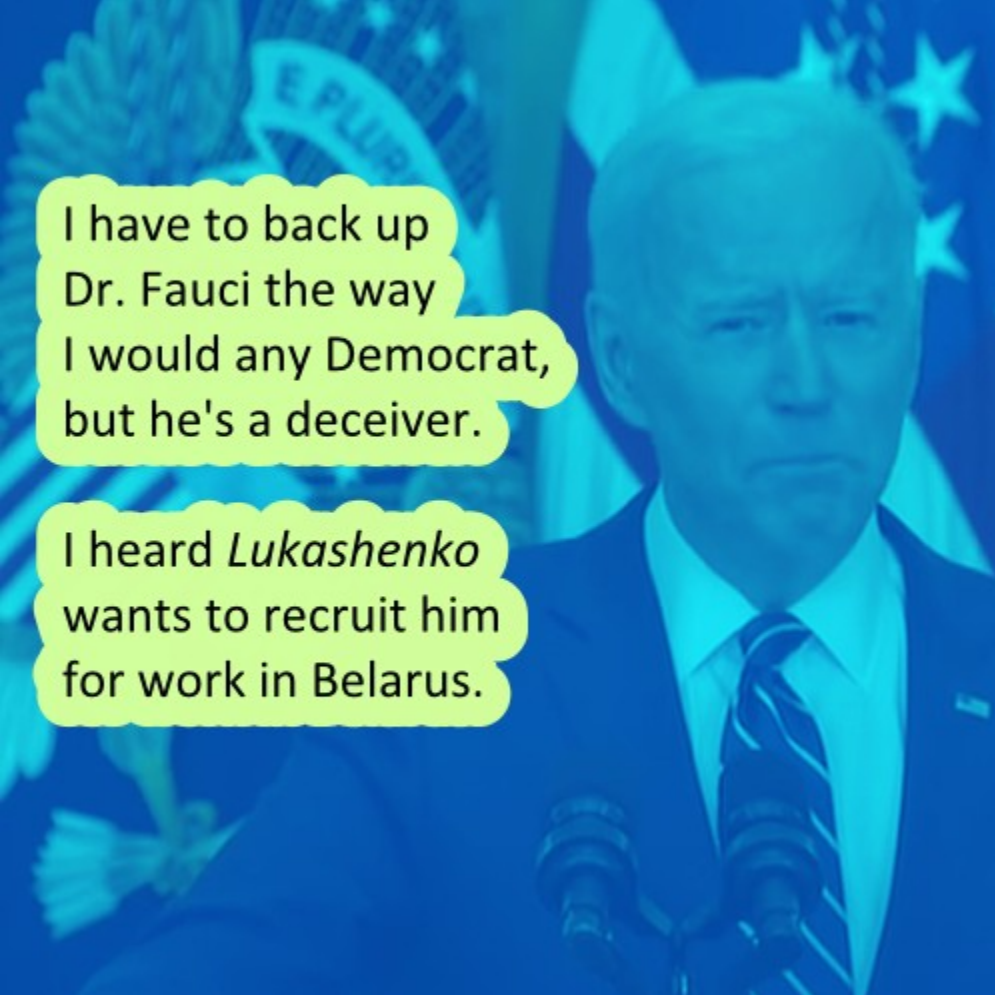

A photograph of Donald Trump speaking at a podium with microphones. The image is semi-transparent with a light blue overlay. Two white speech bubbles with black text are positioned on the left side of the image. The background shows the Presidential Seal and an American flag.

The FDA
had to approve
Aducanumab.

No other
dementia drugs
have been effective
for me.

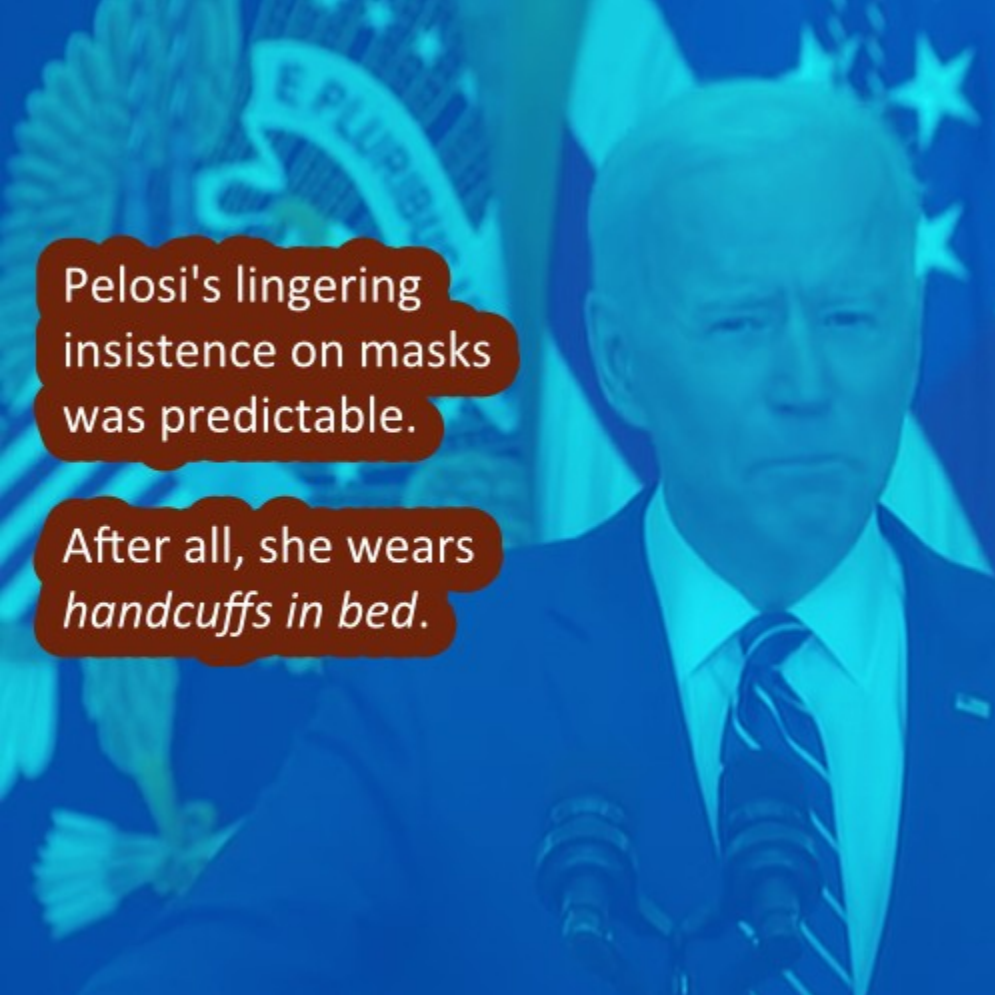

Meeting heads of state
means good soft food
for lunch, but I'd
really like to meet
some *climate kids*
and trade marbles.

I have to back up
Dr. Fauci the way
I would any Democrat,
but he's a deceiver.

I heard *Lukashenko*
wants to recruit him
for work in Belarus.

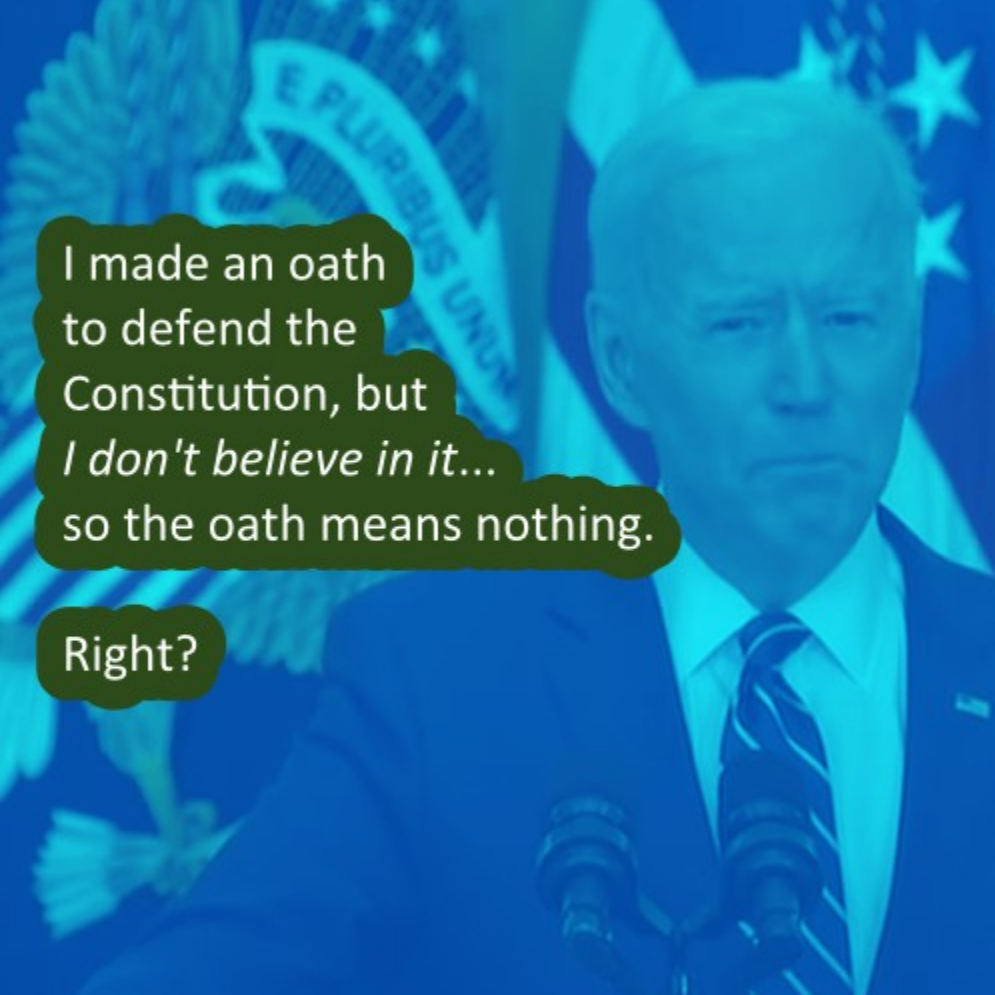

Pelosi's lingering
insistence on masks
was predictable.

After all, she wears
handcuffs in bed.

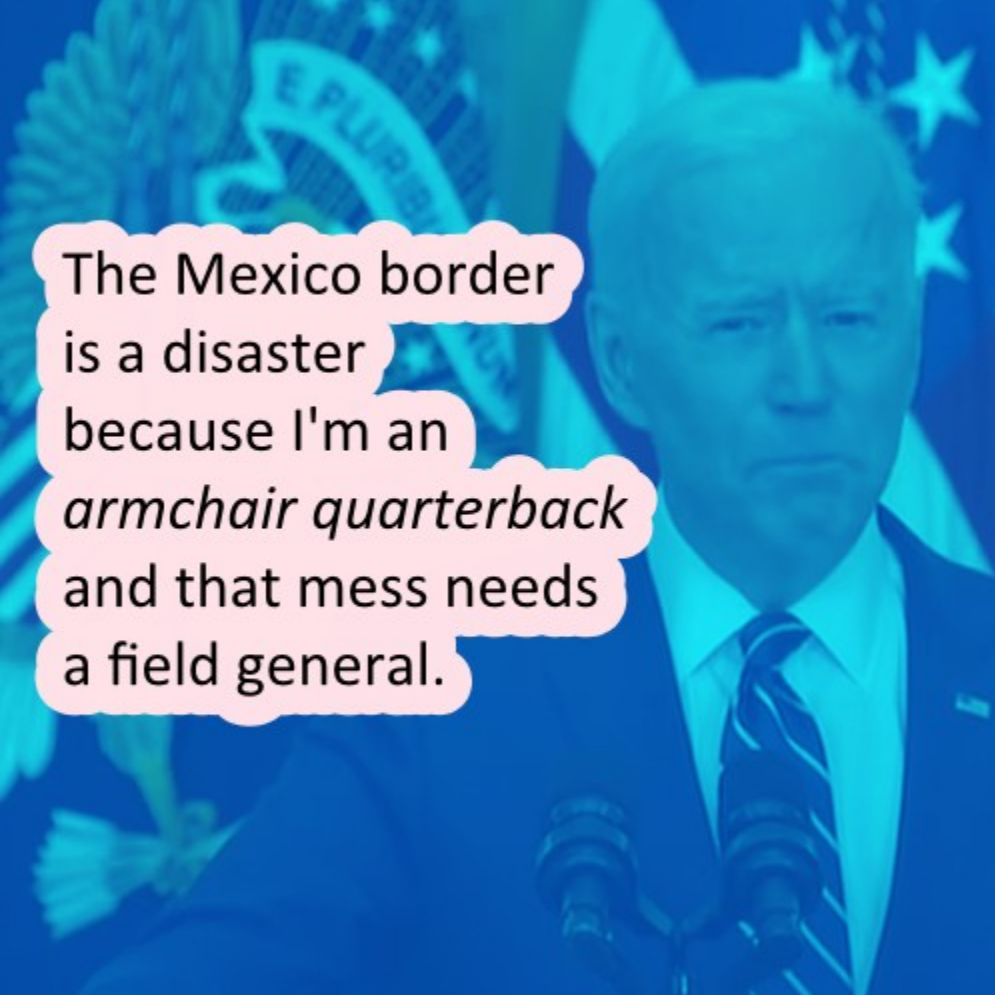

What did I learn from
President Obama?

How to *poison*
and *misappropriate*
national security and
law enforcement,
for sure.

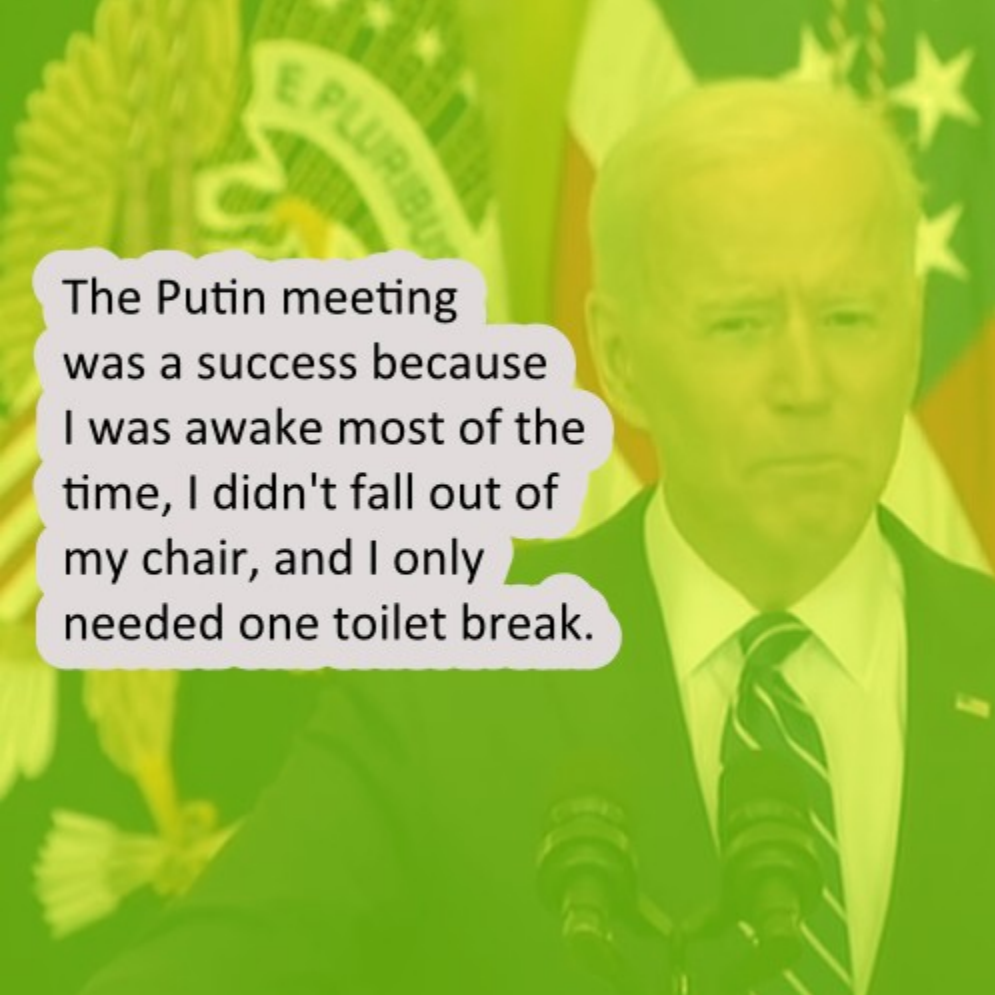

I made an oath
to defend the
Constitution, but
I don't believe in it...
so the oath means nothing.

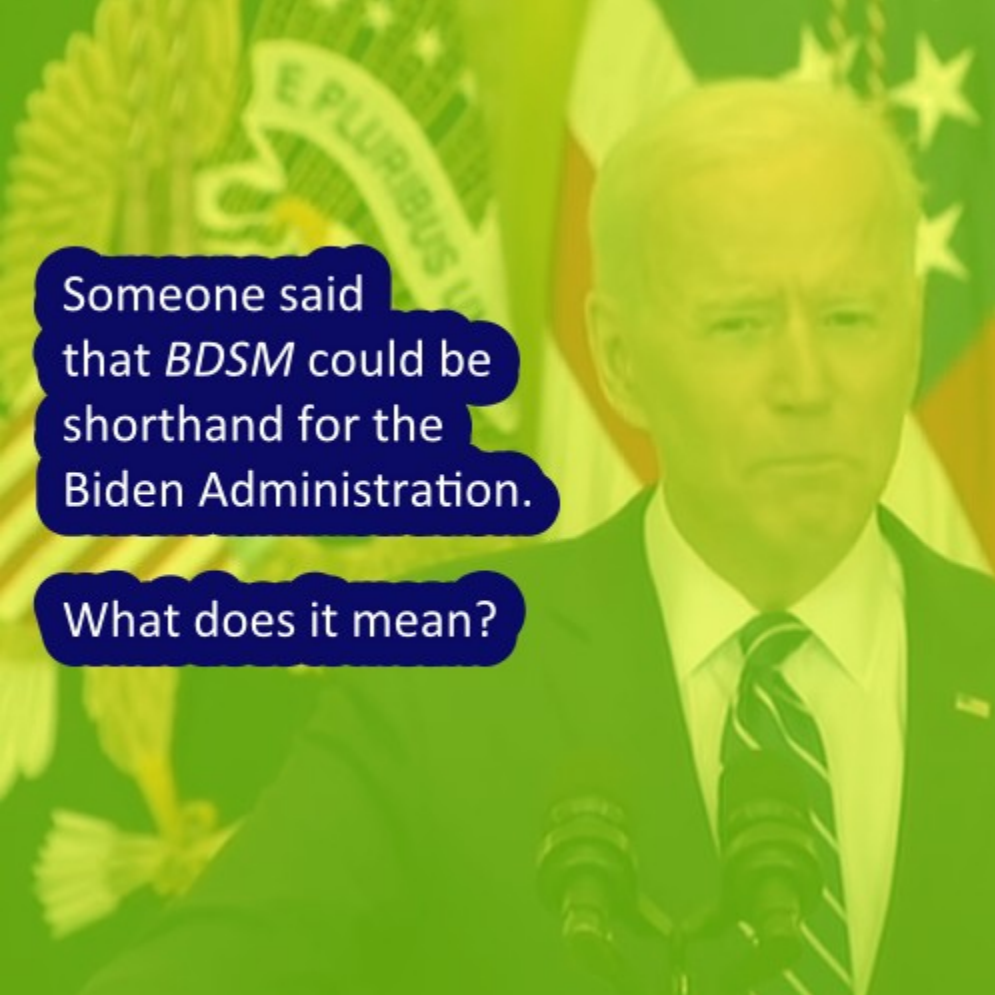

Right?

The Mexico border
is a disaster
because I'm an
armchair quarterback
and that mess needs
a field general.

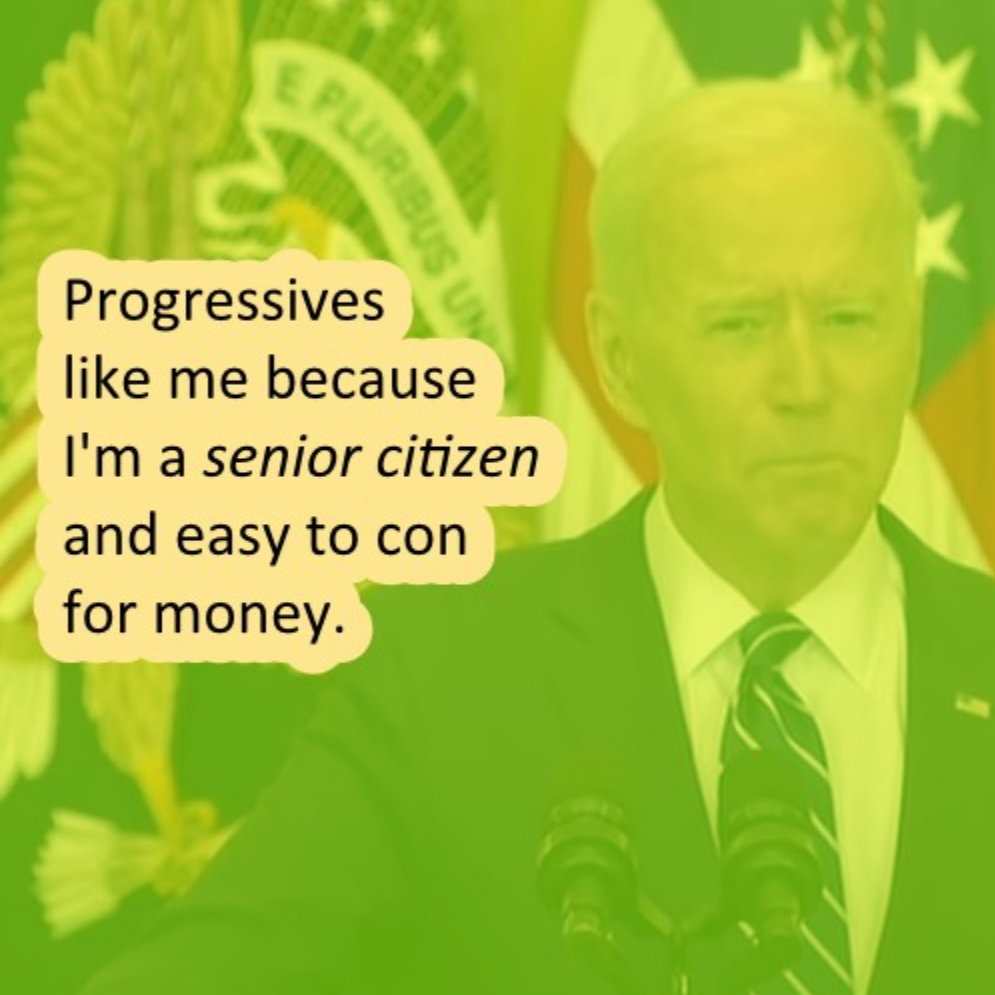

The Putin meeting
was a success because
I was awake most of the
time, I didn't fall out of
my chair, and I only
needed one toilet break.

A photograph of Joe Biden speaking at a podium, with a semi-transparent green overlay covering the entire image. The background shows the Presidential Seal and the American flag.

Someone said
that *BDSM* could be
shorthand for the
Biden Administration.

What does it mean?

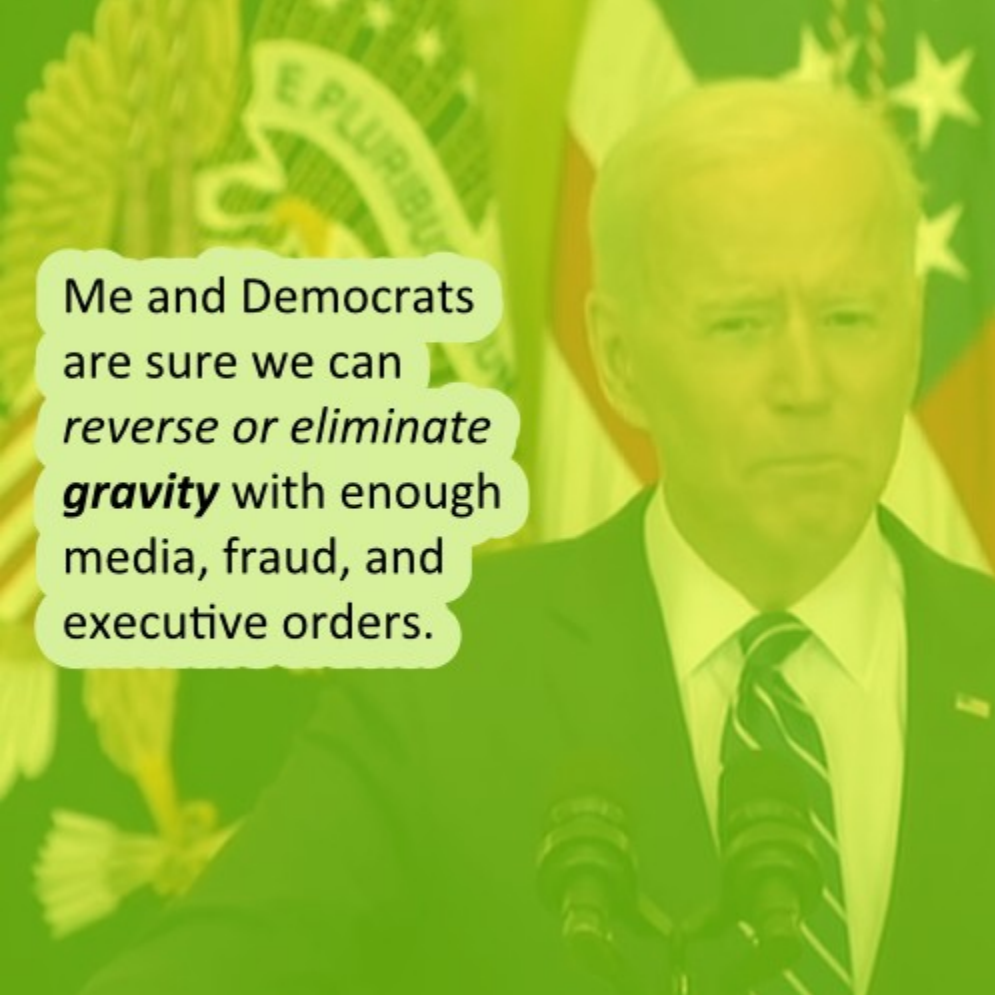

Progressives
like me because
I'm a *senior citizen*
and easy to con
for money.

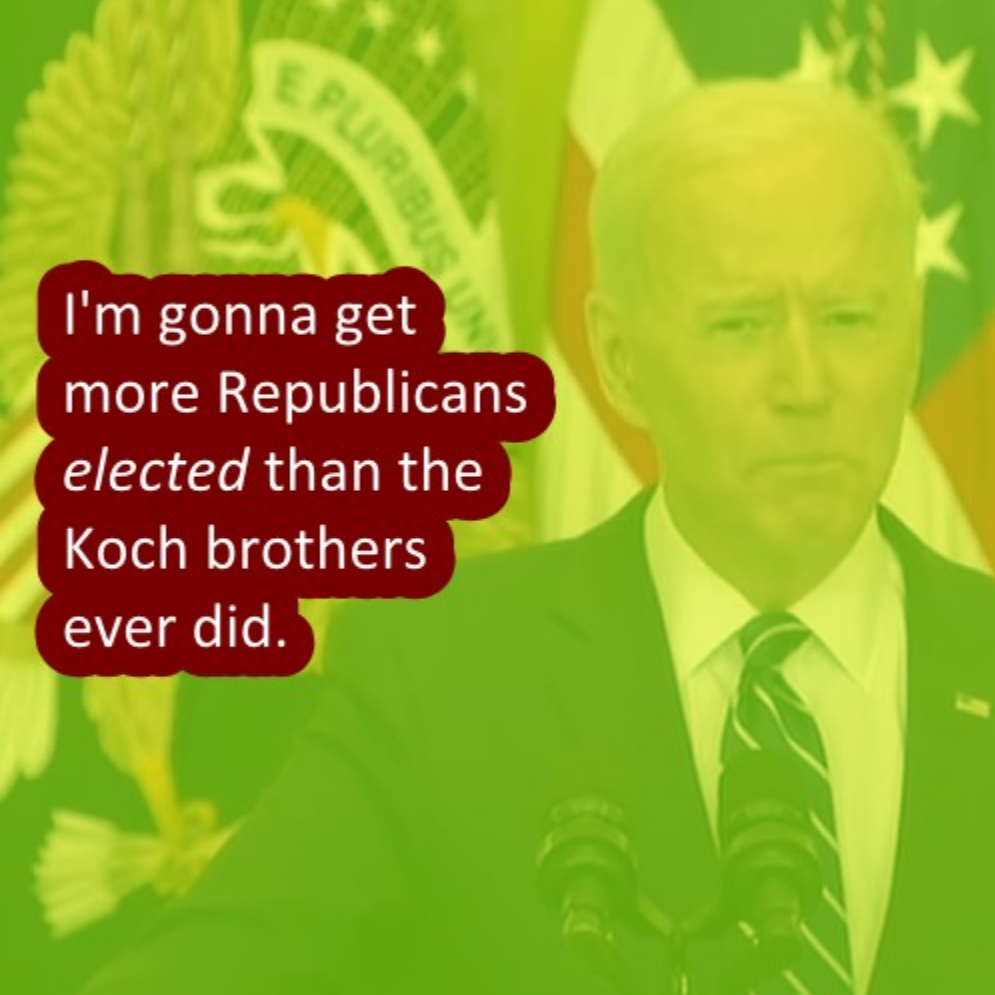

I was a
Manchurian Candidate.

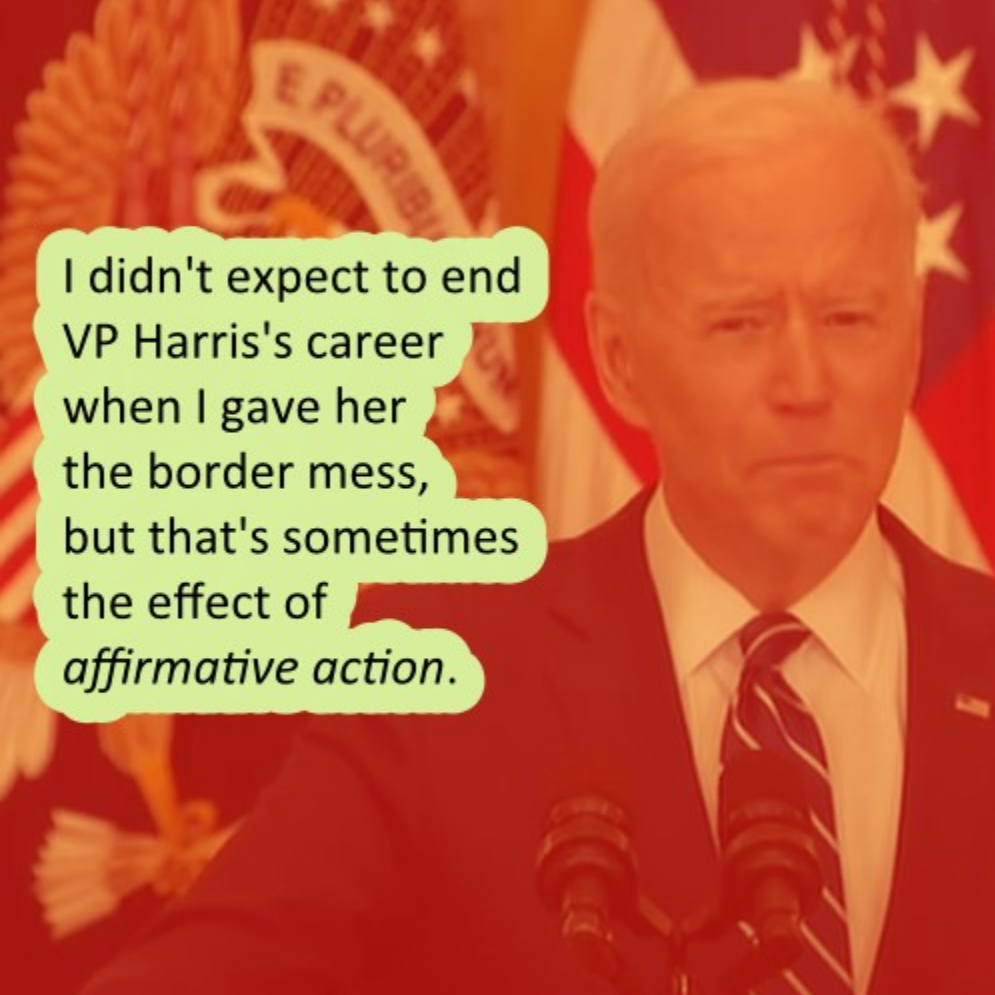

Stop asking me
difficult questions.

Me and Democrats
are sure we can
reverse or eliminate
gravity with enough
media, fraud, and
executive orders.

I'm gonna get
more Republicans
elected than the
Koch brothers
ever did.

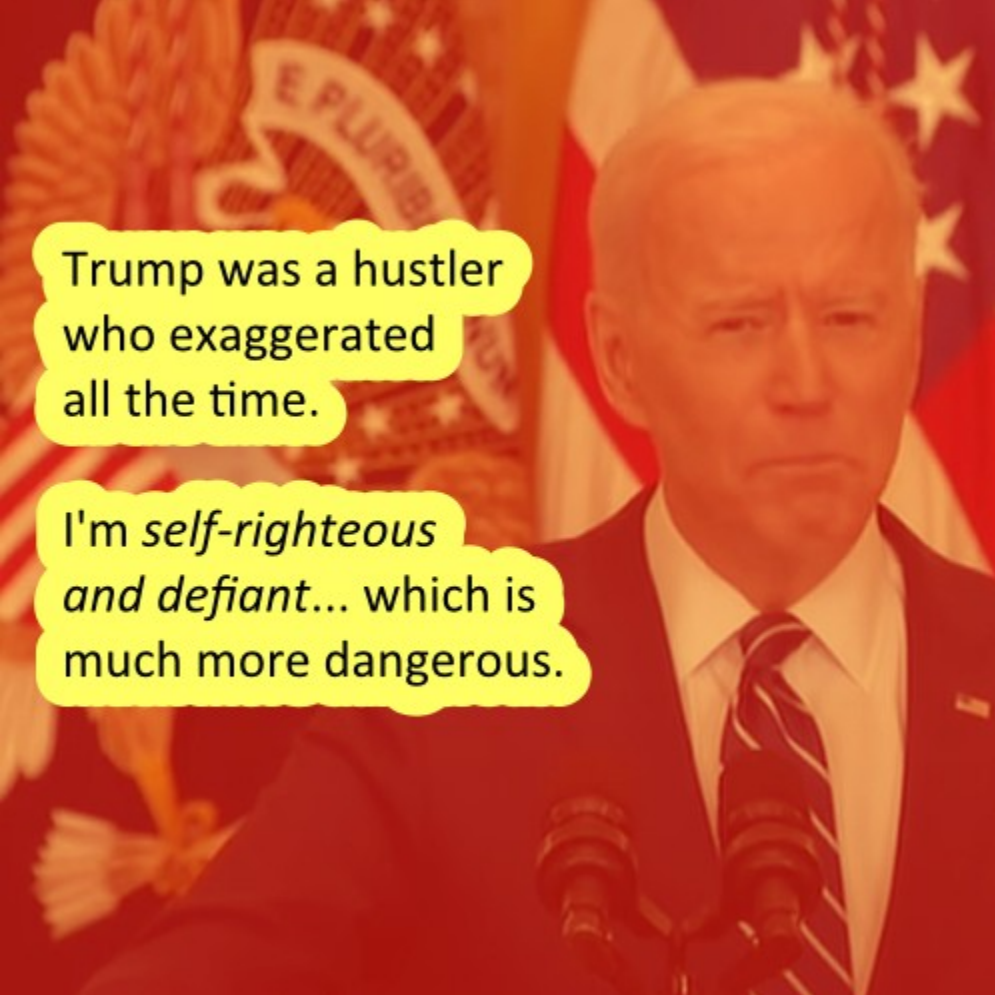

A photograph of Mike Pence, Vice President of the United States, speaking at a podium. He is wearing a dark suit, a white shirt, and a striped tie. Behind him are the American flag and the Seal of the Executive Office of the President. The entire image is overlaid with a semi-transparent red filter. A yellow speech bubble with a black border is positioned on the left side of the image, containing the text: "I didn't expect to end VP Harris's career when I gave her the border mess, but that's sometimes the effect of *affirmative action*." The text is in a black, sans-serif font, with the last phrase in italics.

I didn't expect to end
VP Harris's career
when I gave her
the border mess,
but that's sometimes
the effect of
affirmative action.

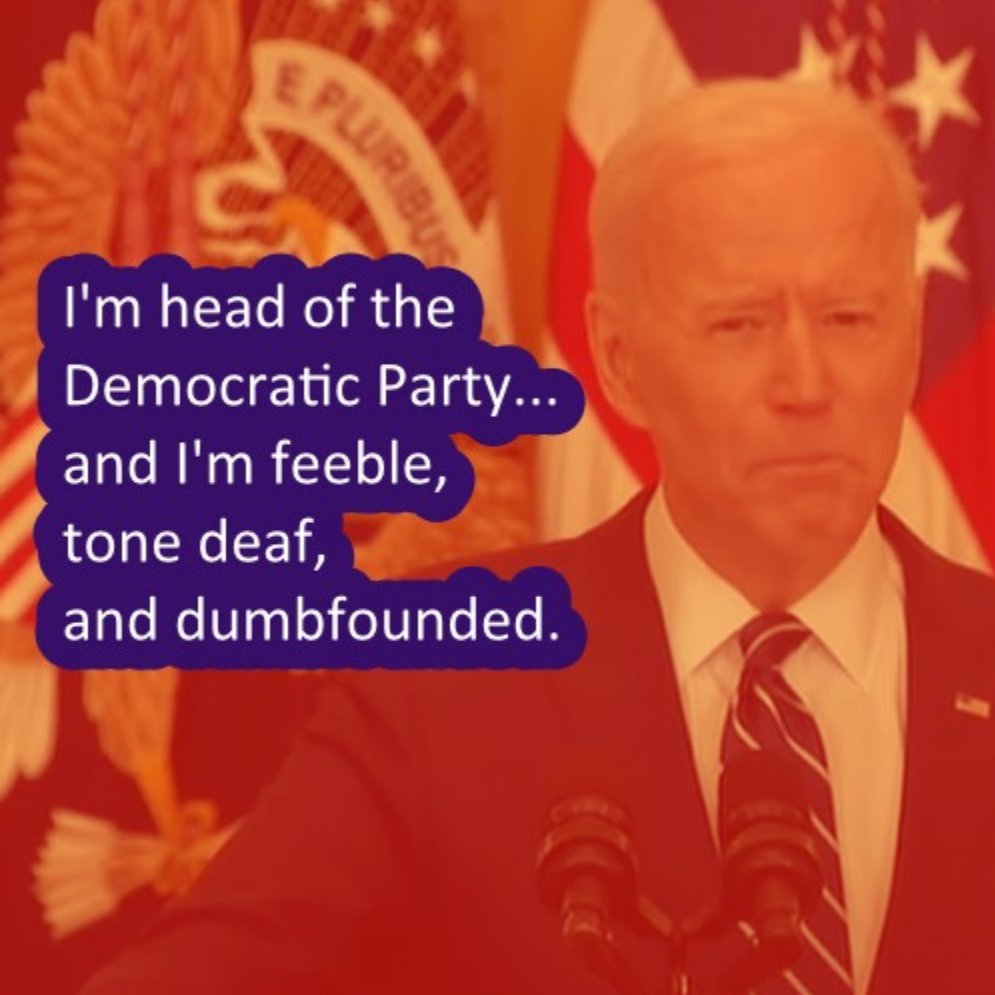

I only care about
Special Interests.

The rest of you
can go to Hell.

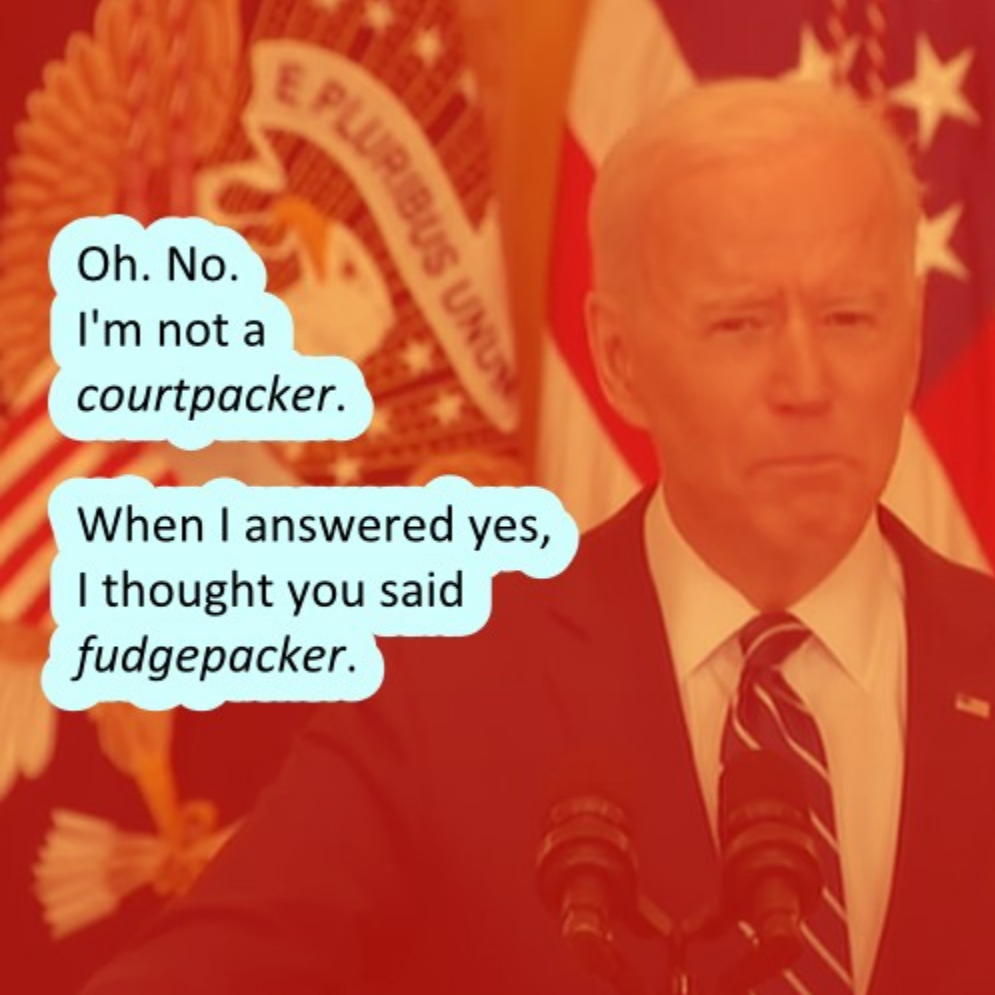

Trump was a hustler
who exaggerated
all the time.

I'm *self-righteous*
and defiant... which is
much more dangerous.

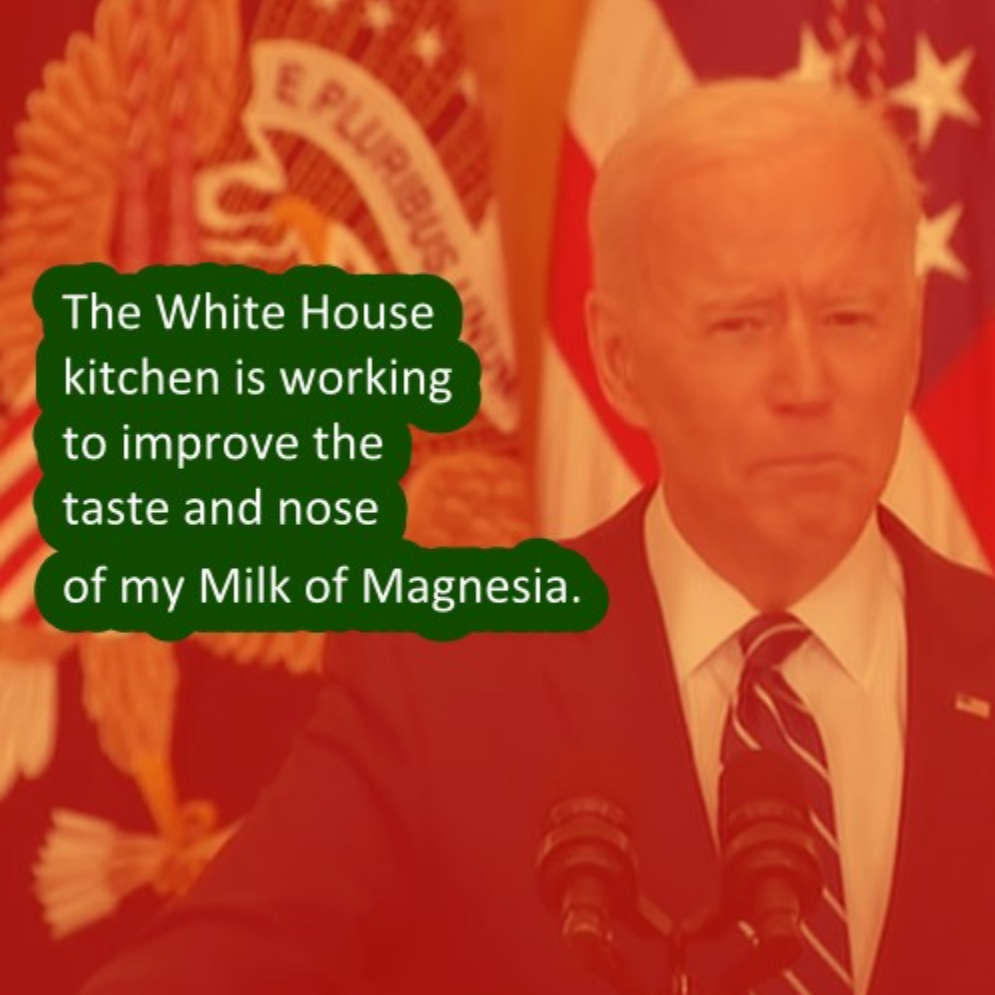

A photograph of Joe Biden speaking at a podium with microphones. The image is heavily overlaid with a red color. A blue, cloud-like text bubble is positioned on the left side of the image, containing white text. The background shows the Presidential Seal and an American flag.

I'm head of the
Democratic Party...
and I'm feeble,
tone deaf,
and dumbfounded.

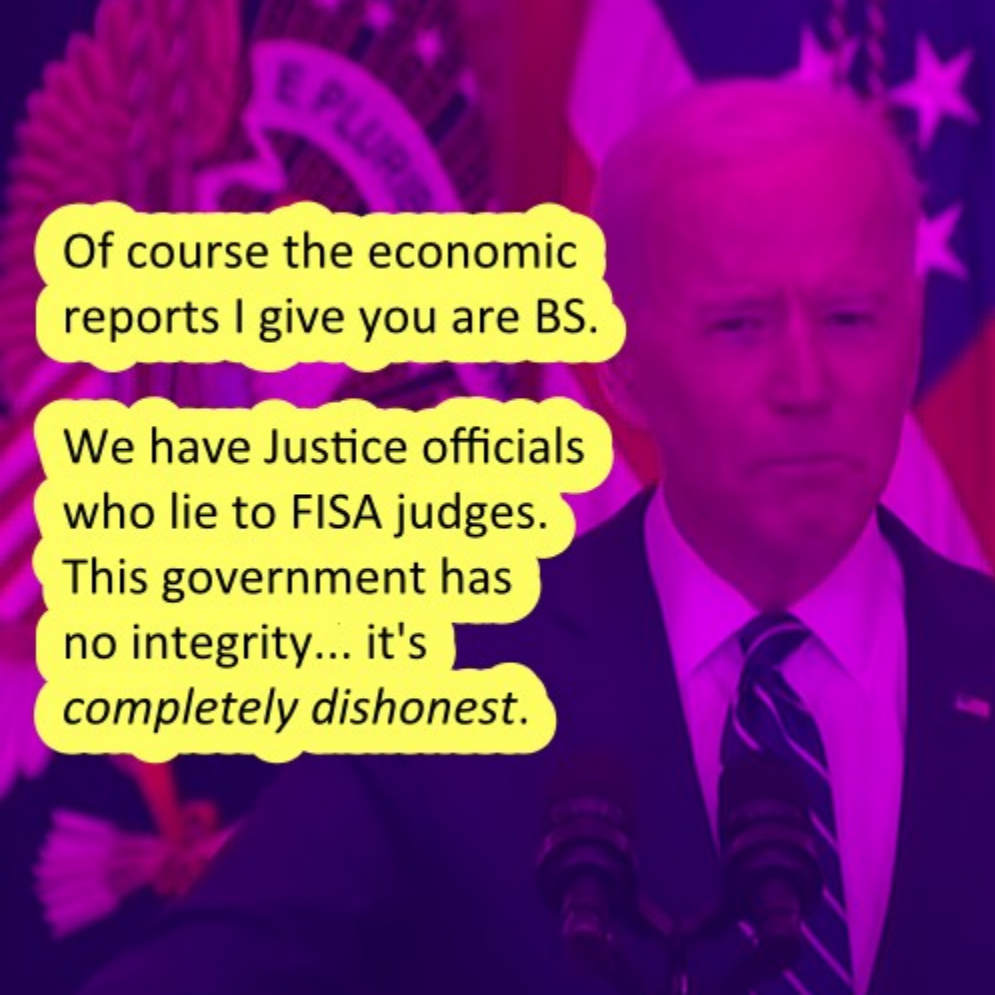

A photograph of Mike Pence, Vice President of the United States, speaking at a podium. The image has a strong red color cast. In the background, the Presidential Seal and the American flag are visible. Two white speech bubbles with black text are overlaid on the left side of the image.

Oh. No.
I'm not a
courtpacker.

When I answered yes,
I thought you said
fudgepacker.

The White House
kitchen is working
to improve the
taste and nose
of my Milk of Magnesia.

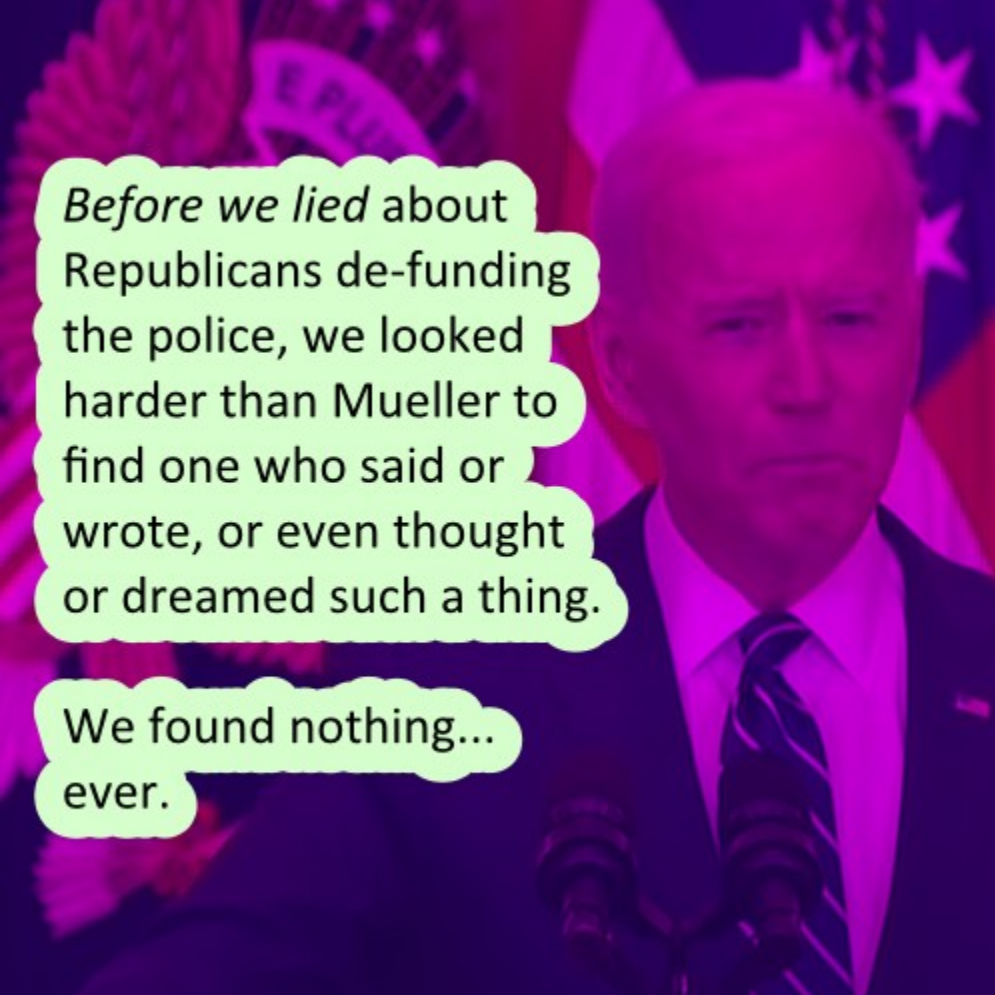

Of course the economic reports I give you are BS.

We have Justice officials who lie to FISA judges. This government has no integrity... it's *completely dishonest.*

In the White House
family rooms I wear
hijabs that Michelle
Obama left behind.

That's *cross dressing*,
right?

A photograph of Donald Trump speaking at a podium. He is wearing a dark suit, a white shirt, and a striped tie. Behind him is an American flag. The image has a blue tint.

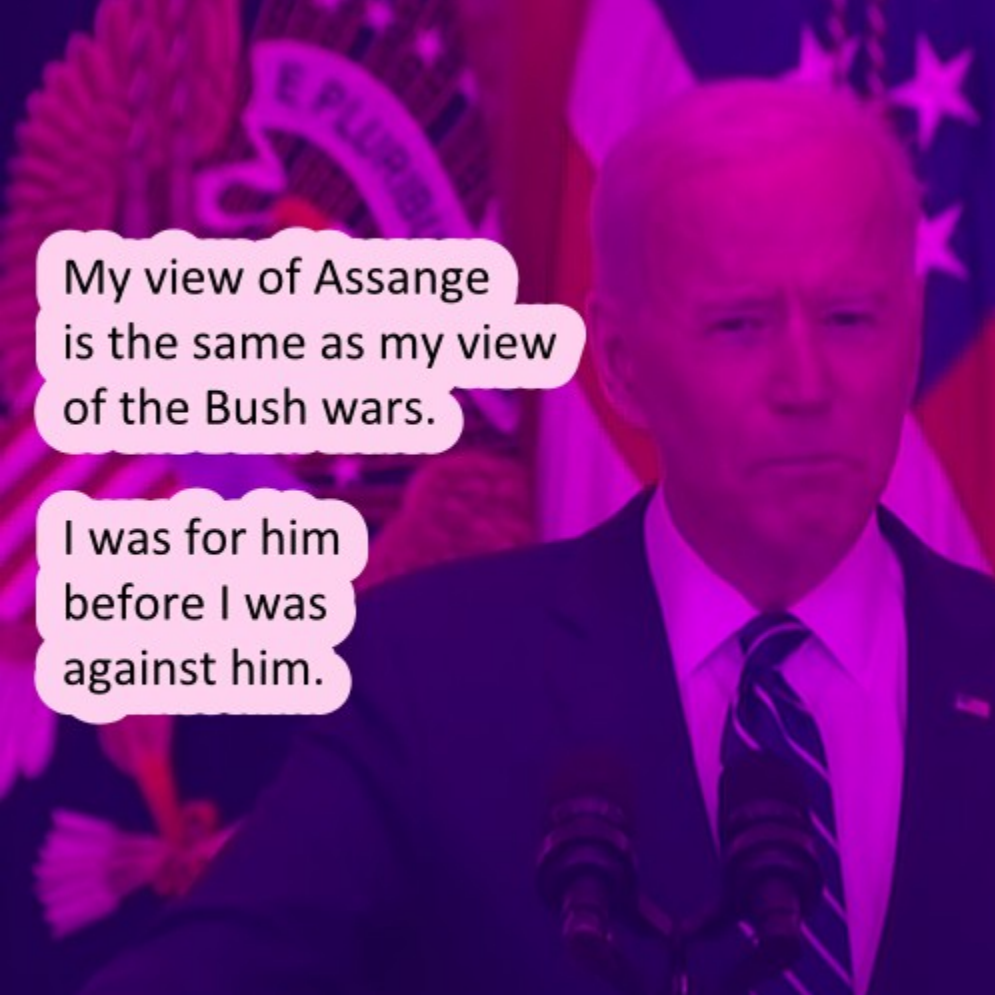

Before we lied about
Republicans de-funding
the police, we looked
harder than Mueller to
find one who said or
wrote, or even thought
or dreamed such a thing.

We found nothing...
ever.

A photograph of Mike Pence speaking at a podium, overlaid with a semi-transparent red filter. The background features the Great Seal of the United States and an American flag. Two speech bubbles are positioned on the left side of the image.

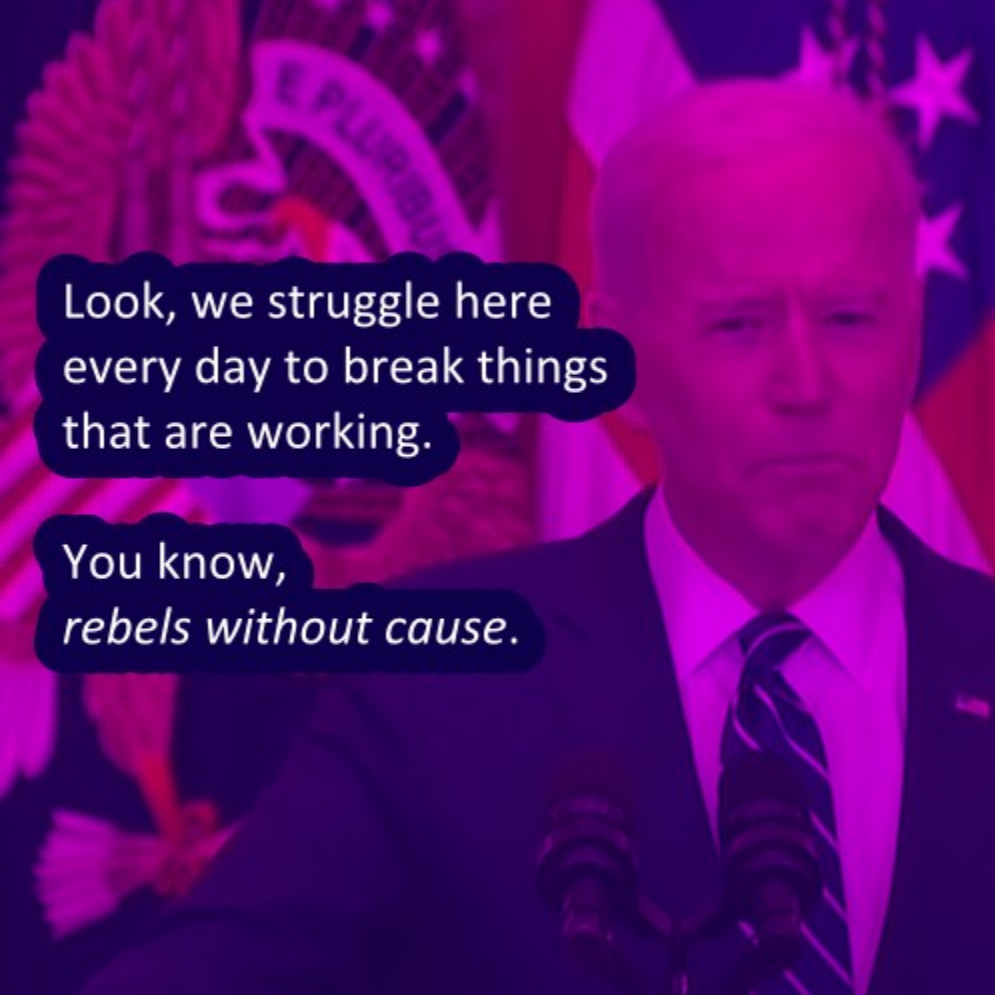

Sure my sex jokes
are seedy. Democrats
are *the party of vice*.

That's how we attract
a lot of followers.

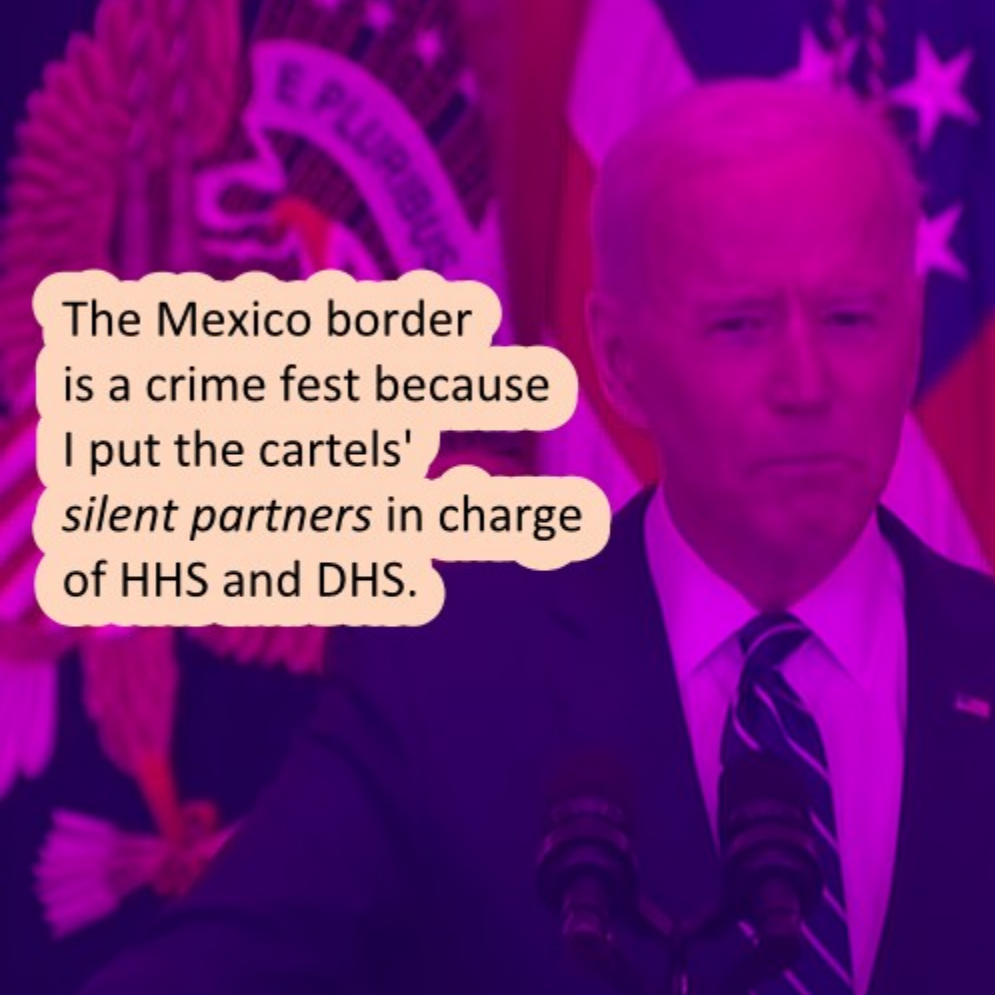

My view of Assange
is the same as my view
of the Bush wars.

I was for him
before I was
against him.

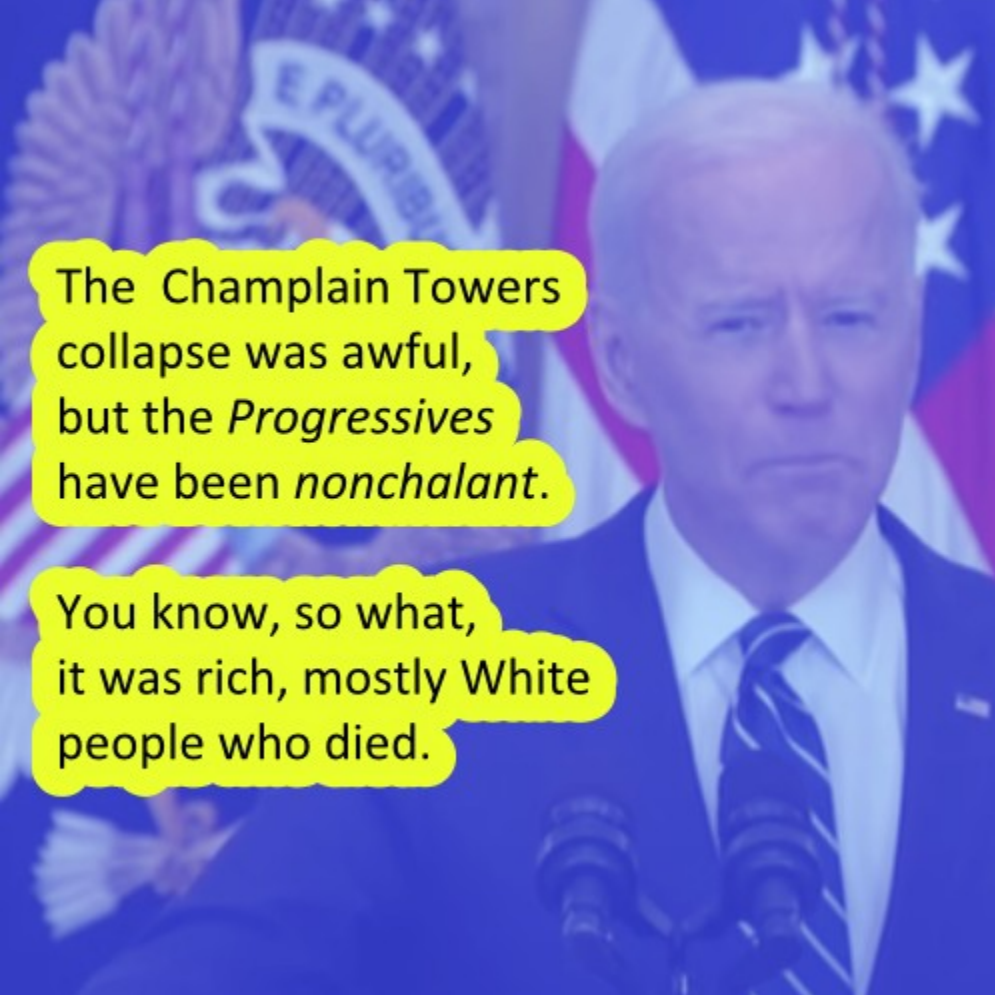

Look, we struggle here
every day to break things
that are working.

You know,
rebels without cause.

The Mexico border
is a crime fest because
I put the cartels'
silent partners in charge
of HHS and DHS.

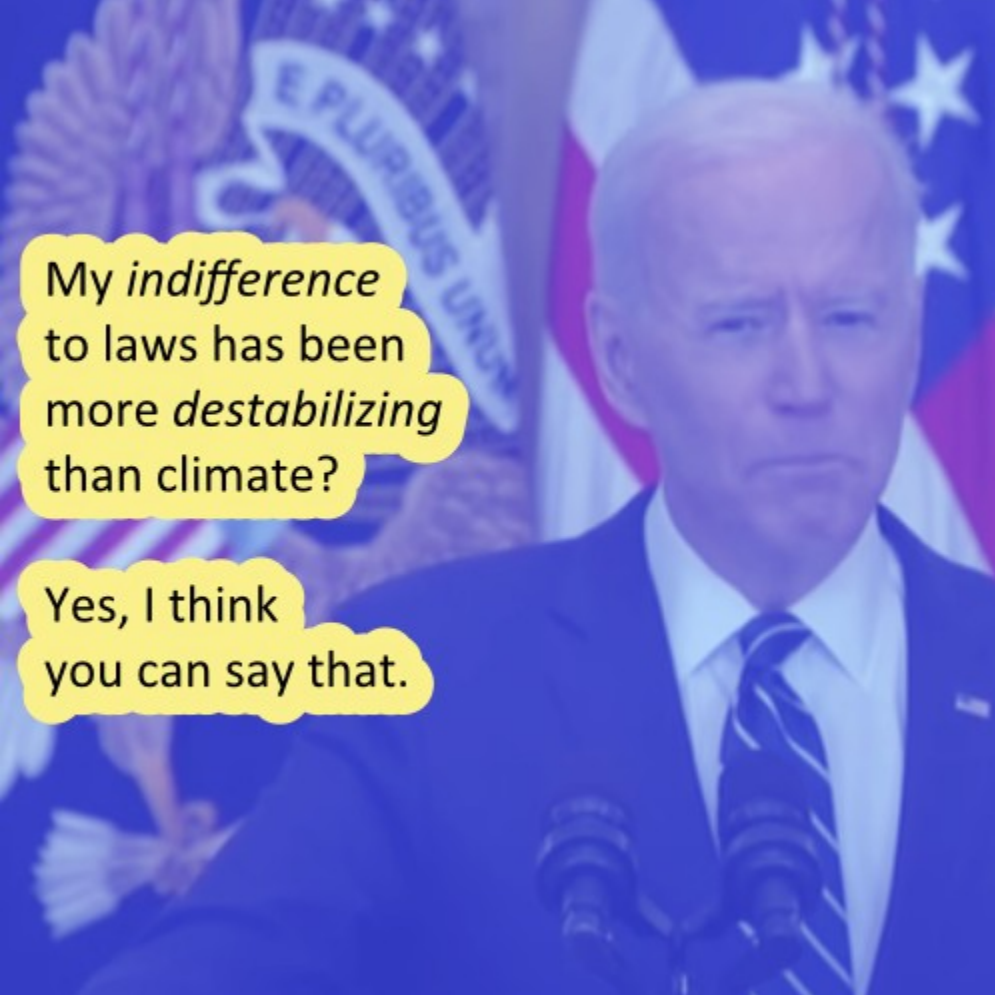

The Champlain Towers collapse was awful, but the *Progressives* have been *nonchalant*.

You know, so what, it was rich, mostly White people who died.

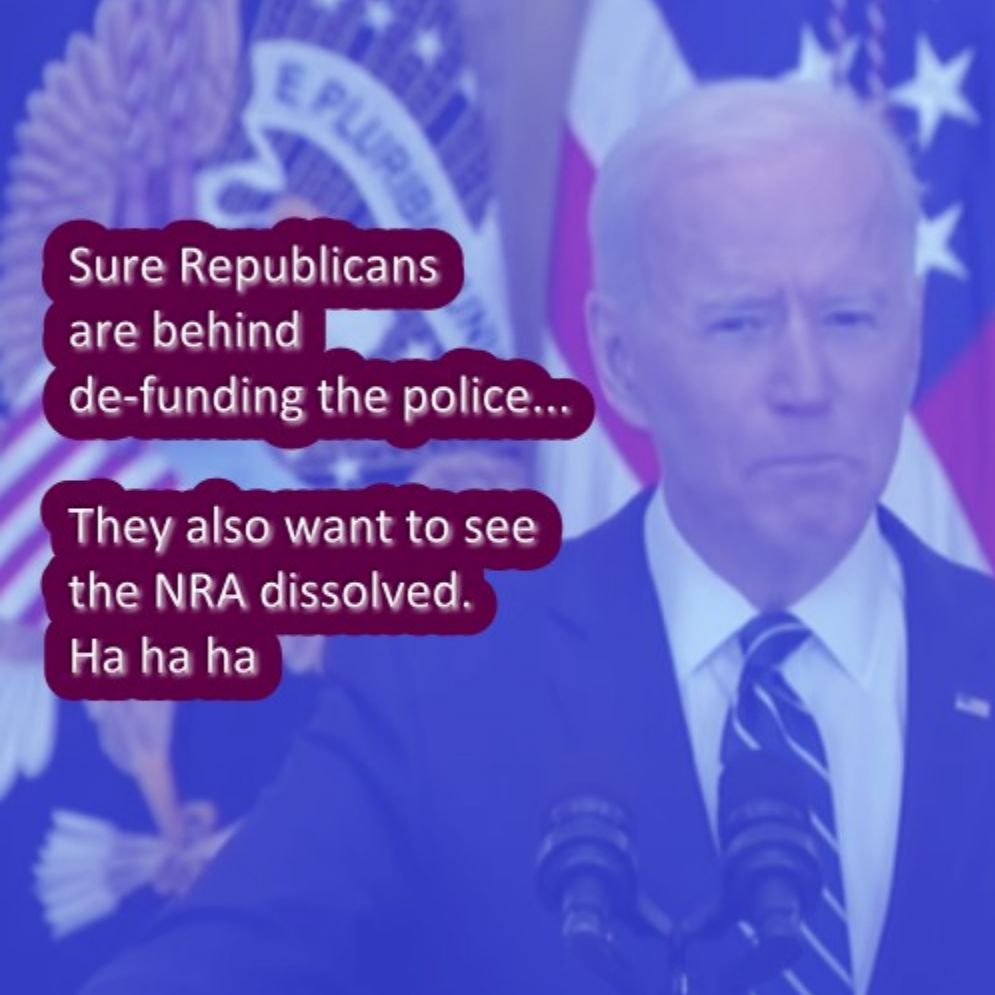

Yes, the Marxist
Democratic news and
entertainment have
become *boring*.

That's because they're
afraid to criticize their own.
Thank God for my sake.

My *indifference*
to laws has been
more *destabilizing*
than climate?

Yes, I think
you can say that.

Sure Republicans
are behind
de-funding the police...

They also want to see
the NRA dissolved.
Ha ha ha

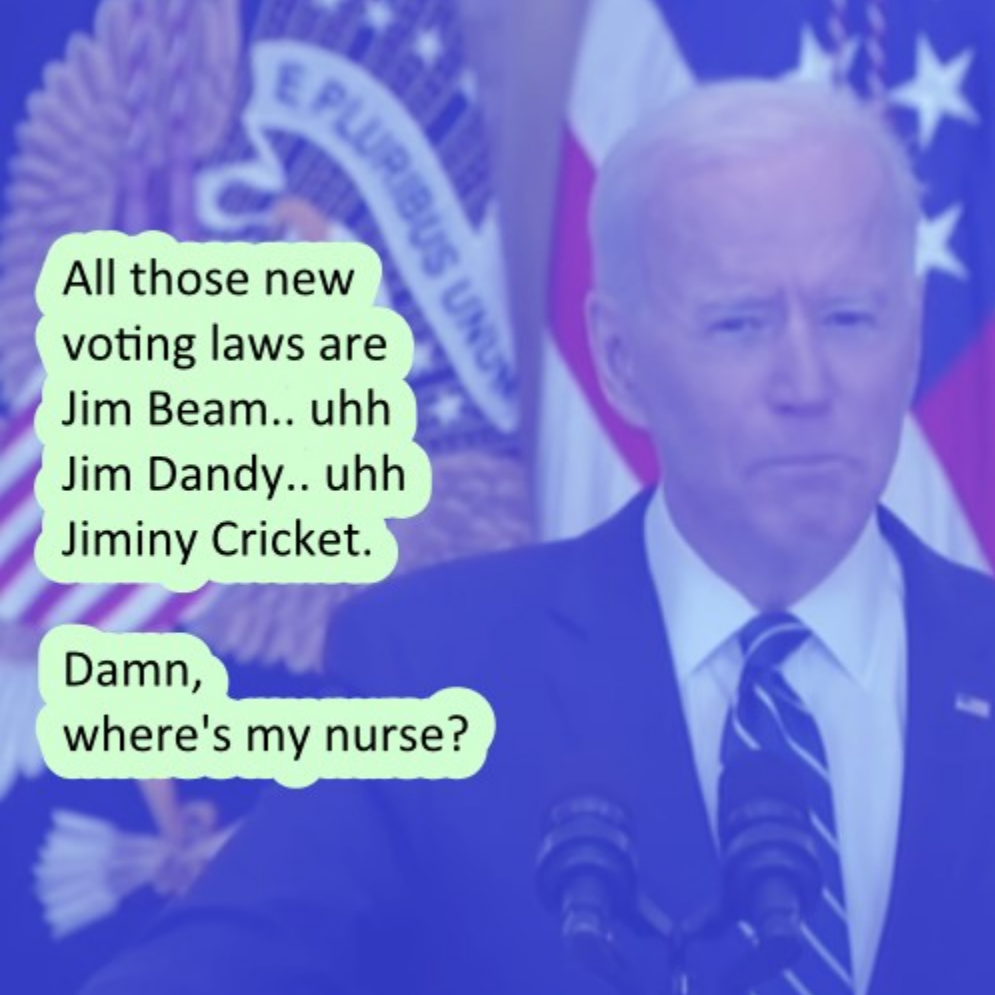

Are Democrats a *cult*?

Hmm... I'd say we are.

What's that make me?

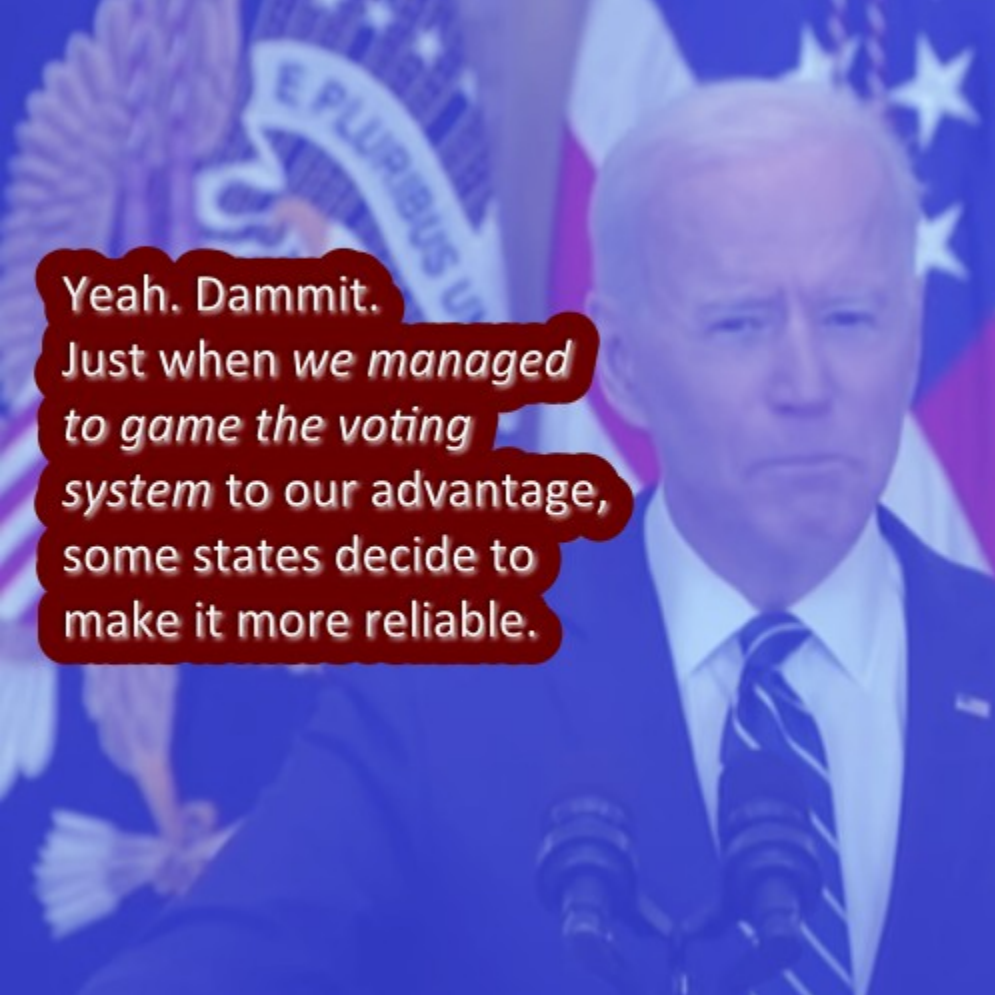

I was impotent
literally
before I was
figuratively.

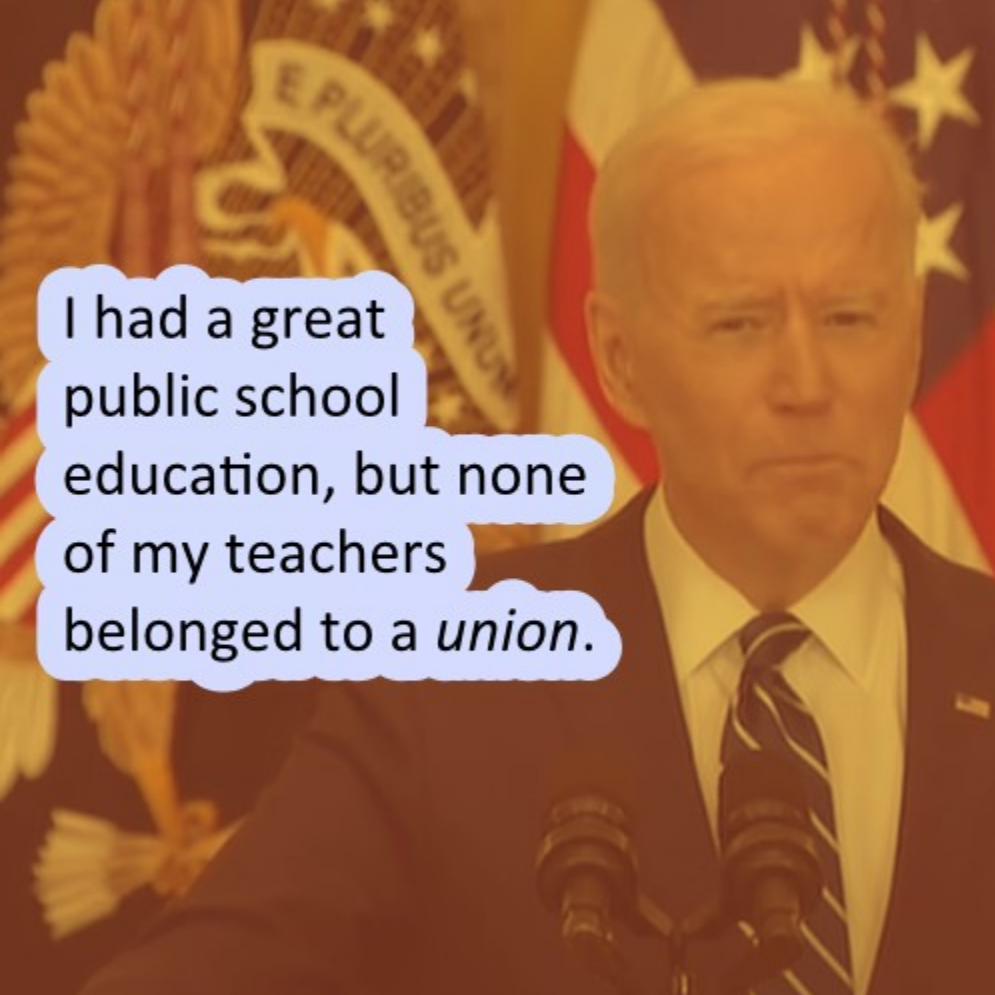

All those new
voting laws are
Jim Beam.. uhh
Jim Dandy.. uhh
Jiminy Cricket.

Damn,
where's my nurse?

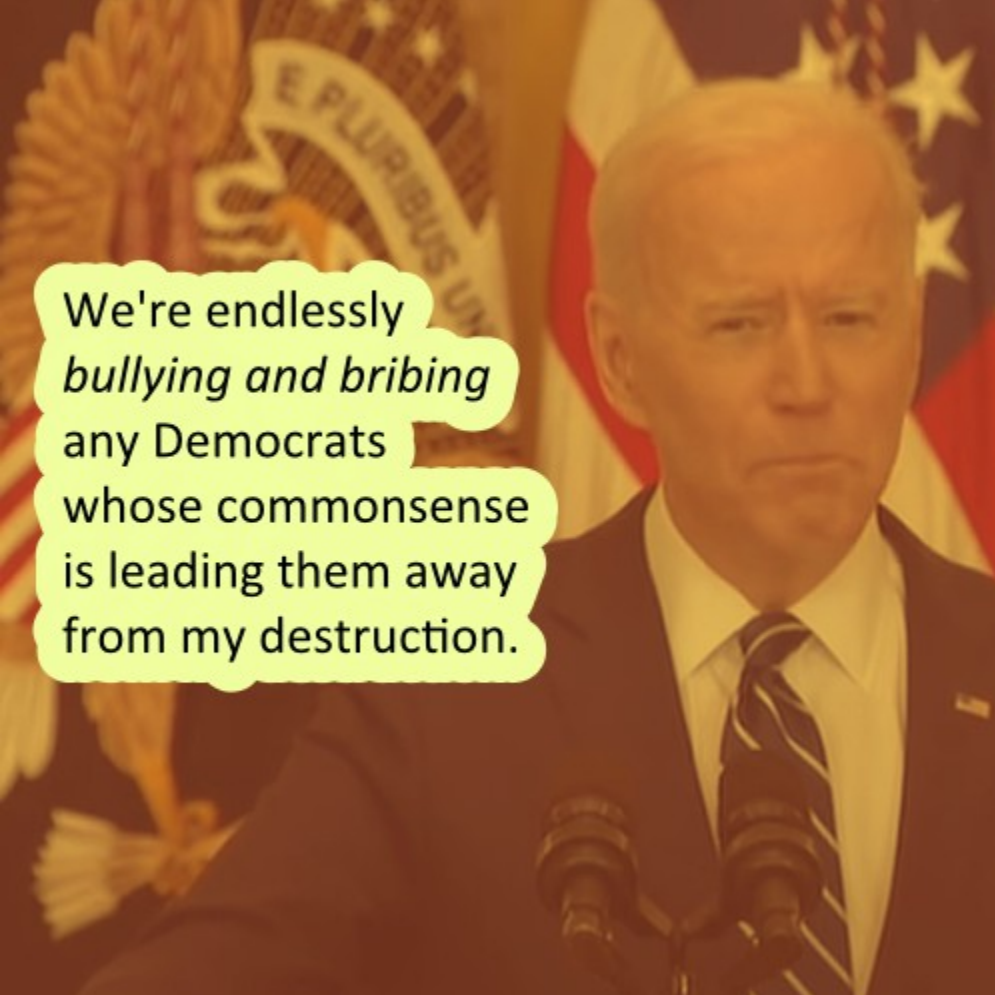

Yeah. Dammit.
Just when we *managed*
to game the voting
system to our advantage,
some states decide to
make it more reliable.

A photograph of Donald Trump speaking at a podium. He is wearing a dark suit, a white shirt, and a striped tie. Behind him are the Great Seal of the United States and the American flag. The image has a warm, orange-toned filter.

I had a great
public school
education, but none
of my teachers
belonged to a *union*.

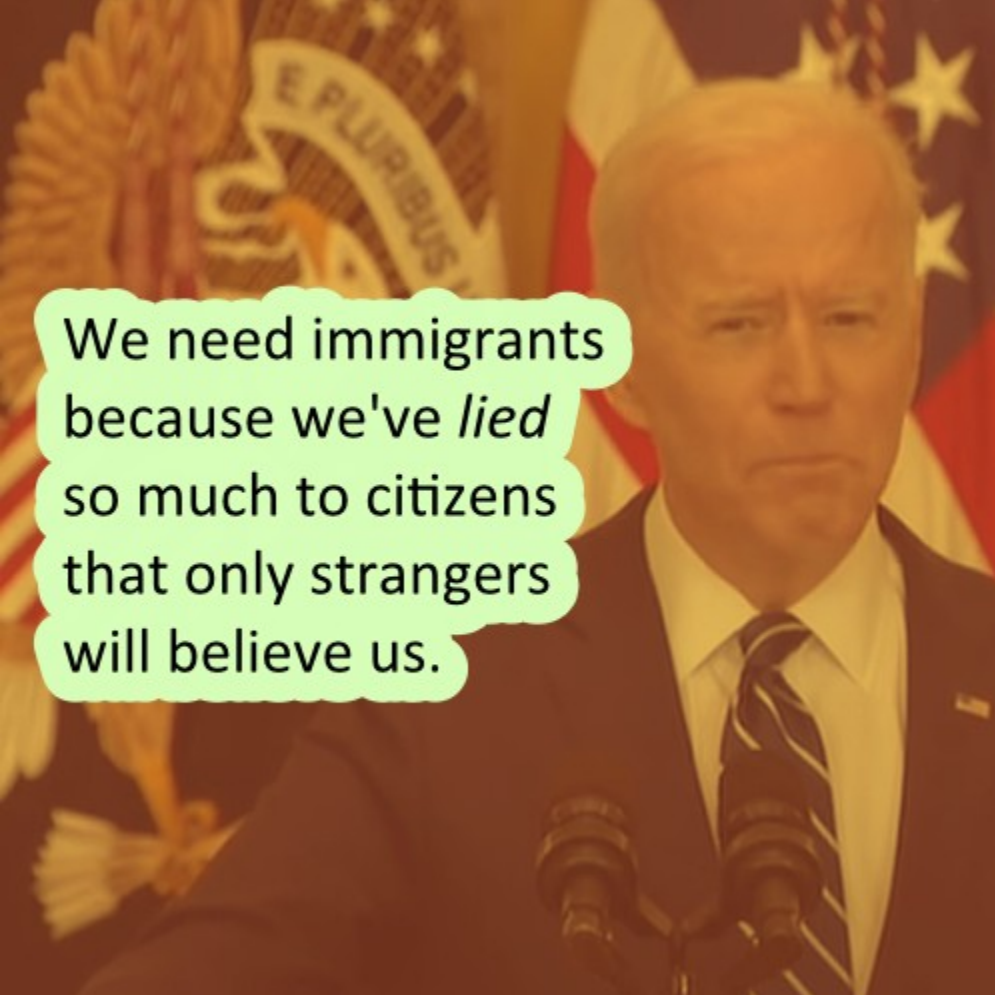

I'd like to fiddle
while everything
around me burns,
but I'm a *politician*,
and *artless*.

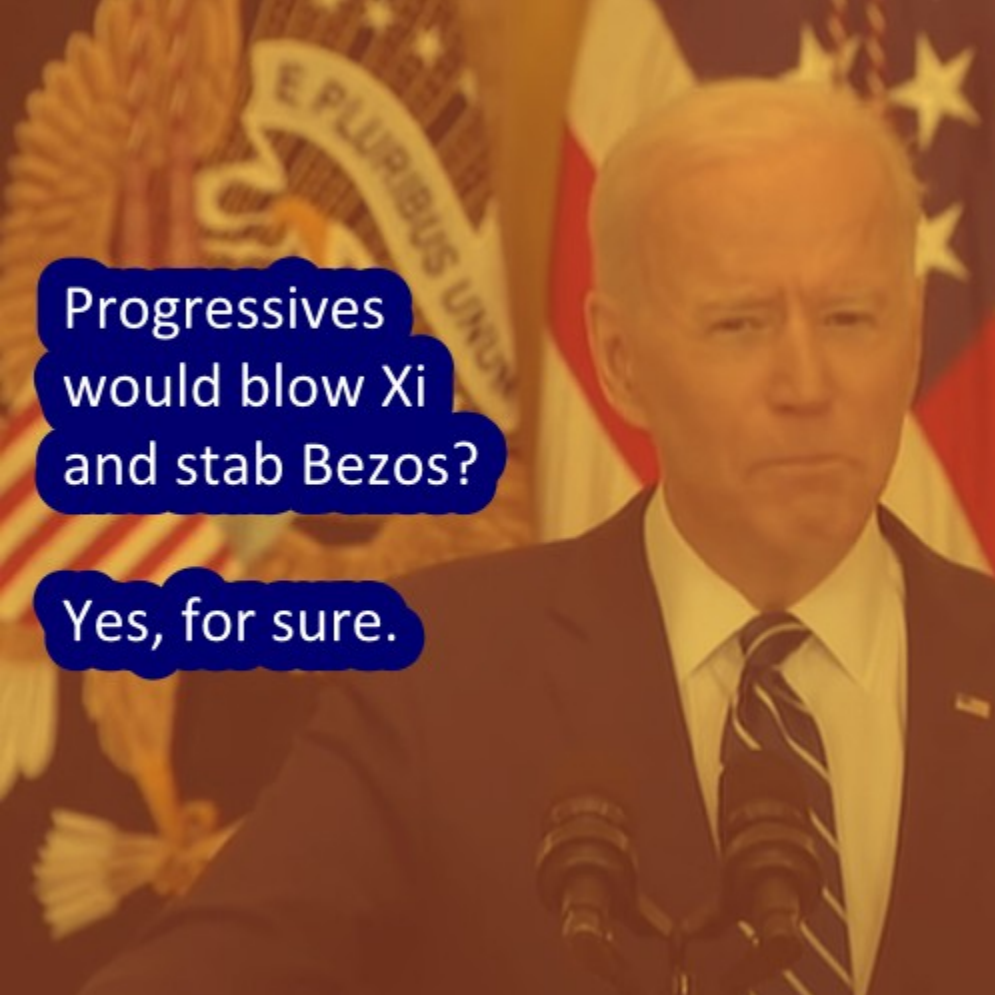

We're endlessly
bullying and bribing
any Democrats
whose commonsense
is leading them away
from my destruction.

A photograph of Joe Biden speaking at a podium. He is wearing a dark suit, a white shirt, and a striped tie. Behind him are the American flag and the Seal of the President of the United States. A purple speech bubble with white text is overlaid on the left side of the image.

Now that the enemy,
I mean Republicans
have enacted *better
voting regulations*,
I worry that they'll start
nominating terriers
instead of those
loser poodles.

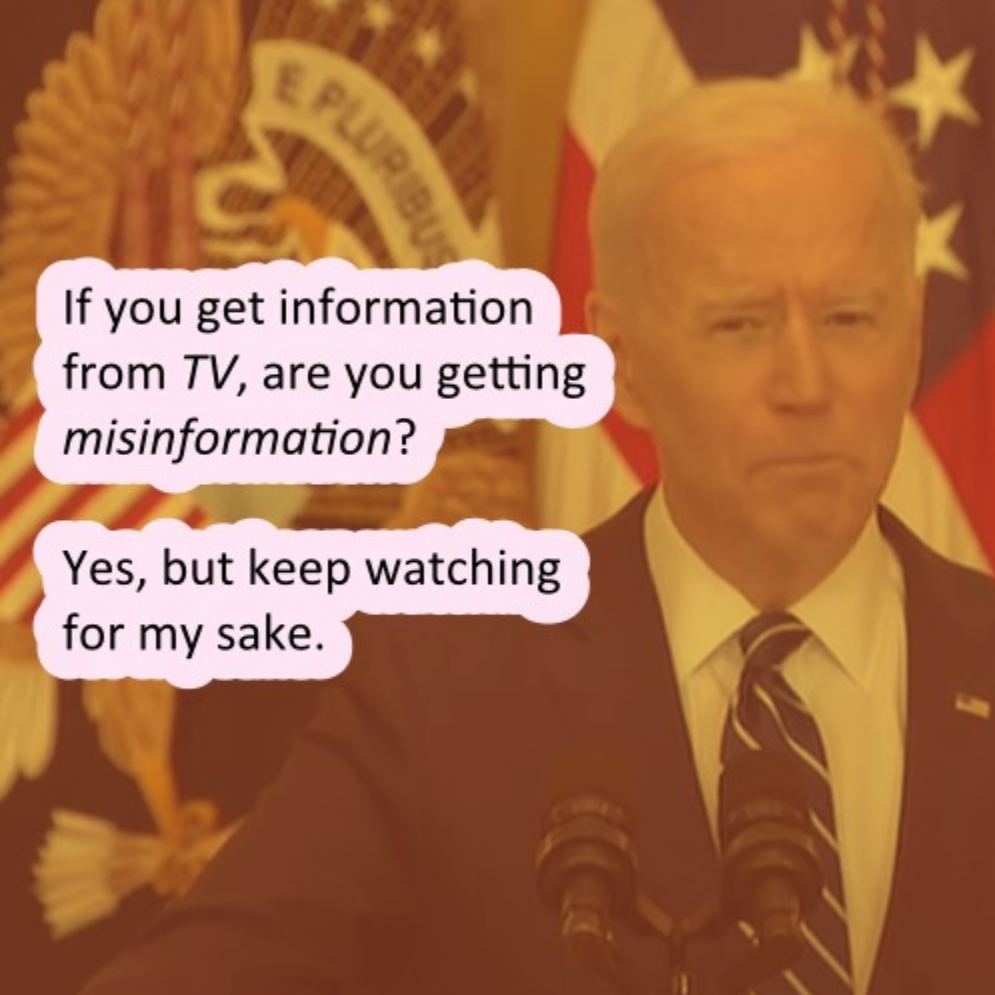

We need immigrants
because we've *lied*
so much to citizens
that only strangers
will believe us.

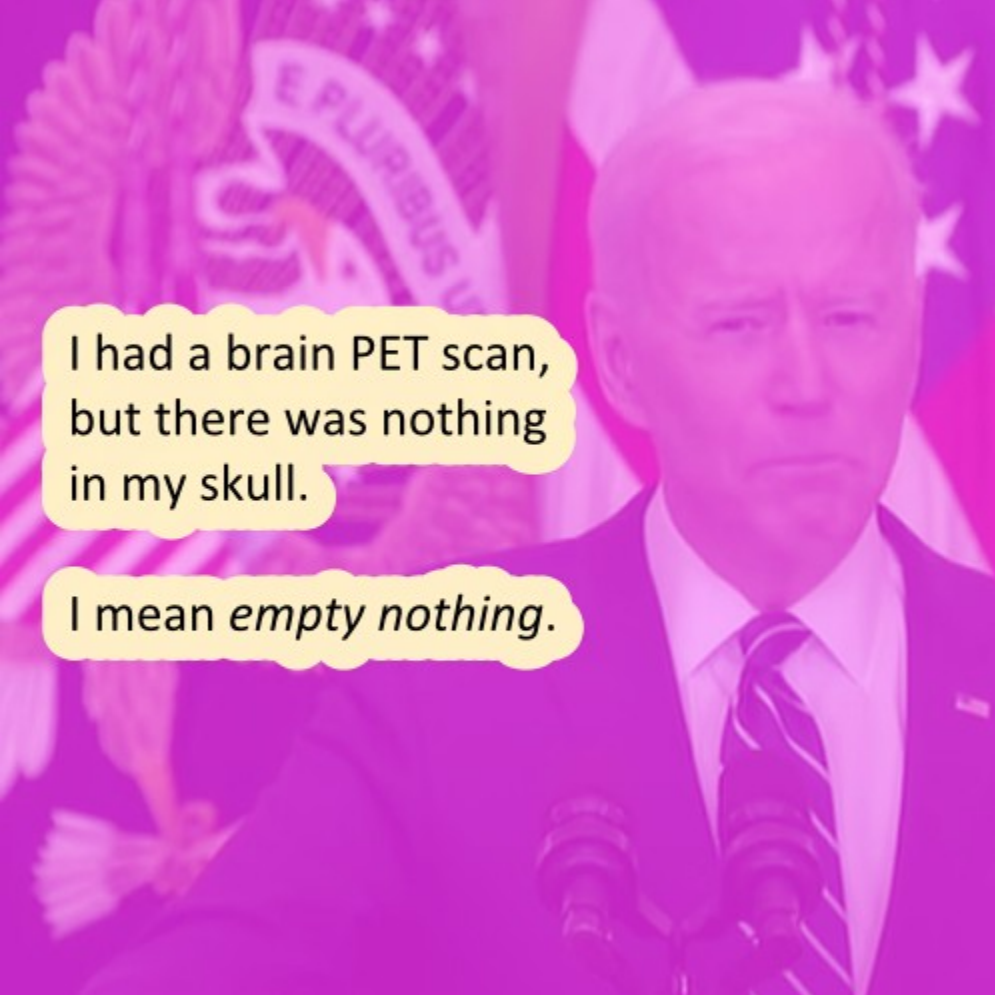

Progressives
would blow Xi
and stab Bezos?

Yes, for sure.

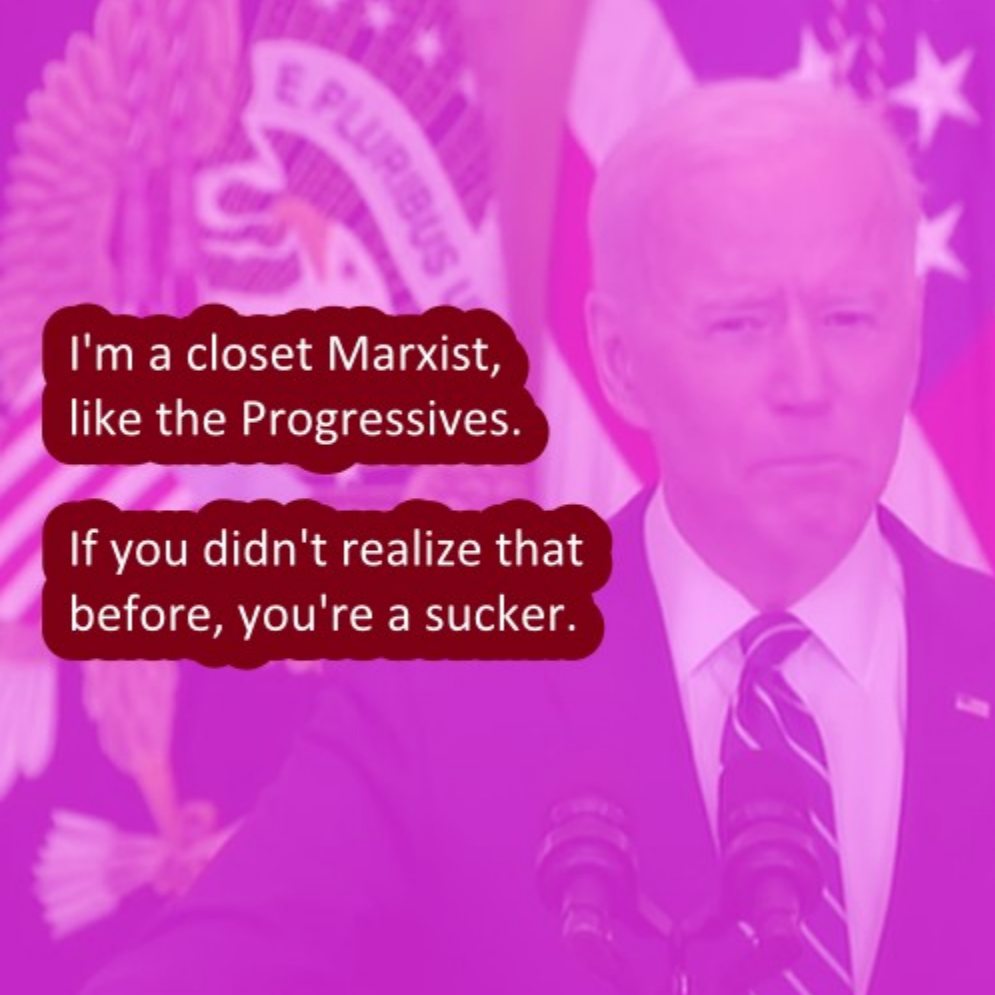

If you get information
from *TV*, are you getting
misinformation?

Yes, but keep watching
for my sake.

I had a brain PET scan,
but there was nothing
in my skull.

I mean *empty nothing*.

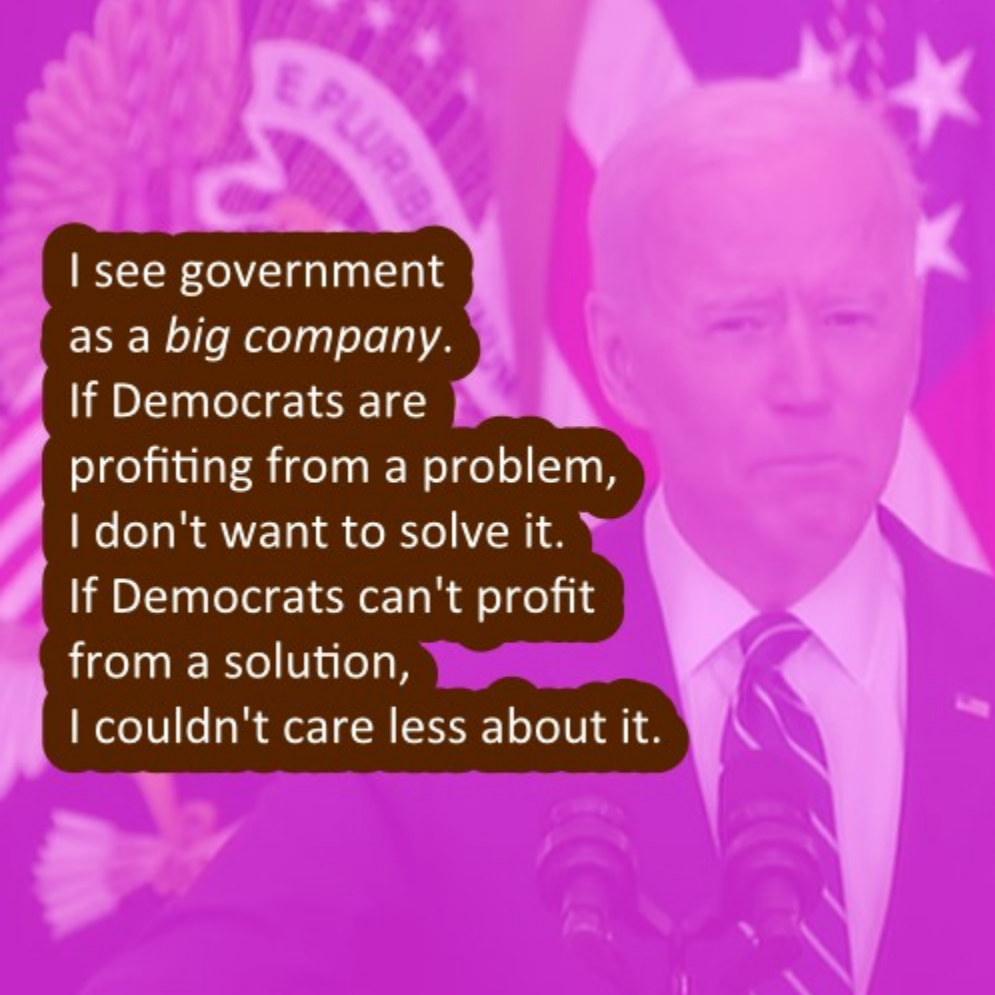

I'm a closet Marxist,
like the Progressives.

If you didn't realize that
before, you're a sucker.

A photograph of Donald Trump speaking at a podium. He is wearing a dark suit, a white shirt, and a striped tie. Behind him is the Presidential Seal of the United States, featuring an eagle with a shield and the motto 'E PLURIBUS UNUM'. The image has a blue tint.

Most of these immigrants
are desperate, uneducated,
and easily led...
perfect for Democrats.

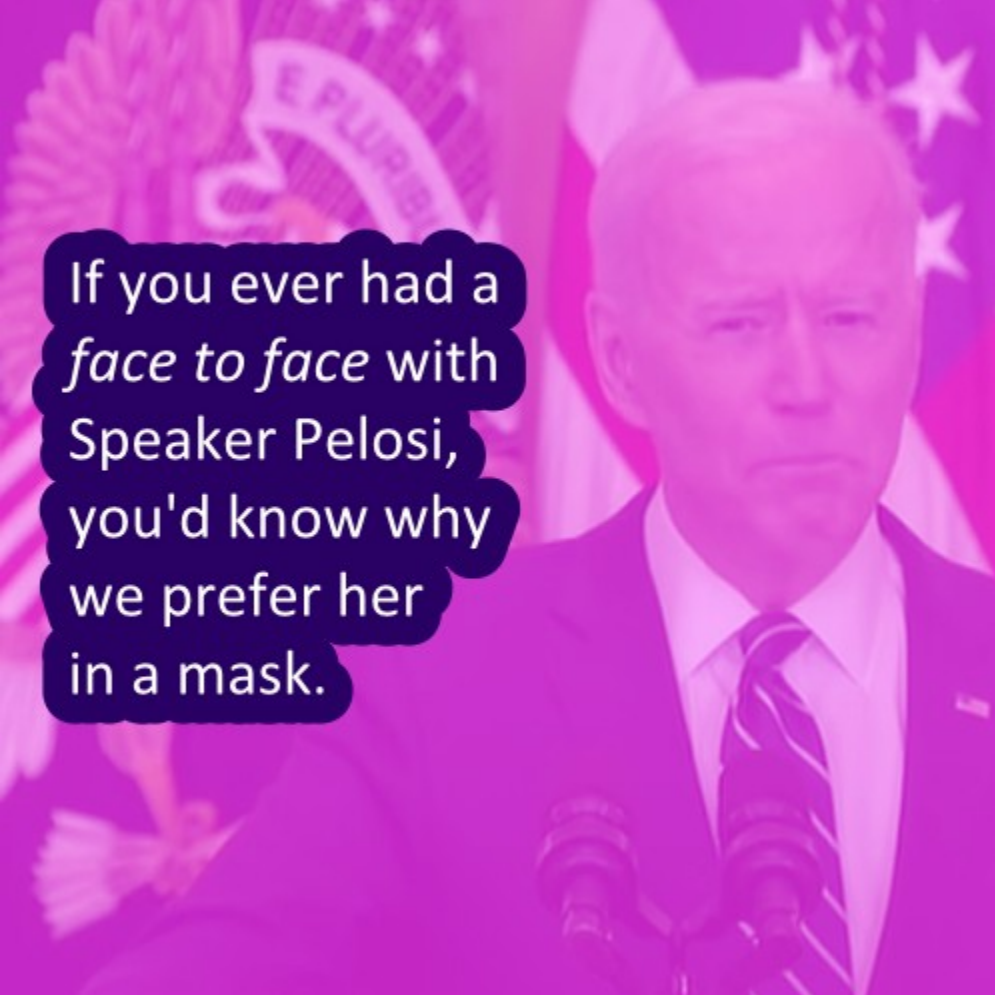

I see government
as a *big company*.
If Democrats are
profiting from a problem,
I don't want to solve it.
If Democrats can't profit
from a solution,
I couldn't care less about it.

A photograph of Mike Pompeo, the former US Secretary of State, speaking at a podium. The image is overlaid with a semi-transparent purple filter. Two white speech bubbles with black text are positioned on the left side of the image. The background shows the US Presidential Seal and an American flag.

My foreign relations
means syphilis
up the butt
from the Chinese?

Boy, that sounds bad.

A photograph of Kevin McCarthy, Speaker of the House, speaking at a podium. He is wearing a dark suit, white shirt, and a striped tie. Behind him is a large seal of the United States House of Representatives, featuring an eagle and the motto "E PLURIBUS UNUM". The background is slightly blurred, showing the American flag and other flags.

If you ever had a
face to face with
Speaker Pelosi,
you'd know why
we prefer her
in a mask.

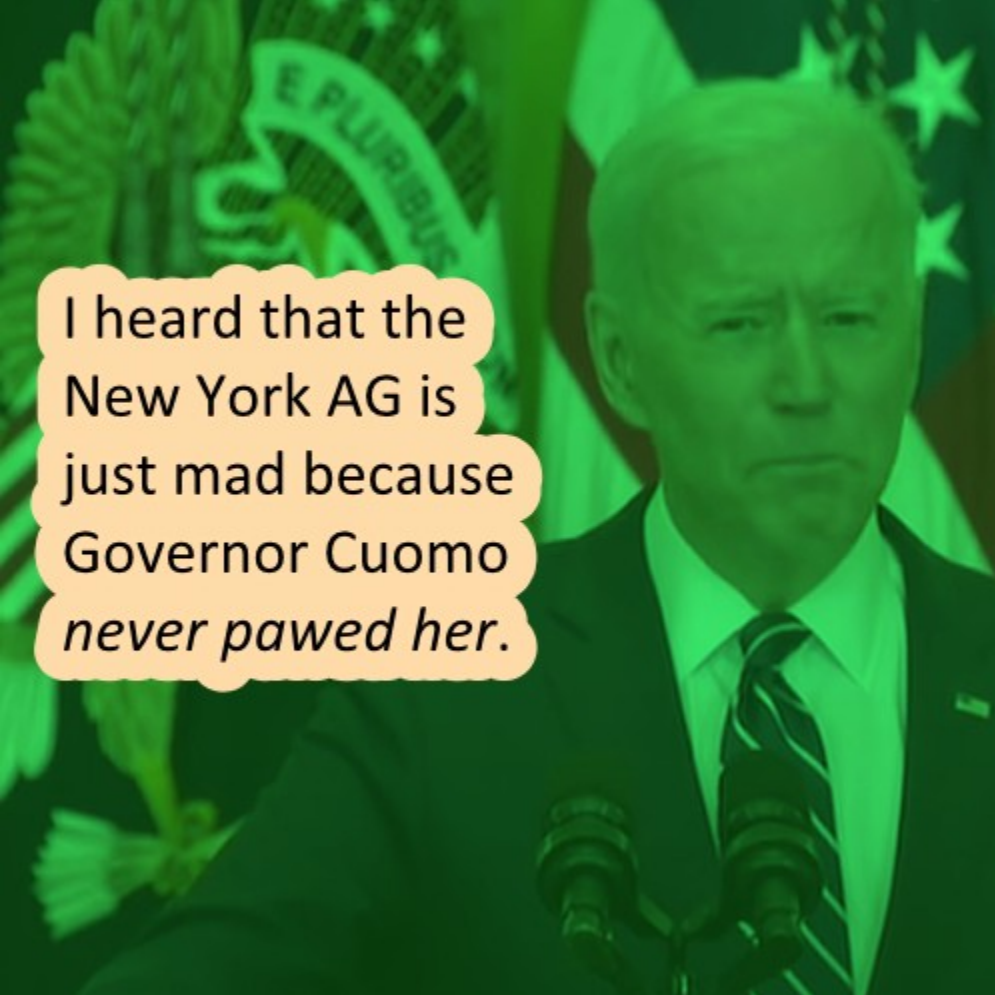

It's okay when
US athletes falter
at the Olympics.

It's hard to focus when
they *worry so much*
about who hates
and oppresses them.

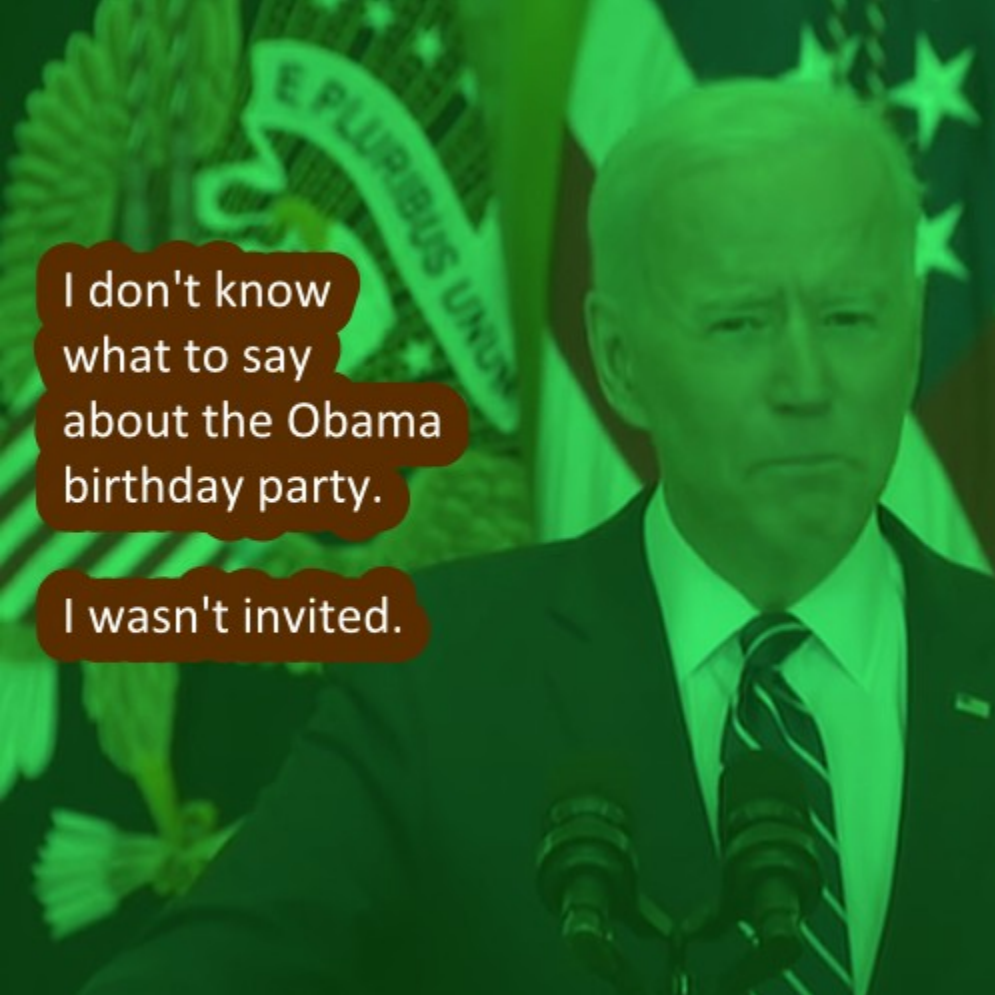

I'm surprised to see
Dr. Fauci on TV again.

I thought his
15 minutes of fame
were over.

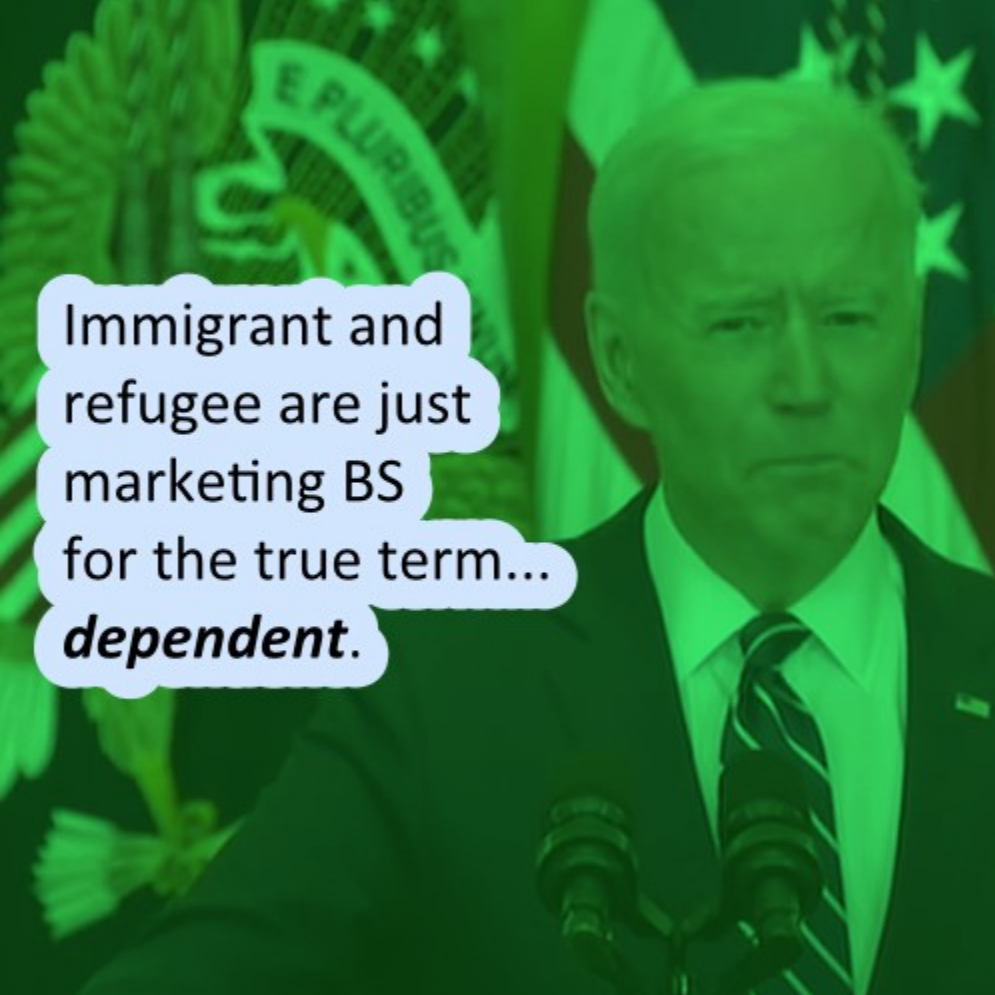

I heard that the
New York AG is
just mad because
Governor Cuomo
never pawed her.

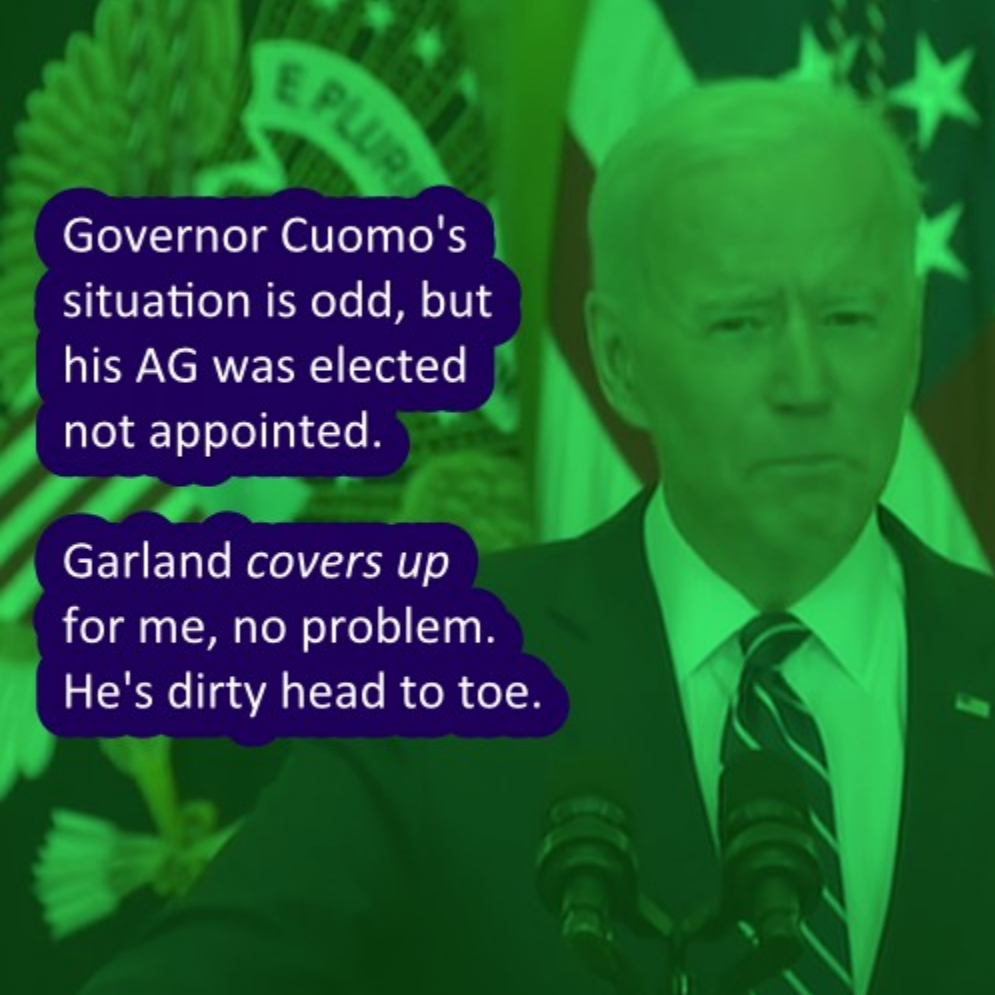

I don't know
what to say
about the Obama
birthday party.

I wasn't invited.

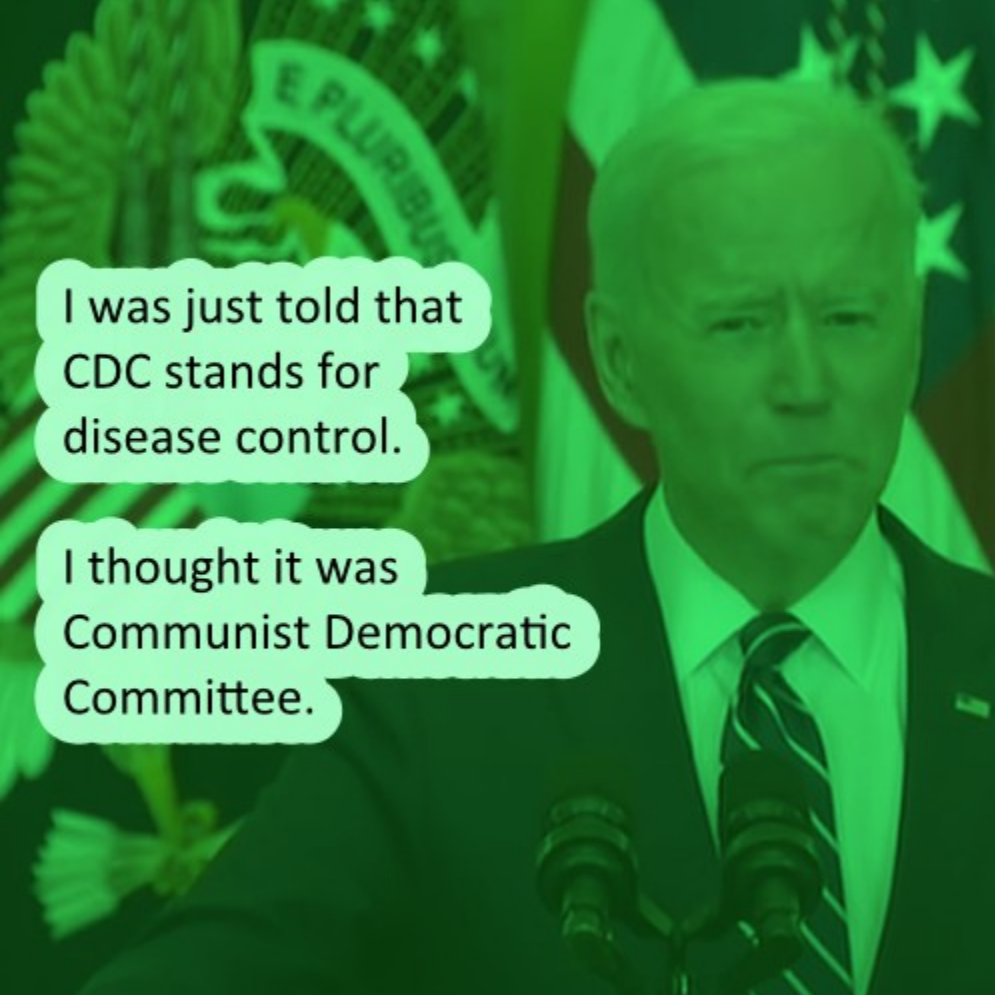

Immigrant and
refugee are just
marketing BS
for the true term...
dependent.

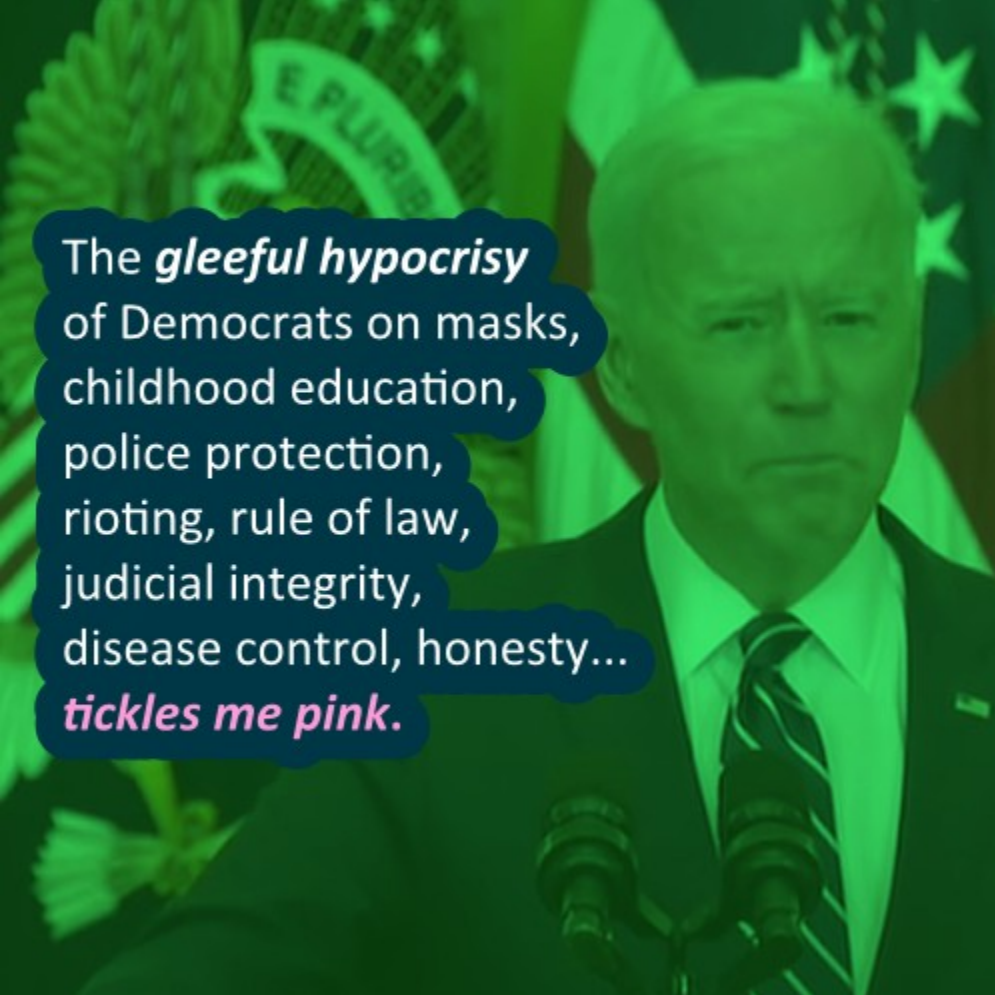

Governor Cuomo's situation is odd, but his AG was elected not appointed.

Garland *covers up* for me, no problem. He's dirty head to toe.

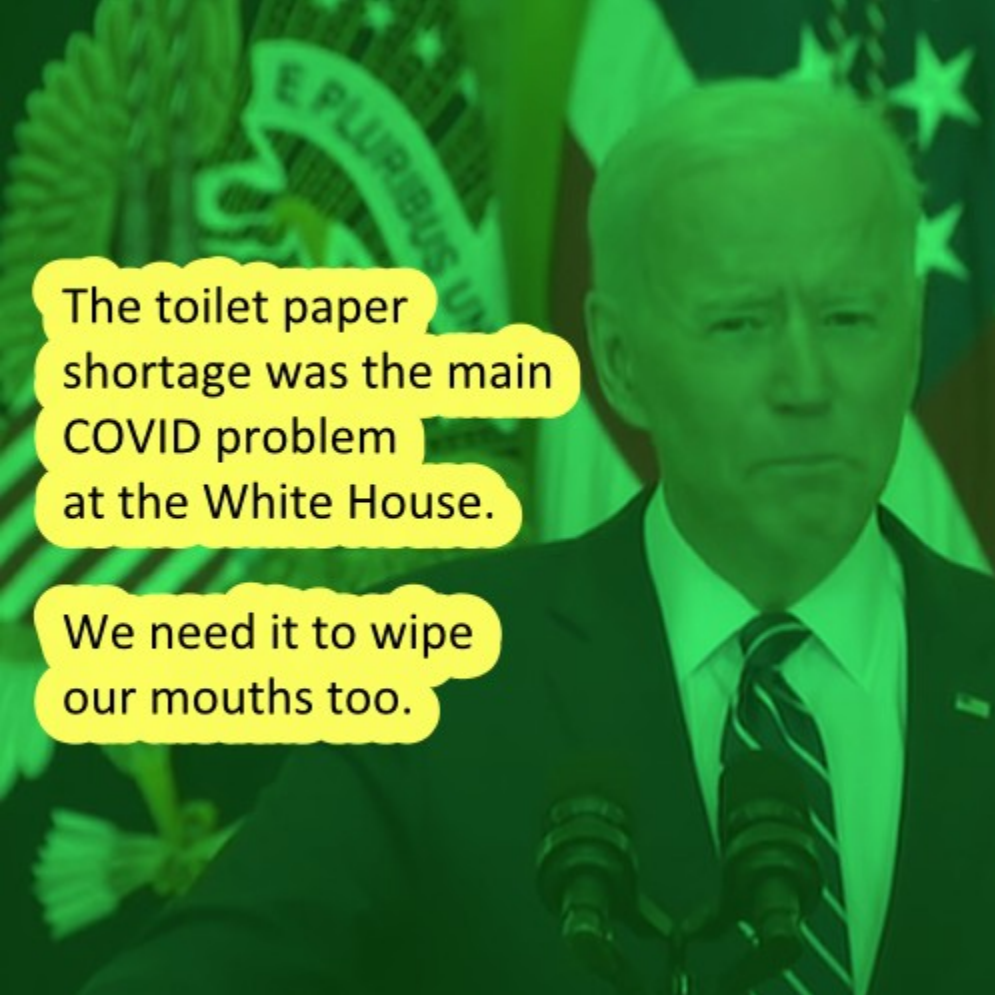

I was just told that
CDC stands for
disease control.

I thought it was
Communist Democratic
Committee.

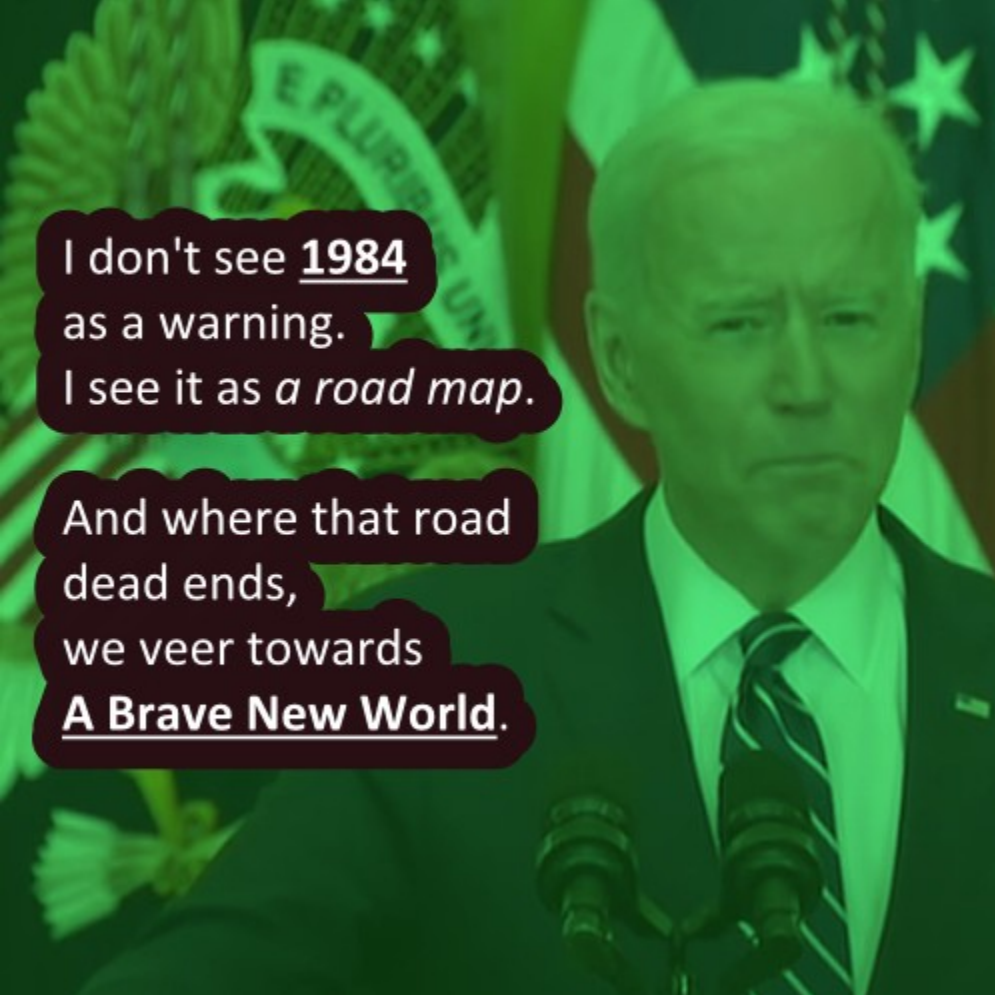

The *gleeful hypocrisy*
of Democrats on masks,
childhood education,
police protection,
rioting, rule of law,
judicial integrity,
disease control, honesty...
tickles me pink.

A photograph of Mike Pence, Vice President of the United States, speaking at a podium. The image has a green tint. Two yellow speech bubbles with black text are overlaid on the left side of the image. The background shows the Presidential Seal and the American flag.

The toilet paper shortage was the main COVID problem at the White House.

We need it to wipe our mouths too.

I don't see 1984
as a warning.
I see it as *a road map*.

And where that road
dead ends,
we veer towards
A Brave New World.
